Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the "student" in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and "Pursuing Victory With Honor." Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are "our students, our teams … our future."

2A: Football Championship Game Is a Rematch of 2016 Semifinal

By Jose Garcia
azpreps365.com

As he was heading out of Fountain Hills High after Thatcher's state semifinal game, head coach Sean Hinton was asked by a couple of Eloy Santa Cruz's football fans if his Thatcher team won.

Thatcher and Santa Cruz are close to three hours apart, but the interest in Thatcher is high in Eloy. Here's why.

Thatcher handed Santa Cruz's proud football program an overtime defeat in last year's semifinals, the only 'L' in Santa Cruz's 2016 record. So when Hinton relayed to Santa Cruz's fans that his team won and advanced to the 2017 final, the Santa Cruz contingent then began hoping for another shot at Thatcher.

They got just that after their team refused to exit in the semifinals again, this time to another tough-minded program, Round Valley. Santa Cruz's 24-21 semifinal win set up the rematch all of Eloy wanted.

Round 2 between defending champ Thatcher and Santa Cruz kicks off at 1:30 p.m. on Saturday at Campo Verde High School.

"It (2016 semis) is always on your mind," said Santa Cruz coach Rishard Davis after his team's semifinal victory. "We didn't want to lose it last year honestly. But Thatcher is a good team, and they deserved to win. At the same time, of course it's in the back of our minds.

"We've been thinking about them all year honestly. But just like Round Valley, Thatcher is going to play hard too."

The rematch might showcase the same teams but most of the threats are different this time around.

Santa Cruz still runs the ball a lot but is not as one dimensional. Last year, senior Devin Neal did most of the heavy lifting in the backfield for Santa Cruz.

This year, the broad shoulders of Alec Wyble-Meza are carrying the load. The senior burst onto the Arizona football scene midway through Santa Cruz's season and hasn't stopped running while leading the state's No. 2 yards per game run attack.

After the transfer sat during the first half of the regular season, all Wyble-Mesa has done is rush for a team-high 1,050 yards while averaging a whopping 14.4 yards per carry. But Thatcher's defense also needs to slow down seniors Titarro Jones (969 rushing yards) and Raoul Perales (787 rushing yards).

One of the X-factors in the 2A final is quarterback Jesus Cosillos. The senior has thrown 20 touchdowns and just two interceptions in 107 attempts.

"They (Santa Cruz) can run just like last year, but they throw the ball a lot more this year," Thatcher coach Sean Hinton said. "It will be a lot harder to defend. We have to keep them contained."

Like Santa Cruz, 90 percent of Thatcher's starters completed their eligibility last year but the reinforcements kept Thatcher atop the rankings.

The junior class is where Thatcher packs a lot of its power. Junior linemen Sam Nicholas and Quinten Mack are the lead cogs in Thatcher's veer run game.

They often open the lanes for Thatcher's committee of running backs. This year, Nicholas and Mack were on opposite sides of the offensive line.

"We felt their experience and knowledge could help the younger guys," said Hinton about placing Nicholas and Mack on opposite ends.

Running back/defensive back Quinton Turley and running back/linebacker Riley Morris are the other two junior heavyweights in the defending champ's lineup.

A new quarterback, Tyler Roebuck, took over the play calling this year for Thatcher. Roebuck was a wide receiver last year but his knowledge of his team's offense made it easier for Hinton to insert Roebuck.

As for Hinton's defense, it hasn't allowed an opponent to score more than 20 points in the game this year.

"Our hard hitting defense is our calling card," Hinton said.

The two players that pack the biggest wallop on D are linebacker Jordan Herbert (6-2, 210) and Turley.

When he was playing for Thatcher, Hinton also was a two-way player like some of this year's stars. Hinton has played or coached in five of the championships his program has won.

The first and only time Thatcher won back-to-back championships was during Hinton's junior and senior seasons (2000 an 2001).

"I'm always teasing my guys that my high schools teams are the only back-to-back champions in the school," Hinton said.

But he's also using that to motivate this year's team to duplicate the feat.

Hinton was hired by his high school coach, Don Conrad, Thatcher's athletic director. Some very qualified coaches, including 1A coaching legend John Bryant, applied for the Thatcher job.

"I thought they were stupid to give me a shot," said Hinton about his first head coaching gig.

Two state title appearances in three years as the boss.

There's nothing stupid about that.

Santa Cruz's football program's history also is filled with a lot of championship glory. But the program, which has produced five NFL players, hasn't won a title since 1990.

In stepped Davis, now in his fourth season as Santa Cruz's coach. The coach has resuscitated Santa Cruz, which won seven championships between 1965-1990.

Davis guided Santa Cruz to its first back-to-back 10 win seasons over the last two years.

3A: Undefeated Championship Participants to Meet for First Time

Unless there's a big shift in the enrollments of Casteel and Pusch Ridge Christian, the Nov. 25 game between the two 3A Conference teams will be their first and last meeting since Casteel is moving up to the 5A Conference next season.

Casteel likely isn't eyeing the state runner-up trophy as its parting gift, and neither is Pusch Ridge after its 2016 3A season ends. So far, both 13-0 teams have proven that either one is worthy of taking the state championship trophy home this season.

They'll decide who gets what on Nov. 25 at Campo Verde. Pusch Ridge Christian is two years removed from its last title, and a handful of its 13 seniors still carry with them the experience of that championship run.

None of Casteel's seniors know what playing for a title feels like, because it doesn't have any seniors. Casteel didn't even know what winning a playoff game felt like until this season.

The young Casteel program's quick climb to the championship arena is reminiscent of another Chandler Unified School District school, Hamilton, that also took the express championship route shortly after it opened in the late 1990s. Seniors or not, Casteel is ready and loaded just like its opponent.

Pusch Ridge Christian's ground and pound game leads all of the state's six football conferences with a 333.5 rushing yards per game average.

"The real secret to our success this season has been the play of the offensive and defensive lines," Pusch Ridge Christian coach Jerry Harris said. "Their growth and maturation throughout the offseason and regular season has been the difference."

Besides keeping Pusch Ridge's offensive line from controlling the line of scrimmage, it's no a secret who Casteel's defense needs to stop — quarterback Christian Fetsis. Fetsis has thrown 15 touchdowns and just three interceptions in 76 attempts, but more importantly the 6-2, 175-pound senior has rushed for a team-high 1,168 yards and 16 touchdowns.

Five other runnings backs have carried the ball 40 or more times for Pusch Ridge, including Tamerat McLeod (777 rushing yards, 13 TDs) and Ryan Garcia (623 rushing yards, 11 TDs).

"Statisctically and practically, (Fetsis) is the offensive leader of this team, and he's an even better human being," Harris said.

Three games into the playoffs, Harris' defense is still the state's leader in fewest points allowed.

Linebacker Blake Reilly (90 tackles) and safety Mitch Maas (110 tackles) are big reasons why. Maas is also a scoring threat anytime he touches the ball, having scored nine rushing touchdowns (14 total) on 42 carries.

Pusch Ridge is one of only two teams in the entire state that hasn't allowed 100 points this season.

The other defense belongs to Casteel, which often gets overlooked, because Casteel also possesses the highest scoring team in 3A. Five sophomores start on Casteel's defense.

"It (defense) is a blue collar group," Casteel coach Spencer Stowers said.

They might start five sophomores, but the leadership roles on defense are being filled by junior safeties Cameron Brown and Casen Simonton and junior middle linebacker Jehrt Flitton.

On offense, junior quarterback Gunner Cruz, Casteel's first football player to receive a Division I offer, is the unquestionable leader of that unit as well as the team. The tall signal caller is coming off a season high 324-yards passing performance in the semifinals.

Sophomore Brandt Goodwin (1,011 receiving yards) and junior Zach Nelson (711 receiving yards) are Cruz's go-to guys. But Casteel also starts the fourth leading rusher in 3A, junior Mack Johnson.

"In the weight room is where it starts with Mack," Stowers said. "He's got a great awareness of finding holes, exploding and extending plays."

Johnson rushed for a career high 217 yards in a 35-26 win over Florence in the quarterfinals.

One of the team's biggest forces on Casteel's offense, 6-6, 255-pound left tackle Brandon Babcock, might not play in the 3A championship game, however. The junior has mononucleosis and didn't play in the semifinals.

If Babcock is on the sidelines, he'll be in good company. Sandy Lundberg, Casteel's principal, was diagnosed with cancer this season but hasn't missed a playoff game yet.

Casteel's football team has dedicated their season to Lundberg.

"Our program wouldn't be where we are at without her vision," Stowers said.

4A Football Championship Preview

Salpointe's Bijan Robinson (left, photo by Andy Morales of azpreps365.com) and Saguaro's Josiah Bradley (photo by Darin Sicurello of maxpreps.com) are the leading rushers for their teams.

By Andy Morales
azpreps365.com

The seedings may not bear this out, but we had No. 2 Saguaro and No. 4 Salpointe listed as our top two teams in the preseason Sollenberger Football Prep Magazine. The Sabercats earned the top spot in our preseason poll and the Lancers entered the poll in the second spot. Both were easy choices.

The Sabercats (11-2) won their fourth championship in a row last year (38-20 over Marcos de Niza) which made nine titles since 2006 and the tenth overall. Often the scorn of coaches and fans of other programs, the Sabercats have been shifted to several classifications with the same results. The championships came in four different classifications and a runner-up finish in 1995 came in 5A competition.

A playoff contender every year since 2004, the only "down years" were a semifinal finish in 2004, a first-round appearance in 2005, a semifinal finish in 2009 and a quarterfinal finish in 2012. Take away an unusual 4-6 2003 campaign, and one would find five more good years prior to that.

Jason Mohns is now 72-9 since taking the program over in 2012. The two losses he suffered this year were to teams from Nevada and Utah. His last loss to a team from Arizona came on Sept. 4, 2015 to Pinnacle at home. Since then, he has gone 34-0 against teams from our state.

One of those victories was a 24-3 win over Salpointe in the semifinal round last year.

Let's take a look at a few of the players leading the vaunted Sabercat attack:

Senior QB Max Massingale has 3,114 yards passing this year with 32 touchdowns. He is sitting at 5,463 career passing yards and 63 TDs. Massingale rushed for 1,012 yards last year with 12 TDs but his totals in that category this year were a bit down with 623 yards and eight TDs. Still, he is the team's second leading rusher.

Sr. Josiah Bradley leads the team with 740 yards rushing with 11 TDs and Sr. La'Ray Lucas has 439 with 10 TDs. Massingale has two main targets through the air with Sr. Logan Pettijohn pulling down 1,290 yards with 14 TDS and Sr. Zach Wilson has 1,130 with 10 TDS.

On the defensive side, Jr. Clayton Randall has 109 tackles and Jr. Connor Soelle has 100. So. Damian Sellers has 10 sacks and Soelle has five interceptions.

Salpointe (12-1) won a Division II state championship in 2013 over Chaparral. In was the first trip to the final since 1991 and the third overall. The Lancers finished 5-5 in 2015, failing to make the playoffs for the first time since 2001. The 2009 (9-1) team was on probation.

Like Saguaro, the Lancers are used to playing in the postseason and leading the way is head coach Dennis Bene. Bene has 161 career victories which puts him fourth in line from Southern Arizona. His one loss this year came against 5A power Cienega.

The loss to Saguaro in the semifinal round last year is the only loss to a team in the same division dating back to an overtime loss to Cienega in the final game of the 2015 season when the Bobcats and Lancers were both in Division II. It was that loss that prevented the Lancers from earning a postseason berth. Since then, the Lancers have gone 22-1 against 4A opponents.

Sr. QB Rodrigo Nieto leads the passing attack with 1, 110 yards and 14 TDs with Sr. Andrew Jacobs being his main target with 491 yards receiving and five TDS.

The Lancers have gained 3,597 yards on the ground with So. Sensation Bijan Robinson collecting 1,859 of those yards with 26 TDs despite missing a game due to injury. Jr. Mario Padilla has 758 yards rushing with 13 TDs. Padilla missed four games, otherwise he would also be over 1,000 on the year.

Sr. Chris Aguirre has 139 tackles to lead the defense and Sr. Christian Vasquez and Sr. Joshua Pasos have 84 tackles each. Sr. Gabe Madril has 13 sacks, Sr. Brian Corrales has eight and Aguirre has five. The Lancers also feature Sr. lineman Matteo Mele. Mele committed to Washington.

5A FB: Centennial Seeks to Crack Unbeaten Notre Dame Prep

Centennial and Notre Dame Prep have encountered all kinds of games on their way to this year's 5A championship game at University of Arizona Stadium. A majority are blowout wins and most recently it's been close calls. It boils down to a tasty matchup -- the first ever between the schools.

A glance at the coaches and top players from both squads and what they bring to the matchup:

Centennial (11-1) is appearing in its sixth championship game of eight possible this decade. The Coyotes escaped tight quarterfinal (Chaparral) and semifinal (Liberty) contests to advance and attempt to regain a crown they last won in 2015 competing at the Division I level.

Notre Dame (13-0), which has won 18 games in row for the state's longest winning streak, endured the penalty for several rules violations last year that sent the Saints to the sideline for postseason despite an 8-2 record and winning their region on the field.

They edged Queen Creek in overtime in the quarterfinals and won by a field goal over top-seed Cienega in the semis. The Saints have won two state titles in football -- back-to-back 4A-II titles in 2007 and 2008 under the late Scot Bemis. Those were also two of the five title years for Centennial (5A-II).

Centennial coach Richard Taylor has guided the Coyotes since the school opened in 1990. Since 2005 Centennial has racked up all its football trophies -- five championships and four runners-up. Notre Dame is led by first-year coach George Prelock, who piloted the freshman program prior to becoming head coach. Perfect and/or championship seasons in a first year are almost unheard of.

Notre Dame and Centennial possess premium lead running backs. For Centennial its senior Zane Thomas (1,841 yards rushing, 24 TDs); Notre Dame it's senior Cole Fisher (1,234 yards rushing, 20 TDs). Thomas' three biggest games came in tight ones (334 yards vs. Pinnacle), (239 yards and 278 yards in two vs. Liberty). The latter total came last week when he was needed most. Fisher hasn't posted huge games like Thomas, but his second half last week was timely. Fisher rushed for 124 yards and his three TDs came in the second half. The Saints have a second 1,000-yard rusher in junior Jake Smith, who cracked the 1,000-yard mark last week. Smith has chipped in with 11 TDs.

The quarterbacks haven't thrown a bunch - they average 12 passes a game. Notre Dame tends to get bigger chunks with 23 yards per reception from quarterback Kylan Weisser (1,817 yards, 25 TDs and only three picks). Notre Dame's Smith is the top target to go with his rushing numbers. He's caught 29 passes for 951 yards and 14 TDs Blake Storey is next with 25 catches for 400 yards and 6 TDs.

Centennial quarterback Ruben Beltran III has thrown for 1,237 yards and 18 TDs with only four interceptions (13 yards per reception). Senior Alex Escobar is the favored receiver with 27 receptions for 410 yards and 7 TDs. Centennial's edge may come with its veteran offensive line -- four of five that started in 2016 returned and they are accomplished.

Over the course of the season Centennial has come along rebuilding its defense and gives up just 10 points a game. Both teams were loaded with returners on offense, but Centennial had to fill eight spots on its defense from 2016. Senior linebacker Christian Gomez leads Centennial's linebacking corps and sophomore safety Jaydin Young leads in tackles and has four interceptions. Notre Dame's received steady play from a pair of seniors who lead its defense. Defensive end Kyle White has 76 tackles and 9.5 sacks; linebacker Vincent Elrod leads in tackles with 102.

Chandler, Perry Seek Title Bounties

Wolves Out for Repeat, Pumas Eye Initial Crown

By Les Willsey
azpreps365.com

This year's 6A championship game opponents -- Chandler and Perry -- didn't become acquainted until 2013. Chandler was in the midst of becoming a perennial power and

Perry gradually working toward that level.

They meet in a winner-take all contest at University of Arizona Stadium -- Chandler in search of back-to-back titles and a third in four years. Perry looking for ultimate paydirt and its first title in its first-ever title game.

The record between them over five years has Chandler dominating. The Wolves have won all six meetings and by large margins - an average tally of 55-20. That includes Perry's only three losses the last two seasons - the most recent two months ago with Chandler's 55-27 triumph.

Perry needs to set aside that chunk of history and believe -- as they seem to at this point -- the top trophy is up for grabs.

The game figures to be a shootout although Chandler's defense was at the top of its game in the earlier meeting. Chandler suffered its only two losses early in the season with junior quarterback Jacob Conover sidelined for 1 1/2 of those losses by a shoulder injury. Since Conover's return -- which just happened to be vs. Perry on Oct. 6 - the Wolves are averaging 55 points a game. They've won nine games in a row, six with Conover back at the helm. Conover passed for just 200 yards in that game. His backfield mates Drake Anderson and DeCarlos Brooks sliced and diced Perry for most of the 407 rushing yards

that night. Chandler built a 28-0 lead at the half - the only half this season Perry's offense has been shut out.

Conover, who has yet to decide on a college, has passed for 949 yards and 15 TDs in three playoff games - 7 TDs in the semifinal win over Red Mountain. Conover has thrown 23 TDs in eight games with only two interceptions. The Wolves have the luxury of picking their poison offensively to subdue foes.

Perry possesses 6A's most prolific quarterback in senior Brock Purdy. Purdy has passed for 4,083 yards and 52 touchdowns. Add another 886 yards rushing and nine TD he's nearly the 5,000-yard man. In his three playoff games, Purdy's thrown for 1,146 yards and 14 TDs.

Purdy has yet to receive an appropriate offer at the next level most fans and his coaches believe he deserves. At this point a championship would than salve that wound.

With so much firepower in both lineups starting at quarterback, it wouldn't be right not to mention the guys that take the handoffs and catch the passes.

Chandler's receivers are led by the dynamic tandem of Gunner Romney and Jarick Caldwell. Both have missed time due to injury like Conover. Their numbers are impressive - 65 catches for 1,279 yards, 14 TDs for Romney and 47 receptions for 729 yards and 4 TDs for Caldwell. Chandler's backs can carry the load anytime. Anderson's rushed for 1,811 yards and 29 scores and Brooks 1,148 yards and 13 TDs.

Perry's main targets are senior Colby Dickie and junior D'Shayne James. Dickie has caught 61 passes for 1,273 yards and eight TDs. He moves the chains often. James is the over-the-top wide out. James has hauled in 43 receptions for 1,009 yards and 13 TDs. His line was 4 for 156 and a TD in the win over Mountain Pointe.

Purdy's ground game is led by Purdy with his scrambling and designed runs, but Kenny Fultz can be a handful as he proved in the semis vs. Mountain Pointe with 95 yards and three TDs. Fultz has rushed for 616 yards and 15 TDs.
