In September, the Arizona Interscholastic Association officially sanctioned a state tournament for robotics, joining 27 other AIA sports/activities that already compete for state titles. The interest for robotics and STEM initiatives is growing at Arizona high schools and the AIA is proud to provide an opportunity for these teams to compete in a fun and exciting atmosphere.

The first high school robotics season in Arizona will start during the spring season and teams will compete in regional events run by FIRST, a non-profit organization that organizes robotic events internationally. The top 30 teams from the regionals will then advance to the May 23 state tournament at the Prescott Valley Events Center.

There are currently 49 high schools that have robotics teams in Arizona. The AIA's goal is to double that number of teams by May 2016. If you are interested in supporting the AIA robotics program and state tournament as a corporate partner, please contact AIA Sports Properties at 602-385-3828 or [facosta@aia365.com](mailto:facosta@aia365.com).

# Catalina Foothills Likes Chances of D-II Boys Swim Repeat

*By Les Willsey*  
*aia365.com*

The good news for Catalina Foothills boys swim team last year came in winning the Division II title with a predominantly underclassman lineup. That could be bad news for the rest of the field this year since just about everyone who contributed last year returns.

Catalina Foothills had a streak of 11 consecutive team titles (2000-2010) broken in 2011 when the Falcons were placed in Division I for a two-year scheduling block. They placed a respectable sixth in D-I in 2011 and 2012.

The return to Division II last year saw them back on top as they await the chance to begin a new streak title streak this weekend.

A Catalina Foothills repeat on Nov. 8 at the Skyline Aquatics Center in Mesa is likely to be led by another top-notch performance from one of this year's only seniors -- Matt Lujan.

Lujan scored the most points in last year's championship winning the 200 individual medley, placing second in the 100 back and helping the 200 medley relay and 400 free relay teams to second-place finishes. The University of Arizona-bound Lujan takes the leadership role occupied last year by then-senior Matt House, who was just behind Lujan in points tallied last year for the Falcons.

"Matt's not only an outstanding swimmer, but an outstanding student," Walter said. "I don't know his grade point average exactly, but it's probably over 4.0 weighted."

Nearly two hands worth of swimmers and divers scored for Catalina Foothills in its ride to 280 points for first place, far outdistancing runner-up Queen Creek at 203. Four of them were freshman -- Brooks Fail, Andy Duffield, Sean Seyller and Jack Hadley. Two were sophomores -- Brendan Finn and Matt King.

"The freshman group that arrived last year are all good friends and very supportive of one another," Walter said. "It's a tight team overall."

Fail is one who could make a big impact in his second varsity season. He currently has the top qualifying time in the 500 free and is high on the list in the 200 free. He'll swim anchor leg of the 200 free relay and leadoff the 400 free relay.

"Brooks was our freshman of the year last year," Walter said. "A lot can happen from your freshman year on up, but there is no doubt where Brooks is headed. He brings it all the time. He's one that leads with his swimming, but he doesn't sit quietly. He gets on his teammates."

Catalina Foothills did well in House's events last year and also had two divers place in the top 16. Walter believes the team's depth and experience will go a long way to filling those gaps.

"As far as predictions of who will win the meet, I'm not one to make those," Walter said. "I do think we are as strong as we were last year. If there is a weakness it's in the sprint freestyles, but we're pretty loaded elsewhere."

## Pinnacle's Toris Aiming For Swim Sweeps Again – And Something Extra

**By Les Willsey**  
***aia365.com***

Pinnacle swimmer Victoria Toris didn't dive head first into swimming.

The senior sprinter, who specializes in the 50-yard and 100-yard freestyle, dabbled in the sport up until the eighth grade. Never got serious up to that point. Once she did, well, the results speak for themselves.

"I've been swimming a long time, but up until seventh and eighth grade it was just recreational stuff," Toris said. "When I was in eighth grade I decided swimming was something I wanted to spend more time on."

Toris wasn't a state champion individually or in relays her freshman year in 2011. She took third that year in the 100 free and 100 back. She anchored second-place finishes in the 200 free and 400 free relays. Since then it's been one gold medal after another. Double wins in 2012 and 2013 in the 50 and 100 free and double-winner again anchoring the 200 free and 400 free relays.

Her goal of course this year is a three-peat in all four events. And with a little luck and extra determination, she hopes to conquer state records in the 50 and 100 free.

"Right now I'm just tapering for state and working on the small stuff," Toris said. "I'd really like to break the records. That's my goal."

The 50 free state mark is 22.93 seconds set by Aleesha Miller of Mesa Mtn. View in 2006 and the 100 free record is held by Dobson's Traycie Swartz at 49.50 (2007).

Toris posted a 22.85 her sophomore year and has hit 49.50 in the 100 outside of state competition. What may be driving her more this season is helping Pinnacle get over the top in the team competition in Division I. In her three previous seasons Pinnacle has finished second (2011), second (2012) and third (2013) in the team race.

She'll enter this year's meet with her decision on college out of the way, which should add to her focus. Last month Toris opted to attend USC after her fourth and final visit. She also considered Arizona, UCLA and Tennessee.

"It was a tough choice, but I like the Southern California area," Toris said. "USC fit the bill. I have family there. Weather isn't a problem. It's different, but not too different. It's away from home, but not too far away. They made me feel special."

Pinnacle has done well in big invitationals this year finishing first among 40 teams in the Wolves Classic in Chandler in September, taking second in October among a 32-team field at the Brophy-Xavier Invitational and warming up for state winning the Paradise Valley district meet in late October.

Toris appreciates the way her time in swimming has worked out. Having participated in club competitively for only five years she doesn't feel the sport to be drudgery nor does she feel burn-out like some might be having done it for a decade.

"I enjoy swimming," Toris said. And I really want us to win team this year. I feel good and our relays are looking good. I think we have as good a chance as anyone to win it. This is my last state meet. No matter what happens I'm going to cherish it."
