

STATE CHAMPIONSHIPS

A photograph of the entrance to Brophy Jesuit College Prep. A large, light-colored stone archway frames a path lined with palm trees. In the background, a building with a dome is visible. Two students with backpacks are walking away from the camera through the archway. Above the archway, three large crosses are visible against a blue sky with palm trees.

Sarah Carter & Xavier Prepping for Return to the Top

By Andy Morales
azpreps365.com

The Xavier Prep girls have won nine state championships including three in a row from 1995 to 1997 and then six in row from 2007 to 2012. Added to that incredible accomplishment is six runner-up finishes including the last two in 2013 and 2014.

Former Xavier co-head coach Dr. Jeff Messer was on hand for the run from 2007 to 2012 (along with current head coach Dave Van Sickle) but Messer transferred over to Desert Vista in 2013. Coincidentally, Desert Vista was the program that turned Xavier Prep back the last two years.

But Dani Jones has graduated from Desert Vista and she is now running track and cross country for the University of Colorado. Jones was named the 2014-15 Arizona Gatorade Girls Cross Country Runner of the Year after she won the state championship last year with a course record of 17:26.

Jones still holds multiple state records and she won nine various state championships so it was obvious her absence was going to be felt. To be fair, Xavier also lost two senior standouts in Shannon Molvin (NAU) and Sierra Brown.

Molvin took ninth place last year and Brown finished in 19th. Sarah Carter was way back at 54th. But that was last year.

Xavier won the Division I, Section II championship by a score of 19 to 62 over Sandra Day O'Connor at Rose Mofford Park and leading the way was Carter with a time of 17:57.56. Her teammates Tessa Weiss took second (18:15.59) and Jane Miller came in third place (18:24.09).

Meanwhile, Desert Vista took second place to Chandler by a wide margin 16 to 102 in the Section I meet held at Cross Roads Park in Gilbert. Desert Vista sophomore Kelly Harris took ninth (19:53).

Chandler swept the top four finishers and had five of the top six and seven of the ten. It was a dominating performance led by senior Alexis Nichols (19:02).

But Desert Vista still holds some of the top times in the state in Division I with junior Baylee Jones (17:41) coming in right behind Carter (17:26.5). Carter's teammate, Miller, has the third best time in the state (17:59.1).

Desert Vista juniors Emily Crall (17:59.7) and Amanda Davis (17:59.8) hold the next two spots on the best times list for D-I. Chandler freshman Morgan Foster is sixth (18:08.3) and Nichols comes in next (18:08.5).

Sarah Carter captured the Division I, Section II individual title last week (photo courtesy of Xavier Prep).

Not only is Carter surging in D-I in the state of Arizona, her time is the 22nd best in the country. Only Rio Rico standout Allie Schadler holds a better position nationally. Schadler has the 5th best time in the country at 16:47.7.

Carter won the Peaks Invitational, competed at the 35th Annual Woodbridge Cross Country Classic in California and came in third at the 8th Annual Desert Twilight before winning her section title.

The state meet for Division I should come down to Xavier, Desert Vista and Chandler with the individual title going to a runner from one of these programs. There may be a few surprises come race day so keep your program handy.

Saguaro's Tyler Beauchamp Set to Finish High at State

By Andy Morales
azpreps365.com

The Division II state meet was dominated by seniors last year with six of the top eight runners graduating. The two juniors who were able to break through were Tyler Beauchamp of Saguaro and Aldo Marquez of Gila Ridge.

Beauchamp finished in fourth place with a time of 16:12 and Marquez took fifth, coming in one second behind (16:13). Salpointe's Nathan Thomas won the race with a time of 15:53. Thomas is now running for the Air Force Academy.

Deer Valley junior Elijah Cox (16:33) and Gila Ridge sophomore Vincent Reyes (16:36) rounded off the top ten.

Let's take a look at the field of boys who have the best shot at winning the state meet this year beginning with Beauchamp.

Beauchamp recorded the fastest time in Division II this year (15:01.7) and he did it during a second place finish at the 8th Annual Desert Twilight. Daniel Bernal of El Paso took first (15:00.08).

He took first place at the Chandler Invitational, first place at the Fountain Hills Invitational, second place at Mt. Carmel Invitational, second at the Desert twilight, first at the Scottsdale City Meet and he won the Division II, Section III championship with a time of 16:13.

His junior teammate Michael Barney came in second at sectionals with a time of 16:18.

Cox has the second best time in D-II (15:48.8)

and he has a couple of first place finishes. He won the Peaks Invitational and he took first place at the Division II, Section I meet with a time of 16:01.72.

Casa Grande junior Nick Olivarez came up big at the Division II, Section II championship where he recorded a time of 15:50.3 to win the title. His time pushed him up to third best in the state heading into the state meet. It was the best finish of the season for Olivarez.

Catalina Foothills junior Sam Pershing has won two big meets this year including the Ojo Rojo Invitational and the Desert Twilight. He took third at the Section II meet behind Olivarez and his Catalina Foothills running mate, junior Philippe Mortelliti.

Barney has had four second place finishes including the section race to Beauchamp.

Apollo senior Diego Lopez posted his best time (15:55) at the Division II, Section IV meet where he took first place ahead of Marquez (15:58).

Teams from Greenway, Gila Ridge, Flagstaff, Campo Verde and Saguaro appear to have the best shot to win state. It's an open field with Cibola, Salpointe and South Mountain also threatening. The individual field is just as open but the state meet appears to Beauchamp's race.

Beauchamp's time of 15:01.7 is not only the best time in Arizona, it is also the 27th best in the nation.

Other boys with a shot at a top finish in Division II include senior Richard DeLara of Greenway, sophomore Thomas Cain of Cibola, freshman Rylan Stubbs of Campo Verde and sophomore Blake Chambal of Campo Verde.

D-III: Meet the First Family of Arizona Cross Country

By Jose Garcia
azpreps365.com

When Rio Rico High School cross country coach Stephen Schadler sends a text message saying he and his family are about to run out and do something, he isn't likely referring to chores.

They are actually heading out to do as Schadler said — run. The Schadlers, Stephen, daughters Alexandra and Samantha, and Mrs. Schadler, Terri Ann, are the Frist Family of high school cross country in Arizona.

Schadler and Terri Ann put their best foot forward to get the cross country programs of Rio Rico, the Schadler's home base for the past 20 years, off the ground, and their dedication helped put Rio Rico on the cross country map.

The fruits of their labor produced some exceptional runners, including Alexandra and Samantha. Samantha will have to wait until her sister, a junior, graduates before the first place medals really start rolling in.

But Samantha's high school long distance career is only about 12 weeks old and is already making news. Alexandra of course is No. 1, but you won't find a sibling rivalry here.

Samantha and Alexandra are allies and best friends, and both of them list a team state title this week at Cave Creek Golf Course as their top goal. Individual success can come second.

"We don't compete with each other," Alexandra said. "We push each other."

Alexandra and Samantha finished 1-2 in the Division III, Section III championship meet, respectively.

Alexandra's time of 16:47.70 at the section meet in Marana was the nation's fifth fastest mark recorded so far.

Samantha's 17:44.00 at the Desert Twilight is the fourth fastest time in the state, regardless of division. Thanks to milesplit.com, Alexandra is quite aware of where she ranks nationally, but that might not be a good thing.

"We don't want to get addictive to that (milesplit.com)," Schadler said. "It only takes one person to beat you on any given day. We talk about how world class runners don't even go undefeated."

Alexandra was humbled — if that's even possible for an athlete that's already very soft-spoken — by her non-top five placing in last year's Chandler Invite, which saw the best mile runners in the nation toe the line.

Since that meet Alexandra now runs knowing that, despite being the two-time defending champ, there's a lot of chasing she still has to do. When it comes to Terri Ann and her husband, Schadler chased his high school sweetheart all the way from New Jersey, where they grew up, to Nogales.

Terri Ann and Schadler competed collegiately, Terri Ann ran at Indiana University and Schadler at Stanford. Terri Ann arrived first at Nogales in 1992 after being hired to student teach.

Schadler arrived a couple of years later. The Schadlers eventually started laying roots, earned full-time teaching jobs and began cutting their cross country coaching teeth.

A former competitive runner, Schadler helped open Rio Rico's cross country and track programs in 1995 with aspirations of building a winner with his signature all over the program. Terri Ann teaches at an elementary but as the coach of one of Rio Rico's feeder schools, she plays an instrumental role in preparing the runners that Schadler receives.

The partnership has helped Rio Rico win two boys and one girls state cross country title as well as three track titles under Schadler.

Last year, Schadler saw one of his prized pupils, Carlos Villareal, graduate as arguably the best high school distance runner from Arizona. Schadler helped convert Villareal into an elite runner in less than three years.

"I try to always focus my energy to pull the best out of each individual," Schadler said. "The second thing is if I can convince them to explore their potential, then I did my job."

He takes the same approach with his daughters.

But there are times when Schadler and Terri Ann have to hold their daughters back. Samantha and Alexandra are very competitive and will push themselves, sometimes too much.

That's where mom and dad step in.

"They will push themselves so hard," Terri Ann said. "I am that little reminder and bring an outside point of view that tells them to scale it back some."

Mom and dad might dictate the practice pace, but at home Terri Ann and Schadler allow their girls to dictate how much they want to talk about running.

"Part of the challenge is not to talk about it all the time since we are around each other a lot," Schadler said. "I just try to pay attention and spend a lot of my time listening."

Balancing the parent/coach roles is difficult, but the Schadlers seem to be doing a good job of balancing both hats.

Their daughters appreciate that they get the best from both worlds.

"I think it really helps a lot having parents who used to run competitively and are coaches," Samantha said. "It helps a lot when you have a lot on your mind. They are always there when I want to talk about things."

The state cross country meet is on Saturday Nov. 7, when the Schadlers are hoping to do a lot of cheering and celebrating.

It'll be a lot more quieter on Sunday, when they'll be back to work and all they'll hear is their running strides.

Unusual Slow Start Hasn't Stopped the Favorite, Hopi

Hopi's boys cross country team didn't place first in three regular season meets this year.

Did it finally leave an opening for another team to step in and snap Hopi's 25-year team state championship streak?

Nope.

The Bruins recently erased any doubt about who the favorite is heading into Saturday's Nov. 7 Division IV state cross country meet at Cave Creek Golf Course. Hopi won its Section I meet by 40 points, defeating some of the teams that were being considered as potential suiters to take over the D-IV crown.

"We are ready to rock and roll," Hopi coach Rick Baker said about the state meet.

Hopi had four of its runners finish in the top-14 during the section race in Holbrook, helping them defeat second place Many Farms, Pinon and Monument Valley.

Hopi won the section meet despite not having its regular season No. 5 runner participate for disciplinary reasons. Hopi obviously got off to a slow start this season, as it's No. 3 runner, who finished 10th at state last year, didn't come out to run this year.

"The last two years we've gotten off to slow starts, but this year was different," Baker said. "It really took a while to get going."

It wasn't until Hopi took second at the Holbrook Invite two weeks ago that Baker and his boys really started to hit their stride.

It also took Hopi's No. 1 runner, Diome Talaswaima, a while to get on track. But despite being a sophomore and slow start, Talaswaima is ready to lead his pack.

Talaswaima finished second (16:32) at last year's D-IV state race. This year, he posted his best time (16:23) at the Desert Twilight meet.

Andrew Lucas continues to be Hopi's No. 2 and looking to improve on last year's sixth place finish at state. The No. 3 spot is now occupied by a new runner, Dario Fredricks, a senior who started running this year.

Fredricks was playing for the school's chess team during his first three years of high school, but decided to see if you could help his cross country teammates check opponents this year. The top-6 spots for Hopi are booked, including No. 6 Qoyatayo Honie.

The team will determine who will be its No. 7 runner for the state meet during a run-off on Monday Nov. 2. Pinon, which finished second at state last year, also failed to impress at the beginning of the season.

But it did place higher than Hopi in three meets this year and was considered one of the favorites to snap Hopi's national record streak. Adriano Joe was the biggest reason for Pinon's high hopes.

Joe, the defending D-IV state individual state champ, is a fierce competitor, but shin splints took away some of Joe's bite on the course this year. Pinon was also hampered by the loss of one of its top runners, who attended the funeral services of a relative.

But like Hopi, Joe has turned it on as of late. The junior won the Holbrook Invite, which is a Division III meet.

Joe came in 14th place at the Desert Twilight, four spots higher than last year's Desert Twilight performance. But Joe will need a lot of help from his teammates if Pinon wants to place higher than second, which it has the past two seasons, at state.

"As a coach, I am hopeful," Pinon coach Leroy Begay said.
