WHATABURGER. PROUDLY SUPPORTS THE SOLLENBERGER CLASSIC

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

DAVID HINES
AIA Executive Director

**State
Champion**

By Andy Morales
azpreps365.com

The top-seeded boys of Queen Creek took part in the Cactus Cup Tournament and the Chandler Invite this year but, as well know, matches won, lost or tied during invitational play have no bearing on postseason play and that's what we are here for and that's what the Bulldogs have been aiming for.

The Bulldogs finished with a perfect 4-0 record in the San Tan Region and a 12-0 record in conference play. Only the state tournament remains.

"The top reason our soccer team has been very successful this season is due to the players bonding together as a family and developing a chemistry that has allowed them to trust and depend on each other on and off the field," explained longtime head coach Mauricio Ramirez.

"Being together four years in a row has united them even more. Seven out of the sixteen seniors have the opportunity to experience our soccer team winning state in 2015. This gave them a glance and feel of how great it was to be part of a state championship team."

That 2015 squad went 16-3-2 and outscored opponents 12-0 in the Division II state playoffs. It was a dominating performance and the team is loaded once more.

Senior striker and team captain Kohlton Farrell has 12 goals and six assists on the year and he is a lefty and a strong finisher, according to Ramirez. Fellow senior Alek Herrera has six goals and 11 assists from the center-mid position and Ramirez feels Herrera has great awareness of the center field because he creates and pushes the ball up the field to the strikers.

Erick Herrera is Alek's twin brother and he controls the center back position. Ramirez feels Erick has a great ability to anticipate and break the opponent's offense down.

"These three players are the heart and soul of the team," Ramirez added.

Ramirez played soccer at Queen Creek when he was in high school and he has been with the program since 2000, making the playoffs 15 times with four semifinal appearances and the state championship.

Queen Creek will host No. 16 Ironwood Ridge (7-5-1) in the first round.

No. 14 North Canyon (8-5) won the 5A state championship last year and No. 6 Campo Verde (9-2-1) was the state runner-up. The two squads could face each other in the quarterfinal round scheduled for Feb. 3.

No. 2 Independence (10-1-1) made it to the semifinal round last year and the Patriots on the 5A Union Region.

"We returned 13 players from last year's roster, including seven starters," said head coach Sergio Gomez. "This

group has bought a culture and belief into our family that we can compete for a title. No superstars on the team, collective team effort. Having finished in the final four the last two years, the guys are eager to make another playoff run, with making the third time a charm!"

Independence will face No. 15 Arcadia (7-5-1) in first round action.

No. 3 Paradise Valley (10-2) made it to the first round last year but the Trojans are on a roll, winning 10 of their last 11 games. The Trojans will go up against North Canyon in the first round.

No. 4 Cienega (9-2-1) finished last season ranked No. 24 and did not qualify for the playoffs. The Bobcats will host No. 13 Flowing Wells (9-3-1) in the first round. The Caballeros finished with a No. 15 ranking last year but were bumped out of the playoffs by a lower seed due to the automatic berth awarded to region champions.

"The team has had a successful season because the high school has a true meaning of team spirit," explained first-year head coach Edgar Venalonso. "We would not have gotten this far without the consistent support of the athletic department, the administrative staff and the coaching team. However, the greatest reason for the success of our school this year is due to the commitment and dedication of the student athletes on our team

The Chaparral girls were absolutely thrilled when they won the 2017 title. Can anyone beat Notre Dame in 2018? (photo by Jim Willittes of maxpreps.com)

azpreps365.com

Top seeded Notre Dame Prep won back-to-back state championships in the old Division II state playoffs in 2015 and 2016 but eventual 5A state runner-up Arcadia outlasted the Saints in the semifinal round in PKs last year to deny the squad a chance for three championships in a row. At 16-2-1 overall and 12-0 in games that count, it looks like the Saints are destined for another shot at the top.

Senior standout Lindsay Shipley is leading the charge once again and she is joined by fellow seniors Abby Furtmann, Amelie Young, Anna White and Maddie Stolper. This group of seniors have outscored opponents 40-3 in their last ten games alone. One of those victories was a 1-0 decision over defending 5A state champion Chaparral. The Firebirds (10-2) are seeded No. 3 this year which means there can only be a rematch if the two squads make it to the final game.

"We have two seniors this year after graduating eight last year," said Chaparral head coach Robyn Carlson. "We have a great mix of experienced returning veteran players with some new players who have really come together to play for each other. They work hard and have good chemistry on and off the field."

The Firebirds sport a great group of seniors also.

"The leadership from senior defender Gina Leete and senior forward Chrissy Dunham has helped our season be successful thus far. Gina is a top defender who will be attending Seattle University to play soccer in the fall and Chrissy's positive attitude mixed with Gina's determination has pushed these girls to do their best. We have had scoring from many different players because the girls play as a team rather than individuals," he added.

Notre Dame will face No. 16 Shadow Ridge (8-5) in the first round and Chaparral will host No. 14 Mountain View Marana (5-7-1).

No. 2 Ironwood Ridge (9-2-1) controls the bottom half of the bracket and the Nighthawks fell to Chaparral in PKs in the semifinal round last year.

"We lost five key players off of our 2016-2017 5A state semifinalist team, including our entire midfield and top two goal scorers," head coach Sean Watkins said. "It's been quite a process retooling our lineup and adjusting our style of play to meet the abilities of our current roster. Now, our players and coaching staff have a belief in our system and are peaking at the perfect time."

According to Watkins, senior defender and captain Emma McCormick, senior midfielder and captain Genny Jilka, senior keeper Quinci Black and junior forward and captain Bella Santavicca lead his team. Santavicca has 14 goals and 10 assists.

"Santavicca is an absolute blast to watch play and is definitely a must see! I'm not a fan of comparing young players to professional athletes, but she moves and affects the game similar to Messi both in skill and stature," Watkins added.

Watkins is in his 11th year with Ironwood Ridge with a record of 183-57-20. He has led the Nighthawks to the state tournament 10 times with two semifinal appearances (2016 and 2017) and a state runner-up finish in 2011.

Ironwood Ridge will host No. 15 Willow Canyon (8-5) in the first round.

No. 4 Arcadia (9-3) is going up against No. 13 Verrado (8-5) in the first round. Arcadia head coach Adam Zweiback offered three reasons for the success of his team this year in relation to the runner-up finish last season:

"A whole bunch of girls stepping up to replace the eight players we lost from last year's state finalist team; Fantastic support from Arcadia's families, administrators and training staff and implementing our "One Program, Two Teams" philosophy: JV players are the V players of the future!"

Arcadia will face No. 13 Verrado (8-5) in the first round.

#16 Tolleson (15-3) at #1 Brophy Prep (18-0-2): A rematch of last year's semifinal that saw Tolleson upend Brophy and go on to claim runner-up honors to Gilbert in the final. Brophy is one of two teams in the tourney without a loss and is highly-ranked nationally. Tolleson does not have a win against any school that qualified for state (loss to Pinnacle and tie with Trevor Browne). Recent history, however, has shown the Wolverines to be a tough out at state with more wins than losses in postseason over the last five years. Freshman Angel Ramirez (10 goals) and sophomore Kelvin Guerrero (9 goals) are the top scorers. Brophy's strong senior class (14 on the roster) has not claimed a state title. Those Broncos are digging deeper to make that happen in their final opportunity. Brophy won the Arizona Showcase and North Texas Elite Showcase at midseason. Brophy is led by seniors Carter Clemmensen, Samuel Fletcher, Tobin Shanks, and Connor McCabe and is anchored in the back by junior stand outs Deric Hall and Corbin Bernal.

#9 Highland (9-5-2) at #8 Sandra Day O'Connor (10-3-2): Highland won its play-in game knocking off defending state champion Gilbert, its top rival. The Hawks finished third in the Central Region behind Desert Vista and Corona del Sol, but didn't come close to beating either one in region play. Highland scored only two goals in its five losses and two ties. Sophomore Alex Kessler led Highland offensively with nine goals. SDO shared the Desert Valley Region title with Pinnacle and Desert Mountain. Like Highland, the Eagles aren't a high-powered offensive team. They surrendered just 15 goals in 15 games. SDO's last run at title came in 2015 when it lost to in the final to Chandler. Senior Will Harris leads the team with seven goals.

#12 Trevor Browne (15-5-2) at #5 Pinnacle (14-5-1): Trevor Browne reached state with a 2-1 play-in game win over Perry. The Bruins own and invitational tourney win over Pinnacle (3-1) from December and managed to play reasonably well in losses to Brophy and high-ranked 5A Independence. Trevor Browne scored a regular-season win over Hamilton in mid-December, one of its best wins of the season. They are led by senior forward Ervey Diaz (21 goals) -- two in each of the wins over Pinnacle and Hamilton. Pinnacle is led by on the attack by midfielders Shawn Grimes and Ethan Fierro and forward Dylan Stevenson. They've combined for 28 goals. Senior keeper Joaquin Rodriguez and defenders Quinn Zimmerman and Josh Heywood are the top players in the back third. Pinnacle has allowed only 23 goals. The Pioneers played top-seed Brophy tough in losing 2-1 in a power-ranking match in overtime in early December.

#13 Corona del Sol (8-8-2) at #4 Rincon/University (13-3-2): Rincon/University is hoping to get some recognition with its play at state -- a program that has made the playoffs 29 times in 32 attempts. With those appearances come three state titles and three runner-up finishes in an array of conferences/divisions. The Rangers have not played any team outside of Tucson with the exception of Kofa. They are led offensively by one of the top scorers in 6A in Zak Mohamed (21 goals and 14 assists). Sam Lossou (12 goals, 8 assists and good defender if needed) offers great versatility. Sam Walsh is the leader at midfield and the defensive stalwart is Jorge Alvarez. Corona del Sol had its highly-touted team from a year ago knocked out in the quarterfinals, the second year in a row the quarters were the end of the line. The Aztecs have gradually improved as the season has progressed. They lost the region title to Desert Vista (2-1) on the final day of the regular season. They locked up a spot at state with a play-in triumph over Copper Canyon (3-1).

#14 Mesa (11-5-3) at #3 Chandler (17-0-5): Mesa waited until the final week of the regular season to wrap up its region title and followed the next day by tying undefeated Chandler in its season finale. The Jackrabbits had to notch a play-in win and did so against Tucson to give themselves

another shot at Chandler. Mesa is led by the senior triumvirate of Moises Durazo (13 goals), Danny Lopez (10 goals) and Jesus Valenzuela (9 goals). Chandler walked away with a the 6A title in 2015 and the last three years coach Sasha Hunter has been building toward a title run with a solid group of seniors. Jesus Garcia leads Chandler with 20 goals and 9 assists. The Wolves back line of seniors Ricardo Grijalva, Marcos Hernandez, Briant Sanchez and junior Edwin Hernandez have been outstanding (15 goals allowed in 22 matches). The Wolves are the only Arizona team to play Brophy to a draw this season.

#11 Desert Mountain (13-5-3) at #6 Sunnyside (17-3-1): Desert Mountain had no trouble punching its ticket to the state tournament taking the measure of Westview, 5-0, in its play-in game. The 13 wins are a school record for a season. Defense is the Wolves' strength led by keeper and co-captain Brock Jones (10 goals allowed in 16 games) and defender and co-captain Cole Welp, who has handed out 11 assists. Sunnyside avoided a play-in game this year and brings a defense-oriented squad to the tournament. The Blue Devils lost a play-in game to Chandler last year. Center-mid/forward Manuel Quiroz is the offensive leader with 18 goals and 8 assists and the team's best finisher. Edson Vasquez is right behind with 8 goals and 13 assists. Center-back and leader of the defense is Stephen Gonzales.

#10 San Luis (10-3-1) at #7 North (15-2-1): San Luis failed to win its region, but took care of business in beating Maryvale, 3-0, in a play-in game. They were the only Yuma

school in 6A to reach the tournament as Cibola and Kofa fell in the play-in round. The Sidewinders are led by Samuel Apodaca (14 goals) and Erik Vera (9 goals, 7 assists). they have never had a losing season and been a state runner-up twice in their history. The last time was in 2015 in a D-II-title loss to Queen Creek. North won the Metro Region with a perfect 5-0 mark. The Mustangs are 11-0-1 in their last 12 games, including wins over Trevor Browne and Corona del Sol. North hasn't won a state tournament game since 2009.

#15 Hamilton (7-7-4) at #2 Desert Vista (13-4-2): Hamilton is not used to being a low seed, but the Huskies are in and can be dangerous. Previously they've never been lower than No. 9 since seeding began in 2006. Hamilton took to the road to Cibola to qualify and returned with a 4-1 play-in win over the Raiders. Hamilton is making its 11th consecutive state tournament appearance. Hamilton finished runner-up to Brophy Prep in the Arizona Showcase Classic in late December, the highlight of its season to date. Desert Vista has been one of the steadier teams this season and finished a perfect 5-0 to win the Central Region. The last two years it has been the No. 16 seed. The Thunder advanced to the semis in 2015 and lost in the first round last year in OT to Brophy. Desert Vista beat Hamilton, 3-1, a couple days after the Huskies runner-up finish at the AZ Showcase. Desert Vista's losses are to Brophy (two), Campo Verde and Cathedral, CA. Its ties are against Chandler and it has five victories against 6A state tourney participants.

#16 Mountain Pointe (11-8-3) at #1 Xavier Prep (11-3-2): Xavier, with nine state titles to its credit, captured the top seed after a frantic shuffling in the power rankings the final three weeks for the top spot with Perry and Basha. The Gators are the defending champions and have a playoff-experienced lineup. Junior Kyla Ferry leads the team in scoring with 17 goals, 11 assists, including seven-game winning goals and Abby Hubbard is also in double figures with 11 goals, 5 assists. Senior Kinsey Ehmann has been solid in goal the past four seasons and defender Nicole Hook is a valuable, all-around player. Mountain Pointe (#23 seed) turned in the upset of the play-in round topping No. 10 Desert Mountain, 2-0. The Pride are led by senior Kristin Carr (20 goals).

#9 Highland (14-6-1) at #8 Rincon-University (9-4-1): Highland had an easy time advancing in its play-in game with a 8-0 win over Maryvale. The Hawks have played top-five teams tough for the most part, but have not come away with a win. They are led by Averi Norman (12 goals), America Sanchez (9 goals) and Maddie Montgomery (8 goals). Rincon did not play any opponent outside of southern Arizona and its four losses are to 5A and 4A schools from Tucson. They won the Southern Region title beating Kofa, the #12 seed.

#12 Kofa (9-7) at #5 Hamilton (12-5-3): Kofa was pushed to PKs in its play-in game with Sandra Day O'Connor and prevailed, 2-1 (5-4). The Kings are led by senior Michelle Fuentes (28 goals). No surprise, Fuentes scored Kofa's only goal in the win over SDO. Kofa suffered losses to Pinnacle, Xavier and Highland during the regular season -- all top-10 seeds in the tournament. Hamilton's calling card is defense. Hamilton took down Perry, 1-0, in its final regular-

season game and held its own in a tough region. The Huskies scored the win over Perry, two scoreless ties with Chandler and Basha, and 1-0 losses to Xavier and No.1 5A seed Notre Dame Prep. They are led by team co-captain and center-back Jordyn Schulte; co-captain midfielder Alegra Aguayo; captain and defender Chloe Rapiet; left back Olivia Knab (9 goals, 6 assists) and forward Callie Darst (9 goals, 4 assists).

#13 Gilbert (11-10) at #4 Desert Vista (14-3-3): Gilbert brings the momentum of a 4-3 overtime win in its play-in game over Red Mountain to the opening round. The Tigers scored the last four goals to win. They face Desert Vista, a Central Region opponent, that defeated them 3-1 earlier this month. Gilbert's attack is led by Ellie Neal, who had two goals in the win over Red Mountain. Desert Vista, which has reached the finals four of the last five years and is 1-3, relies as always on its trademark defense. Its three ties were against Xavier Prep, Hamilton and Millennium. Its losses are to Perry and Campo Verde.

#14 Mesa Mtn. View (11-6-2) at #3 Pinnacle (13-2-2): Mountain View is the only team from the East Valley Region to reach the state tournament field and did so with a 2-1 OT win over Cibola in its play-in game. Ashley Clark scored both goals in that game to help the Toros advance. Pinnacle has been a bit under the radar with the caliber play that's come out of the Premier Region this year. The Pioneers are every bit as formidable as their record suggests. They have a loss and two ties to Premier Region teams (Perry loss, Hamilton and Xavier ties). Pinnacle last won a title in 2014. Pinnacle is led by junior Cassie Wiens (22 goals, 7 assists) and Amelia Junge (13 goals, 4 assists).

#11 Boulder Creek (11-5-1) at #6 Basha (16-4-1): Boulder Creek escaped the play-in round with a 1-0 win over North thanks to a goal from freshman Aubrie Labno. Boulder Creek

dropped a 5-3 decision to Basha back in early December. Basha lost its final two regular-season games in the Preimere Region -- 2-1 and 3-1 to Chandler and Xavier, respectively. That was on the heels of handing Perry its first loss of the season. Basha is led by sophomore Margie Detrizio, who has 23 goals this season. Detrizio victimized Boudler Creek for four goals in their December clash.

#10 Millennium (17-1-3) at #7 Chandler (8-6-1): Millennium entered state play last year as the #3 seed only to be sent packing and blanked in the opening round by -- Chandler. The Tigers get a chance to redeem themselves and go deeper bringing in another stellar record. Their only loss this year is to Pinnacle, 6-0. Millennium has dominated opponents, especially those in its region. Five Tigers players have scored 10 goals or more -- Anacel Valenzuela-Acosta, Naomi Aguilar, Kiana Miyazato, Megan Kirker and Dakota Cameron. Chandler finished strong with a win over Basha and played better down the stretch and brings confidence to the tournament. The Wolves were a surprising final four entry in 2015 as a No. 15 seed.

#15 Corona del Sol (8-11-1) at #2 Perry (19-2): Corona advanced to the semifinals last year, but in a rebuilding mode this year had to scramble to reach the play-in game at #21. The Aztecs responded knocking off #12 Tucson on the road in PKs. Corona's stat leaders are Amber Sammon (8 goals), Skylar Byrnes (6 goals, 9 assists) and Abby Robertson (6 goals, 2 assists). Near the bottom of the qualifiers one often draws a juggernaut in the opening round and that's what Corona is up against.. Perry has not started the same lineup all season due to a myriad of injuries that cost players anywhere from a couple matches here or there to the season-ending variety. The Pumas are led by center-back Emma Richey, midfielder Logan VanDine (5 goals, 14 assists) and forwards Remmi Deutsch (14 goals, 18 assists) and Amanda Dahl (6 goals, 4 assists). Forward Brenna Alderson was lost two weeks ago to a torn ACL. She had contributed 20 goals and 15 assists.
