WHATABURGER. PROUDLY SUPPORTS THE SOLLENBERGER CLASSIC

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

DAVID HINES
AIA Executive Director

azpreps365.com

The 5A semifinal round is upon us so let's take a look at the matchups for the boy's and the girl's starting with the top-seeded Deer Valley (26-2) Skyhawks on the top side of the boy's bracket.

The Skyhawks had one setback to a team from Arizona this year and that was a 54-30 loss at home to No. 2 Sunnyslope way back on Dec. 18., three weeks after beating the Vikings 55-52 in the championship game of the Sunnyslope Hoopsgiving Tournament. The Skyhawks were limited to ten points in the first half of that loss and, if both teams can get past their respective semifinal opponents, we might have a rubber-match in the state final.

Deer Valley will take on No. 12 Paradise Valley (22-6) in one semifinal game and Sunnyslope will face No. 11 Centennial (17-13) in the bottom half.

"I have four seniors and three of them started as freshmen and the other senior started as a sophomore, so we have a lot of experience at all the positions," explained Deer Valley head coach Jed Dunn.

The Skyhawk offense has revolved around 6-foot-6 forward Bryce Davis with Ari Danzy, Bruckner and Keyvaughn Williams handling the ball on the outside. Davis has scored over 1,500 career points for the Skyhawks.

Deer Valley made the playoffs six of the ten years Dunn has been in charge, but the Skyhawks were stunned by a 65-61 loss to Maricopa in the 5A Play-In Tournament last year while Sunnyslope went on to win the championship over Apollo, 58-57 in double overtime.

That lesson should be on the minds of the Skyhawks against Paradise Valley. The Trojans are on a four-game win streak that includes taking out No. 5 Cienega 54-46 in the first round and No. 4 Williams Field 84-67 in the quarterfinal round. One could say the Trojans are the Cinderella team of the 5A bracket but then there's Centennial.

The Coyotes have won three in a row to set up an improbable match with Deer Valley including a 57-52 win over No. 6 Cholla and a 69-66 win over No. 14 Fairfax in the quarterfinals. Fairfax eliminated No. 2 Buena in big fashion, 83-63, in the opening round.

Ray Portela is in his eighth year with the Vikings and he is trying to reach his third championship game in a row. Mesa beat Sunnyslope 51-48 in the 2016 Division I championship in 2016 and the Vikings won in all last year as we mentioned.

Portela calls guard Jaran Whitfield the "spark-plug" of his team and he lists post players Kyle Fischer and Chris Orozco as two of his top players along with guards Allan Abayev and Bryson McWhinney.

When asked why his team has been so special this year Portela simply said, "We have done a good job."

On the girl's side, things have almost played out according to seed with No. 1 Chaparral (25-5), No. 2 Mesquite (26-3) and No. 3 Sahuaro (26-2) making the semifinal round with No. 5 Arcadia (26-3) filling in the final spot.

Arcadia beat No. 4 Centennial 66-32 in the quarterfinal round to crash the party. The Titans will be rewarded with a match against Chaparral. The Titans feature University of Arizona commit Bryce Nixon (18.9 points a game). Nixon joined the 2,000 career-point club this year and she poured in 26 points to help beat Centennial.

Brian Porth is in his seventh year at Chaparral and he guided the Firebirds to the semifinals last year where eventual state champions Mesquite came out on top 72-49.

"We try to play aggressively offensively and defensively to control the pace of the game and create as many good opportunities for our teammates as possible," Porth said. "The girls take pride in sharing the ball and trying to find great shots for someone else. They play through adversity while incorporating two new underclassmen starters (Anna Ostlie and Jess Finney) after losing five seniors from last year's semifinals team."

Cal Poly commit Maddie Vick leads the team with 16 points a game and Sacramento State commit Summer Menke is scoring 15 points a game for Chaparral. The Firebirds have beaten Arcadia twice this year but the victory over the Titans on Feb. 6 was slim at 54-53.

Mesquite took the 5A state championship last year, one year after finishing runner-up to Hamilton in the Division I title game in 2016.

The Wildcats are led by Santa Cara commit Lindsey VanAllen and BYU commit Shaylee Gonzales. The two standouts have broken into the exclusive 2,000-point club with Shaylee joining the uber-exclusive list of top ten scorers in the history of Arizona with over 2,300 career points.

Shaylee's mother, and Mesquite head coach, Candice Gonzales led Gilbert to back-to-back state championships in 1991 and 1992 under the direction of legendary head coach Miner Webster.

The Titans need to get past Sahuaro and freshman Alyssa Brown first.

"We have terrific team chemistry and a nice group of seniors and underclassman that contribute," Cougar head coach Steve Botkin said. "Our leading scorer is a freshman post player (Alyssa Brown) and our starting point guard is a senior who has started for four years (Carina Mendoza). I feel like our strength of schedule has been one of the strongest in the state and has forced us to play tough teams night in and night out, which should help us going forward."

Brown scored 30 points and pulled down 15 rebounds to help Sahuaro get past No. 11 Cienega 63-58 in the quarterfinal round. The Cougars have been to the state playoffs 31 years in a row with two state championships.

There were some upsets in play-in games and the first round of the 6A boys and girls state basketball tournaments, but that wasn't the case in the quarterfinal rounds last weekend.

In the boys quarterfinals, #1 Brophy Prep had a tougher time than the other three, but subdued Perry, 47-38. #2 Pinnacle, #3 Desert Vista and #5 Mountain Pointe took care of Gilbert, Red Mountain and Chandler, respectively, with little fanfare and double-digit margins ranging from 13 to 32 points.

Two of the girls quarters carried some drama. #3 Gilbert out-free-threwed Hamilton down the stretch for a four-point victory and #2 Valley Vista was eight points better than Pinnacle. Top-seed Millennium trounced Tucson High and #5 Xavier Prep dominated Mountain Pointe.

A little title-game history about the final fours and a glance at each of the matchups for Wednesday Feb. 21 at Wells Fargo Arena:

BOYS SEMIFINALISTS CHAMPIONSHIP HISTORY -- Three of the four schools in the boys semifinals have never hung a hoops championship banner -- Brophy, Pinnacle and Mountain Pointe. Brophy has finished runner-up three times (1986, 2001 and 2011). Pinnacle has appeared in a final twice in 2013 and 2014. The Pioneers lost to Corona del Sol in tight games each time. Mountain Pointe has never played in a title game. Desert Vista has won one title (2008) and finished runner-up three times (2003, 2004 and 2015).

6A SEMIS MATCHUPS: #5 Mountain Pointe (25-3) vs. #1 Brophy Prep (26-1): The Pride and Broncos met back on Nov. 28 and Brophy pulled out one of its many narrow triumphs, 62-61. Brophy has won nine games by five points or less and three of them in overtime. Both teams were still evaluating back in November so there have been changes and tweaks here or there. Mountain Pointe has outstanding guard play among junior Khalid Price, senior Amarion Cash and senior Ryan Pate. All three are fine perimeter shooters with Price and Pate hitting a tick under 50 percent from behind the arc. Inside its junior Jalen Graham (11 points per game, and 9 rebounds per game) and sophomore DeAndre Henry (7 ppg and 7 rpg). Mountain Pointe is deep and not afraid to substitute freely in coach Duane Eason's up-tempo style. The Pride average 67 points a game. Brophy has evolved quickly this season into a team that thrives on defense, much to the delight of coach Matt Hooten. The Broncos have allowed 48 points per game (38 in two playoff games). Only a handful of teams have reached the 60s. They don't doesn't have the size of Graham or bulk of Henry, but plenty of reach from the long limbs of Jaxson Baker, Ian Burke and Basil Ribakare. Burke and Baker can be streaky from the perimeter. Marques White, Colin Besch, Ben Paul and Xavier Juniel supply tough, physical defense.

#3 Desert Vista (25-4) vs. #2 Pinnacle (21-7): These are the highest-scoring teams among the semifinalists. Pinnacle averages 70 points a game and Desert Vista 69. Pinnacle was pretty much the consensus preseason pick as the top team and favorite to win state. The Pioneers started slowly with injuries to sophomore Nico Mannion and senior Trent Baker, but has been full strength since early January. Since the 2018 portion of the schedule began, Pinnacle is 11-1 and has won 13 of its last 14. Mannion averages 23 points a game and six assists and three teammates also average in double figures -- Spencer Rattler (13), Jordan Mains (12) and Mason Johnson (11). The Pioneers have all the ingredients to win the title and would love to be the first boys squad in school history to win a title. They've suffered gut-wrenching defeats in the finals twice. Desert Vista is led by junior newcomer Tyrek Chambers, a move-in from New York and the 6A Central Region player of the year. The Thunder already had ability in hand before Chambers' arrival with senior forward Wesley Harris, senior post Christian Anigwe and senior guard Alijah Gammage. Their size inside can be intimidating and four starters are averaging in double figures in the playoffs. For the season top scorer is Chambers (17.0), followed by Harris (16.9) and Anigwe (10.7).

GIRLS SEMIFINALISTS CHAMPIONSHIP HISTORY -- Two of the final four have won championships with Gilbert High, the oldest school of the four, owning the most (four). The Tigers won in 1984, 1986, 1991 and 1992. They were runner-up in 1979. Valley Vista, open just a decade, won its first title last year and was runner-up in 2016 to Hamilton. Millennium and Xavier Prep have not won a championship. Millennium was runner-up in 2015 to Dobson and last year to Valley Vista. Xavier Prep has played in two finals -- 1977 and 1986.

6A SEMIS MATCHUPS: #1 Millennium (24-6) vs. #5 Xavier Prep (25-5): Millennium returned plenty of experienced players from last year's finals loss to Valley Vista and it's been evident. The Tigers have only on loss of their six to an Arizona school (Valley Vista). Coach Cory Rojeck is completing his ninth season and the team has made postseason eight years in a row - seven with 20-win seasons. Junior Dominique Phillips is averaging 17 points and 8 rebounds a game with scoring ability inside and outside. Sophomore post Ali Zelaya missed half the season, but has produced 12 ppg and 7 rpg in her return. Versatile from her position. Another post who excels on defense is junior Alaina Diggs, she checks in averaging 8 ppg and 10 rpg. Sophomore point guard Jasmine Singleton is a shutdown defender night in and night out. Senior shooting guard Tyonna Singleton chips in with 9 ppg. Xavier showed promise last year as the No. 7 seed, but was knocked out in the first round at state. Coach Jennifer Gillom has returned for a second stint as head mentor and has the Gator faithful revved up with this title run. Gillom has instilled a team concept the players have bought into and its paid dividends. They are led by junior point guard Leilani McIntosh, who averaged 11 ppg, 5 assists and six steals. McIntosh is the consummate point guard. Senior power forward Montana Oltrogge has the ability to spread the floor and is a strong rebounder and post defender. She leads Xavier in scoring -- 18 ppg, 6 rpg. Senior center Kate Hassett good offensively inside and a shot blocker. She averaged 10 ppg and 5 rpg. Oltrogge and Hassett were bothered by injuries late in the season with Oltrogge missing a handful of games. Both made their presence felt on the floor in the semifinals.

#3 Gilbert (26-3) vs. #2 Valley Vista (23-6): Gilbert made a name for itself in December winning the second-tier bracket of the Nike Tournament of Champions. The Tigers have equaled last year's finish with a second consecutive semifinal appearance and third playoff campaign in succession after a lengthy drought. The catalysts are 5-foot-6 junior twin sisters Haley and Hanna Cavinder, who average 23 ppg and 22 ppg, respectively. Both sisters have eclipsed the 1,500-point mark in their careers so far. Haley also fills the stat sheet with 9 rpg and 7 apg and Hanna checks in with 6 apg. New Mexico transfer Brynn Wade has been a welcome addition in the post averaging almost 10 ppg and 12 rpg. She has blocked 100 shots this season. Senior Stacy Hock is in her fourth varsity season and averages 7 ppg. Gilbert lost in November to Valley Vista (61-42) and to defending 5A champion Mesquite. Gilbert has a 71-17 record in three seasons under coach Kyle Pederson. Valley Vista lost more players to graduation than any of the other semifinalists, but coach Rachel Matakas has watched her team stay in the thick of the chase for a repeat. Three key players return led by four-year starting guard Taylor Chavez, who is headed to Oregon State in the fall. She can play each guard spot and can score from anywhere. Chavez is averaging 24 ppg, 5 apg and 6 spg. Matakas believes she has the top defensive guard in the state in Rysha Banner. She is quick, athletic and can pop the net from 3-point land. Banner averaged 14 ppg. Senior wing Clarissa Rodarte is strong and physical and a good mid-range jump shooter. Valley Vista is averaging 20 wins a season. Matakas opened the program in 2008 and is concluding her 11th season. Valley Vista's only losses to Arizona teams this year are to defending 4A champ Seton Catholic, 5A Mesquite and Millennium.
