WHATABURGER. PROUDLY SUPPORTS THE SOLLENBERGER CLASSIC

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

## Desert Vista Boys Seek 4-Peat; DV Girls a Repeat

**By Les Willsey**  
**azpreps365.com**

Desert Vista's girls cross country team was dominant in winning last year's Division I state meet. The Thunder boys had a much tighter day notching their title.

Those roles may be reversed this year with the boys a heavy favorite and the girls in for a battle on Saturday Nov. 4 at Cave Creek Golf Course. Cave Creek Golf Course is the sight for all four division state meets.

Desert Vista's girls were tough on opponents last year finishing 2-3-4-5-6 (20 points) and outdistancing runner-up Chandler by 85 points. The Thunder graduated three of its five placers, but do return experience in the race. They are led by senior Haley Wolf, who is one of the favorites to take the individual title. Wolf finished second last year to Sandra Day O'Connor's Jesselyn Bries. Bries is expected to miss the meet with an injury. Bries won last year by 27 seconds over Wolf.

Hard to know exactly who will lineup with Wolf for Desert Vista as the Thunder interchange lineups frequently. Wolf won the sectional meet last week, the Thunder was third) at Crossroads Park in Gilbert. Senior Kelly Harris and sophomore Brooklyn Christofis competed at state with Wolf last year. No other seniors other than Wolf have competed at big meets this year for Desert Vista (Desert Twilight and last week's regional). Desert Vista's roster is light on seniors.

The challengers to Desert Vista are Chandler, the 2015 state champs, Xavier Prep and Highland. Chandler will be without its top runner, Morgan Foster, due to an avulsion fracture. Foster has been sidelined for a month. Chandler won its sectional last week and still poses a threat led by juniors Mihajla Milovanovic and Becca Taylor and senior twins Kerri and Kylie Welch.

Xavier swaps out its lineup much like Desert Vista from meet to meet. Xavier captured its regional using one or two of its probable state-meet participants. Four runners who competed at state last year are likely to run again this year -- seniors Caroline

Liddy, Caroline McClelland, Kate Straneva and sophomore Mia Olsen.

Highland was runner-up to Chandler in its sectional. The Hawks are led by sophomore Caroline McCleskey and junior Rachel McCleve. McCleskey and McCleve were top-25 finishers last year at state.

A list of runners to watch in the battle for individual honors and medals, many of whom placed in the top 25 last year: Wolf (2nd); Christofis (5th); McCleskey (7th); Kailey Welch, Mtn View (8th); Olsen (11th); Milovanovic (14th); McClelland (15th); Hannah Leitner, Rincon (16th); Grace Driskill, Rincon (17th); Taylor (18th); Niki Hemmerlin, Red Mountain (20th); Olivia Grieve, Mtn. Pointe (23rd) and McCleve (25th); Taylor Mullenhour, Mtn Ridge (32nd) and sectional champ this year.

Desert Vista's boys are currently ranked No. 12 in the nation by DyeStats. They are heavy favorites to claim a fourth successive crown and fifth in the last six years. It's likely at least five of the seven runners who competed at state last year for the Thunder will be compete again -- seniors Reece Donihi, Habtamu Cheney, D'Angelo Piasecki, Aksel Laudon and Nick Thatcher. Desert Vista won its sectional with 52 points with only Thatcher in its lineup. Highland was runner-up to Desert Vista in the sectional.

Cheney finished fourth last year, Donihi 11th, Thatcher 16th, Laudon 20th and Piasecki 38th. Cheney, Donihi, Laudon and Thatcher scored last year helping the Thunder tally 57 points. That was enough to top runner-up Brophy Prep (70). Brophy returns at least four of its runners from state. Brophy and Cibola were the other D-I sectional champs.

A list of runners to watch among the boys in the medals race, again many of whom placed in the top 25 last year: Caden Hercules, Desert Mountain (6th); Thomas Cain, Cibola (7th); David Nelson, Hamilton (8th); Jacob Lewis, Boulder Creek (10th); Drew Burns, Brophy (13th); Carson Klepinger, Mtn View (15th); Anthony Haren, Perry (19th); Will Daschbach, Highland (21st); Grant Kennedy, Skyline (22nd); Braden Rasmussen, Mtn. View (23rd); Michael Jaso, Kofa (25th) and Jared Pace, Mtn. View (26th).

Chaparral standout Abi Archer won the Division II championship last year with a time of 18:29 at the Cave Creek Golf Course. The junior improved her position from 20th as a freshman and is now poised to win back-to-back titles but she will get plenty of competition from Catalina Foothills senior Richelle Sandin.

Archer enters the state meet with the season's best time of 17:45.6 but Sandin is right behind her with a seed time of 17:46. It's too close to call. In fact, the field is wide open with no seniors finishing in the top 11 last year.

The same cannot be said on the boys' side with former Buena standout Manuel Olivo-Quinones now running for Central Arizona. Olivo-Quinones won with a time of 15:41 with Gila Ridge standout Christian DeBoard coming in second at 16:08. Ryan Stubbs took third with a time of 16:16 and the Campo Verde junior enters this race with the top seed time of 15:25.

DeBoard enters a bit behind at 15:35 and his teammate Daniel Marquez has a seed time of 15:43.

As a team, Flagstaff won five of the last championships on the girls' side including the last two in a row and the Eagles seemed poised to win a third this year. There were no seniors on the championship team from last year and Maddy Christopher, Brianna White and Povi Plank are all among the top runners going in.

Chaparral took second place and Catalina Foothills took third and both squads performed without seniors entered in the race.

Flagstaff has been impressive on the boys' side as well, winning the last two Division II championships. The Eagles might be hard to beat again with six runners returning from the 2016 championship squad, but none has recorded a top 25 time this year. The team did win the Section II meet, however.

Campo Verde took second and it looks like the Coyotes might be the team to beat this year.

The section winners on the girls' side include Cienega, Flagstaff, North Canyon and Chaparral while Catalina Foothills, Flagstaff, Gila Ridge and Campo Verde won the various sections on the boys' side.

Page's boys cross country team's family ties are strong.

Bowen Martin, the team's No. 1 runner and the favorite to win the individual Division III title, is the son of a Page running legend, Theo. Theo won three individual state championships, helped Page win its first team titles during a four-year stretch and coached Page's girls to the 2009 and 2010 state crowns.

Martin's uncle, Tim, Theo's twin brother, finished in the top-3 at state in the early 1990s to also help establish the Page cross country dynasty. There's also another former runner who helped jumpstart Page's first championship streak and continues to keep the program's dominating tradition alive — MacArthur Lane, Page's current cross country coach.

"My senior year at Page," Lane said, "(Theo and Tim) and I finished 1, 2, 3 at state. We have a special bond. They are like my brothers."

If they are brothers, then Mark Lomeland, Page's first decorated cross country coach, is the founding father of Page's cross country championship club.

Lomeland just happens to also be Lane's mentor. The

bonds that unite Page are on the verge of helping it win a fourth consecutive title for the second time.

The first time they accomplished the quadruple feat was from 1989-93 under Lomeland and with the Martin twins and Lane running out front. What can make it extra special this time if Page wins the team D-III crown at Cave Creek Golf Course on Nov. 4 is that Martin, Theo's son, can become the first individual champion for the school since 2004.

The last individual champion for Page was Lomeland's son, Leif. Just another important footnote to the Page cross country family tree.

"I'm proud that (Martin) is doing well," Theo said. "He's his own person and runner. I just support him."

Page hasn't dropped a D-III Arizona meet this season and is coming off a section meet championship victory despite being without its No. 3, Morgan Fowler, No. 4, Trent Holiday (No. 2 freshman in D-III), and top junior varsity runner.

All three were injured, but Fowler and Holiday are expected to return for the state race. What helps separate Page from its D-III counterparts this season is that it is the only school with three times ranked in the top-8.

Those times belong to Martin (15:20.8), Fowler (15:58.2) and Dorian Daw (15:51.0), each time logged during the 45th

annual Doug Conley Invitational in which Page finished second to 6A's Highland. Martin's 15:20.8 ranks 7th in the entire state and is the only non-6A runner ranked in the top-10.

After last season's 17th place finish at state, Martin wasn't expected to become one of the state's elite runners this season. The then sophomore faded near the end of races after a fast early pace.

But Lane knew the potential and the blood lines were there for Martin to make a jump.

All that was missing from Martin's workouts was a summer workout routine, which he took up at the behest of Lane. That paved the way for Martin's dramatic improvement this season.

"Bowen has that Theo racing mentality," Lane said. "They are both head strong. They like to go on, take the lead and set a hard pace."

Fowler and Martin pushed each other during the summer also, allowing Fowler (11th at state last year) also to move into the top-10 in D-III this season.

"(Fowler) loves racing," Lane said. "His workouts don't indicate that he's ready, but that's not the case when he's racing."

A senior, Dorian Daw, will get a chance to graduate with a fourth team championship ring, a well-deserved reward for helping reestablish Page as a power.

"Dorian is Mr. Consistency," Lane said. "He's a good racer and has been a pleasure to coach the last four years."

With a 7th place finish, Daw was Page's top runner at state last year.

Holiday and senior Cullen Nockideneh, a converted football player, round out Page's top-5.

"My whole group of boys are awesome to work with," Lane said. "Each of them is special. They each have their own personality. This group is more laid back until it comes to race time. That's when they are dialed in. They know they are a good team and the team to beat at state."

With three of its top top-5 runners returning and more talented middle school student athletes on the way next season, expect Page to continue as a title favorite.

But Lane might not be around to continue to carry the Page cross country coaching torch. The power plant where

Lane works at in Page might close unless a buyer steps forth.

If the plant closes, Lane will transfer to Phoenix. He is one of three Page coaches who have won championship hardware with both the boys and girls at the school.

Not bad for a coach who started his career at Page as a volunteer in 2005 and has been dedicating his time toward helping Page win 25 overall girls and boys championship trophies since 1989.

If the Nov. 4 meet is his final meet with Page, it'll be a bittersweet day for Lane.

"I am going to be sad, but I'm also content," Lane said. "The sad part will be not being able to work with great kids."

But Lane's team-first lessons will continue on if this is his last hurrah with Page.

"When we run we don't run for ourselves," Martin said. "We run for each other, and we run better when we do that. We don't want to let each other down."
