# Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

## 2A Conference: Scottsdale Christian, Santa Cruz Meet Again With Semifinal Berth at Stake

The two programs share the same initials.

Both of them relied on highly serviceable former backups.

And they'll meet for the second consecutive year in the 2A Conference state quarterfinals.

Scottsdale Christian and Santa Cruz share some things in common, beginning with the slew of talent they each lost after their 2016 postseason appearances, but the backups are helping the programs still run at peak levels. Doing the fine tuning are two excellent coaching staffs.

But the ride for either Scottsdale Christian or Santa Cruz will end in the state quarterfinals again. Santa Cruz won last year's quarterfinal quarrel handily, 62-21, sending highly-touted Scottsdale Christian freshman quarterback Jack Miller to the 5A Conference on a sour note.

Fourteen of Scottsdale Christian's 32 returning varsity players opted not to return for different reasons, including the No. 1 and 2 quarterbacks. After a heart-breaking, one-point overtime state semifinal loss last year to eventual champ Thatcher, Santa Cruz was left to fill the vast void that many senior starters left.

But most of the roster gaps of both teams were filled by backups biding their time to shine for Santa Cruz and Scottsdale Christian. Also, for Scottsdale Christian, its defense helped erase a lot of the doubt surrounding its team this season.

That unit is ranked in the top-2 in 2A in tackles, interceptions (nation-high 32) and sacks and has allowed the third fewest points

(84) in 2A so far this season, according to maxpreps.com. But come Friday it might be without another valuable piece, head coach Chuck Gibbs.

On Monday doctors removed a tennis sized tumor from Gibbs' upper back that is not cancerous but can restrict his neck movement. Gibbs, a former U.S. Army attack helicopter pilot, is a medically retired veteran.

Monday's surgery was the 25th he's undergone. He's had 15 knee surgeries, and Gibbs said wear and tear are partially to blame for a bad knee.

But he isn't complaining and is still planning to be with his troops on the sidelines on Veterans Day.

"I am more worried about the game more than the surgery," he said. "I told my pastor that I've got 10 seniors, and it could be their last game. I want to make sure I'm there."

"Why spent time talking about the kids who aren't here. There are kids here who stuck around our program and are still champions. Last year we made it to the quarterfinals with a good football team, and this year the team is not as talented, but it's a better football team. You can hang your hat on that. We have lemons this year, but we did something with them."

Santa Cruz is also squeezing everything it can out of its team.

It helps that Alex Wyble-Meza moved in and is rolling through and around opponents. He had to sit during the first five weeks after transferring from Casa Grande Vista Grande, but Wyble-Meza already leads Santa Cruz with 12 rushing touchdowns, a 15.9 rushing yards per carry and a 124.7 yards per game average.

But, with Santa Cruz running the ball about 80 percent of the time, Santa Cruz shares the ball with two other backfield talents, Titarro Jones and Raoul Perales. The seniors became focal points in Santa Cruz's triple-headed run monster (combined 2,279 rushing yards, 33 touchdowns) this season.

The trio are running behind a new offensive line that began to take off at midseason, Santa Cruz coach Rishard Davis said. If Santa Cruz needs to pass, senior Jesus Cosillos (16 TDs, only 1 INT) is capable of keeping a defense honest.

On defense, Santa Cruz didn't give up more than 100 yards rushing in five of its last regular season games. Junior defensive lineman Dakota Ethington, the team's third leading tackler, also plugged a big hole this season after transferring in from Vista Grande and has started since Day 1.

A bunch of new starters dot Santa Cruz's roster this year, but they are still very aware of what happened last year, when a Thatcher goal line stand kept them from advancing to the 2A final.

"(The loss) is still in the back of their heads," Davis said. "They want to get back to that point. We didn't completely shut down after losing in the semifinals. It was tough, and we carried that with us after the season was over."

Santa Cruz's offense will face a Scottsdale Christian defense that isn't opportunistic.

It is committing highway robbery, with 54 takeaways in the past two seasons.

"We preach turnovers and takeaways," Gibbs said. "I never have experienced where kids are always around the football as much as this group."

Scottsdale Christian also has some weapons on offense, wide receiver Jacob Kaite (1,136 receiving yards, 12 TDs) and running back Shayne Pahnke (1,648 rushing yards, 23 TDs, 8 INTs), in particular. Kaite has also returned eight punt returns for a touchdown, but five were called back.

Kaite might also see some time on defense. Scottsdale Christian's defense is led by the player Gibbs dubbed the Silent Professional, senior middle linebacker Cole Bauer. He might be quiet, but Bauer packs a loud punch.

The senior is the state's third leading tackler. Gibbs also has an inspirational leader on defense, Jesse Moffett, Scottsdale Christian's only 220-pound plus defensive lineman.

Gibbs remembers when Moffett was a 140-pound freshman and was being bullied.

Moffett also had to overcome a learning disability, but Moffett is now doing the pushing around.

"Jesse is a big reason why we've been able to slow down the run game of opponents," Gibbs said. "But aside from that, he's one of the reasons why you coach the game. It fires me up. He's had to overcome a lot. He's the epitome of what we are all about. He's our Christian Character Award winner."

Gibbs points to players such as Moffett and Gibbs' son, Kale, for not wanting to let his broken body rest.

Kale (49 tackles) is one of a handful of freshmen who have played this season for Scottsdale Christian. Like Santa Cruz, the coaching staff of Scottsdale Christian has led its program to back-to-back 10-win seasons for the first time in the long history of the program.

"We are going to win games with or without kids," Gibbs said. "It's almost like a God thing. There's a synergy with this group. There's so much love and community. It's incredible."

## 2A PLAYOFF NOTES

Morenci's young offensive line lacked experience but has jelled and embraced the team's blocking schemes, coach David Gallegos said. Running backs RB/CB Steven Chavarria (9 rushing

TDs), ATH Mark Roybal, RB/OLB Justice Boling, RB/MLB Isaac Pacheco, and FB/LB Matt Harrington take turns running the ball. "QB Nick Carrasco has been the true definition of a field general," Gallegos said. "We have a swarming and disciplined defense that flies to the football." ... Round Valley's WR/DB/QB Kason Woolf, RB/LB Dylan Workman, WR/DB Mikey Mariscal, QB/DB Markus Adams, and DL/RB Colter Hogle have been consistent players, coach Marcus Bell said. "The kids have done a great job of playing together. We've had kids who have stepped up and been able to play at a high level. Our coaches have done a good job of working with this young team and developing their skill set." Round Valley is 11-0 and the No. 1 seed. ... "The main reason behind our success is an extremely hard working team," said Thatcher coach Sean Hinton about his team. "They lift and condition more than most or all, I'd be willing to wager. It's also hard to single anyone out because we have so many contributors each week and share the ball so much. But if I had to name anyone it would be guys on our scout team that bust their butts to make the starters better." Thatcher, the defending champ and No. 3 seed, only lost to Round Valley so far. "We learned a lot of things about that loss," Hinton said. "The mistakes you make versus bad teams go unnoticed but get magnified and exploited against good teams. You have to be mentally prepared for big games." ... Tempe Prep's offense continues to more "dynamic" than in previous years. That's because it doesn't carry the offensive line size that's accustomed to. "QB Max Rich has been great for us and has given us the ability to be balanced," Tempe Prep coach Josh Brittain said. "Our offensive line has battled like warriors, and running back Ahmad Jones has been an absolute workhorse." Brittain added that defensive coordinator Mike Guizar has done an outstanding job of preparing his boys.

## 3A: Benjamin Franklin's Foundation On Solid Ground

Benjamin Franklin's head coach Dave Jefferies came close to quitting football as a high school player.

In 1988, he was a sophomore on a junior varsity team of a new school, Yuma Cibola. For no particular reason, Jefferies told his then coach now mentor Tim Lino that football just wasn't for him.

The young lad just needed some direction, Lino believed. So after a pep talk and some tears dropping, Jefferies continued to suit up.

"That was the turning point in my life," Jefferies said. "If I could have half the influence that a great guy like Tim, who is now a principal in Hawaii, had on me, I would love to do what he did."

Jefferies is now getting his chance to mold the lives of young men positively.

The Cibola experience also imprinted something he wanted to experience for himself — building a football program from the ground up like Lino did. Jefferies is doing just that now and with success.

Benjamin Franklin, a charter school located in Queen Creek, made history this season with its first postseason berth and playoff victory. But the 4-year-old program is just getting started.

Benjamin Franklin will take another big baby step on Friday when it hosts one of the state's football giants, No. 5 seed Sabino (9-2), the 3A state runner-up last season, in the state quarterfinals. Benjamin Franklin's win total has increased in each of Jefferies' three seasons as coach.

He brought a ton of experience to Benjamin Franklin after spending thirteen years as an assistant coach in the Gilbert District and three years as head coach at Thatcher, where he went 30-7.

"I was an assistant coach so I try to create an environment where my assistant coaches can thrive and people want to be out there practicing and giving their best efforts," Jefferies said. "I always wanted to start a school from scratch and put it on the map with a great group of athletes with good character. Character, honesty and integrity is what I preach."

Benjamin Franklin's players are responding.

Last year, the program was a bit upset that it just missed the playoffs. But last year is still helping this year's team.

Jefferies began transitioning his offensive base to a double-wing toward the end of last year, and Zack Jefferies, Jefferies' son, and junior Chandler Miles are now thriving in it. Zach is just a sophomore but is the 3A's third leading rusher with 1,568 rushing yards, and Miles is fifth on maxpreps' rushing 3A leader board with 1,390 yards.

"Zach is way more athletic than I ever was," Jefferies said jokingly. "The (double-wing) offense started out as a gimmick, but it has been really good to us this year."

This year, 10-1 Benjamin Franklin defeated two of the three teams it lost to to help it earn the No. 4 state seed, leaving no doubt that it was a contender.

Jefferies began tinkering with the idea of using the double-wing after Arizona Lutheran Academy used it to defeat Thatcher in the 2014 state quarterfinals in Jefferies' final game at Thatcher. Starting quarterback Chase Adams wouldn't mind running the multiple-formation look Benjamin Franklin first ran, but Adams also doesn't mind being a lead blocker now and sacrificing for his team, Jefferies said.

Benjamin Franklin's mobile offensive line saw its starting center, Justin Scott, recently return from injury. Switching to the double-wing also helped Jefferies' defense, and toughened up that unit since it has to stop an aggressive offense in practice, the coach said.

The defense welcomed the return of its best defensive lineman, Brandon Teuscher (nine sacks). He didn't play in last season's final regular season's six games after suffering an injury but was back at full force this season.

Benjamin Franklin's secondary stepped in last week with five picks in the first round win over Page.

Benjamin Franklin recorded its first two winning seasons last year and this year despite having one of the smallest enrollments (575 students) in the 3A. But Jefferies isn't using that as an excuse.

"The bar has been set," Jefferies said.

### 3A PLAYOFF NOTES

"Pusch Ridge Christian's is a senior-heavy group that works hard, loves each other like few teams I've been around, and they are very unselfish," coach Jerry Harris said. "When we've had injuries and other adversity and have had to move guys around or ask guys to play in spots that they don't normally play, there is no drama. No fuss." Many of the seniors were on the field when the team won the 2015 championship and also

remember the disappointment of last year's first round playoff exit. "Senior QB Christian Fetsis, statistically and practically, is the offensive leader of this team, and he's an even better human being," Harris said. "Linebacker Blake Reilly is the leader of our defensive front, and safety Mitch Maas leads our secondary. However, with the style of football that we play the real secret to our success this season has been the play of the offensive and defensive lines. Their growth and maturation throughout the offseason and regular season has been the difference." Pusch Ridge Christian is 11-0 and will play on Friday Northwest Christian, the team that eliminated it from the playoffs last year.

Northwest Christian (9-2), the No. 8 seed, continues to see improvement from its offensive and defensive lines, coach David Inness reports. The team only has 10 seniors but have done a great job in the second half of the season, according to Inness. Some of those seniors are T/DT Jaden Hoyt, OL/DL Harmen Schacklette, WR/CB Jackson Groff, WR/LB Zach Johnson, MLB/DE Spencer Valerius and OLB/QB Jarin Davis. The team starts 15 underclassmen, including Soph. QB Aren Van Hofwegan, FS/SB Dustin Innes, RB/CB Thomas Poe, QB Jonathan Metzger, and G/NT Derick Henderson. Northwest Christian and Pusch also met in the 3A final in 2015, with Pusch Ridge winning 14-7.

Sabino's first-year coach Ryan McBayer took over a program that lost 30-plus seniors and 18 starters off of last year's state runner-up squad. Only 13 seniors suit up this year. "But they have filled vital roles and most are playing both ways," McBayer said. "We have had sophomores and juniors step up in major ways in every aspect of the game.

"I think the desire to step out of the shadow of last year's

team has really propelled this group." The team's offensive line, which has played a huge role this year, the coach said, is led by Quinn Detweiler and Frank Oviedo. The line has allowed RB Isaiah Smotherman (879 rushing yads) to break free and given Alex Bell (32 TDs, 2 INTs) time to set in the pocket and find receivers down field. Bell set multiple school records this year with the help of Luke Moran (831 receiving yards, 10 TDs), Bennett Nottingham (639 receiving yards, 10 TDs) and Larry Gerald (18.9 yards per catch). "We have a scrappy front seven led by linebacker Will Offerman and ballhawking secondary that has produced 15 interceptions," McBayer said.

Seniors Nick Arnold and Trevor Heikes have done a good job of disrupting opponents' run game, Florence's head coach Scott Howard said. Running back Nolan Susel (1,778 yards rushing, 28 TDs) and QB Jared Wood (20 passing TDs) are doing damage thanks in part to the offensive line, including three-year starter Quinton Tucker, a center, guard Tyson Trejo and tackle Eli Boyd-Volakis. "Linebacker Shelton Mathis is the heart and soul of our defense," Howard said. "He leads our team in tackles. Defensive backs Shane Mathis and Arvonte Neal have stepped up to lead our pass defense and limit team through the air."

American Leadership Academy (10-1), the defending 3A champ, dresses 32 seniors. "Many of them have played varsity for three years now and have done an amazing job of buying into our program and our coaching staff," Rich Edwards coach said. "The whole team worked hard the entire off season, and they have been able to continue that hard work and, combined with great preparation during the season."

## 4A Football Preview

### Is Saguaro Vulnerable in Attempt to 5-Peat?

In winning four consecutive football championships, Saguaro hasn't been challenged for a full game in the 16 playoff contests encompassing the quartet of crowns. The closest game by point spread in that span was an 18-point victory in 2015 vs. Marcos de Niza in the Division II title game at Arizona Stadium.

This year during the regular season there was one close call from an Arizona opponent. It was a 24-21 victory on Sept. 22 over Sunrise Mountain on a field goal with just seconds remaining. Saguaro, Sunrise Mountain, Salpointe Catholic and Higley have dominated 4A this season. There is little reason to think teams other than those four will fill the semifinal slots. Nothing scientific, just a hunch that once the semis arrive there will be high-caliber matchups that spill over into the title game with whomever the finalists turn out to be.

Here's a glance at 2017's elite eight in 4A:

**#1 Sunrise Mountain (10-1):** The Mustangs wield a potent offense led by the pass-catch combo of junior quarterback Keegan Fried and senior wide out Angel Ruiz. Fried has tossed 32 touchdowns passes and thrown for 2,566 yards. Ruiz has 20 TD receptions on 62 catches for 1,327 yards. Fried also leads in rushing with 590 yards and 11 TDs while running backs Drake Flores and Derick Bangle teaming up for 1,000 yards rushing. Steve Decker's team is allowing just 12 points a game.

**#2 Saguaro (9-2):** The Sabercats are solid on both sides of the ball piecing together an eight-game winning streak after a pair of out-of-state losses to Nevada and Utah schools. They average 41 points a game and allow just 14. Senior Max Massingale is eyeing a second-straight title as starting quarterback and has followed up his junior year with an equally impressive senior campaign. Massingale has thrown for 2,681 yards and 27 TDs

and rushed for 499 yards and 6 scores. It's a two-man aerial game predominantly with Logan Pettijohn and Zach Wilson with 59 catches each for 2,052 yards and 19 TDs.

**#3 Higley (10-1):** The Knights have huge wins over Cactus and Seton this season -- games they jumped out fast and were never challenged. Their only loss is to Saguaro where they were the slow starter and humbled to the tune of 42-14. Saguaro stands in Higley's way if the Knights want to play in their second title game ever. The first was in 2006. It's been another large year for senior running back-slot back Draycen Hall. Hall has amassed 1,915 yards rushing and receiving and scored 29 TDs with considerable fewer touches than last year. The defense is led by linebacker Cade Matthews with 116 tackles and seven sacks.

**#4 Salpointe (10-1):** The Lancer arguably have fielded their best team since 2013 when they completed a perfect 14-0 season with a D-II title. Their only loss is to 5A No. 1 Cienega, a respectable 30-20 defeat. The run-heavy Lancers are led by sophomore Bijan Robinson, who has rushed for 1,426 yards and 22 TDs. Defense may be their strongest unit with five shutouts and has allowed just eight points a game. That prowess will be challenged going forward.

**#5 Cactus (9-2):** The Cobras have enjoyed plenty of success against the playoff field having defeated Mingus, Marcos de Niza, Cactus Shadows, Moon Valley and Peoria. Their losses were blowouts to Sunrise Mountain and Higley. The Cobras were never in either game so that must change since they must beat Salpointe and likely Sunrise Mountain to reach the final. Senior running back Damaria Norris is a one-man wrecking crew. He's rushed for 1,827 yards and 32 TDs and leads the team in receiving with 27 receptions for 380 yards. Norris was limited to 110 yards total in losses to Sunrise Mountain and Higley.

**#6 Seton Catholic (9-2):** The Sentinels had a nice bounce-back week in the playoffs' first round edging last year's 4A runner-up Catalina Foothills late, 29-22. The bounce-back was from a 50-0 loss to Higley -- their quarterfinal opponent. Junior quarterback Vince Wallace has enjoyed a solid season passing for 1,859 yards and 21 TDs. Wallace passed for 272 and three scores last week. Seton also possesses 1,000-yard rusher Nick Wade (13 TDs).

**#7 Peoria (9-2):** The Panthers are yet another quarterfinal team that didn't come close to beating top seeds. They lost big to Sunrise Mountain and played Cactus well for a bit better than a half before getting blown out after intermission. Peoria's forte is the ground game led by 1,000-yard rusher Juvaun Price (18 TDs), quarterback Nate Dobson and senior back Sonatane Zibala.

**#8 Cactus Shadows (7-4):** The Falcons played a bunch of playoff teams and defeated a handful -- Seton, Mingus, Moon Valley and Marcos de Niza. They didn't fare well against Cactus or Saguaro, bowing to Saguaro two weeks ago, 49-0, for the Skyline Region title. Cactus Shadows avenged a close loss to Marcos de Niza in the opening round, but Sunrise Mountain's a tougher egg to crack. The Falcons are led by sophomore running back Jaxen Schneider, the team's top rusher and receiver, and quarterback Andrew Young,

Save two minor “upsets” from the first round, the 5A quarterfinals are comprised of teams many expected to be here from the beginning. Let’s take a look at the four matchups taking place this Friday night across The Valley and the Old Pueblo with Cienega taking the spotlight:

**No. 9 Marana (9-2) at No. 1 Cienega (11-0) ...** Some call this game, “The Rematch,” but it’s another in a long line of high-level games that has defined this season for both teams. The Bobcats are riding a 26-1 win streak dating back to Oct. 9 of 2015 and that streak includes three wins over Salpointe, two wins over Ironwood Ridge, two wins over Mountain View Marana and two wins over Marana. In short, this is one of the best runs to ever come out of Southern Arizona and the Bobcats would like to solidify that statement with a state championship.

Likewise, the Tigers have experienced success that has escaped two generations. The program had three state titles in the 1960s, with the last coming in 1968, and this current team has owned the 5A Sonoran Region with back-to-back championships. Granted, not quite the same level of success, but you can’t take anything away from this squad.

Cienega started out the season with an epic 57-50 win at Marana with University of Arizona commit Jamarye Joiner scoring with 26 seconds left to secure the victory for the Bobcats. Joiner ran for five touchdowns in the game, including a 50-yard dash, and he threw for two more and connected on two two-point conversions. Marana standout QB Trenton Bourguet was equally impressive with five TD passes.

Fast-forward and Joiner has 1,768 yards passing, 1,029 yards rushing and 38 TDs and Bourguet has thrown for 2,702 yards, rushed for 292 and has 40 TDs.

Other players often overlooked in this rivalry from are Cienega WR Terrell Hayward (769 yards, 10 TDs), Jr. RB Geo Owens (520) and Jr. RB Thomas Webb, Jr. (7 TDs). Jr. LB Diego Rivas has 61 tackles for the Bobcats and Jr. DE Zach Mattas recorded 60. Marana is led on the ground by Jr. Rene Valenzuela (789 rushing, 7 TDs) and Sr. Zach Roberts (491 and 12 TDs). The Tigers have a trio of receivers with over 600 yards: Jesus Valenzuela (681), Teon Simmons (662) and Diego Miranda (601). Jr. T.J. Cephers has a remarkable 104 tackles on the year and Trey Peterson has 69.

**No. 10 Chaparral (7-4) at No. 2 Centennial (9-1) ...** Chaparral beat No. 7 Williams Field 17-14 in the first round to advance to the quarterfinal round. The Firebirds are used to playing at this level with six state championships, including three in a row from 2009 to 2011, but very few had the squad getting to this point against Centennial. The Coyotes took second place to Williams Field last year and most were expecting another “rematch” this week but Chaparral changed those plans.

Centennial won state titles in 2014 and 2015 and the Coyotes are hoping to reach the final for the fourth year in a row. Firebird So. Jack Miller has 1,544 yards passing, So. Davon Hubbard has 487 yards rushing, So. Tommy Christakos has 540 yards receiving and So. Deavon Crawford has 539. Jr. Zien Tessler has 116 tackles. Ruben A Beltran, III has 853 yards passing to lead the Coyotes, Zidane Thomas has 1,348 yards rushing and So. Jaydin Young has 74 tackles.

**No. 6 Ironwood Ridge (8-3) at No. 3 Liberty (10-1) ...** The Lions lost to Centennial in the 2014 D-II state championship game and it would be understandable if the program looked past the

Nighthawks, hoping for a rivalry rematch in the semifinals, but first things first.

The Lions beat Centennial 21-19 to secure the Northwest Region and that was one of the games that helped propel Cienega to the top of the rankings. Sr. Ryan Bendle has 1,433 yards passing and 607 yards rushing for Liberty while Nighthawk Sr. Heath Beemiller has 1,467 yards passing and Sr. Nick Brahler has 1,796 yards rushing. Expect some offense in this game.

**No. 5 Queen Creek (10-1) at No. 4 Notre Dame (11-0) ...** The Saints are one of two (Cienega) teams in the 5A Conference still undefeated but the game against Queen Creek will be the most contested for the Saints since a 28-23 win at Chaparral on Sept. 28. The Bulldogs fell out of the undefeated ranks when Williams Field came in and beat them 26-7 to end the regular season.

Jr. Devin Larsen leads Queen Creek with 2,089 yards passing, and Jr. Dylan Borja has 1,275 yards rushing. The two have combined for 35 TDs. Sr. Garrett Duke has 721 yards receiving and 12 TDs and Sr. Jon Matuzak has 106 tackles and Dante Coleman has 96. The Saints are led by Sr. Kylan Weisser with 1,695 yards passing and Sr. Cole Fisher has 1,193 yards rushing. Jr. Jake Smith added 929 yards on the ground and 903 receiving. Sr. Vincent Elrod has 92 tackles.

## 6A Football Preview

### Chandler Team to Beat in Pursuit of Repeat

By Les Willsey  
azpreps365.com

The elite eight in 6A are the expected teams from the initial bracket of 16 -- except for No. 15 Westview which stunned No. 2 Desert Ridge the opening round. That said seven teams are chasing one -- Chandler. The Wolves appear on a roll that none of the rest can subdue.

Chandler has won two titles in the last three years, but has yet to win back-to-back. It's going to take a herculean effort from the rest of the field to prevent that. Here's a glance at the remaining field:

**#1 Mountain Pointe (9-2):** The Pride didn't overwhelm opponents late in the season -- not in the manner a top-seed should. But teams that play old-fashioned football don't need to be overwhelming. Mountain Pointe has done fine with a sold ground game and its customary stingy defense. Mountain Pointe throttled Cibola, 65-0, in its postseason opener. Jakim McKinney, Gary Bragg and Nick Wallerstedt have combined for nearly 2,600 yards rushing and 31 TDs.

**#3 Chandler (9-2):** After a rash of injuries the first half of the season made the Wolves mortal, it doesn't look that way any longer. Quarterback Jacob Conover has played in 5 1/2 games, including the last four after a shoulder injury against IMG Academy. He's strung together three successive 300-yard games passing to lead an unstoppable offense. Since Conover's return and that top two receivers Gunner Romney and Jarick Caldwell and a couple of defensive standouts, The running game is just fine with essentially two 1,000-yard rushers in senior Drake Anderson (1,485 yards, 24 TDs) and junior Decarlos Brooks (996 yards, 13 TDs) Chandler is averaging 51 points a game. The defense is good enough to slow capable offenses left in the playoffs. There is much to like about Chandler's chances.

**#4 Perry (10-1):** There is no quarterback in 6A having a better year than the Pumas' Brock Purdy. Purdy has thrown for 3,174 yards and 42 TDs and rushed for another 796 yards and 7 TDs. This is a team very much like last year's 11-2 juggernaut that bowed only to Chandler (twice). Perry swears it's a better defensive team than last season. But the Pumas have allowed 16 fewer points in 11 games than they did last year in 11 games. Perry needs more stops when facing the Chandler's and

Hamilton's. Both are stumbling blocks along the way to the state title, both of whom scored 60 points or more in last year's playoffs against the Pumas and essentially did so again in the last month.

**#5 Hamilton (8-3):** The Huskies outscore opponents to win. They have that ability with senior quarterback Tyler Shough (2,866 yards passing, 28 TDs) and senior running back Jawhar Jordan (1,757 yards, 28 TDs). The defense has been a bit better this year, but still yields almost 30 points a game. Hamilton has performed quite well considering the distraction hovering around the school the past

six months. A lot of that credit can go head coach Dick Baniszewski's way, who has proven a steady influence. Hamilton draws Perry in another Arena Football-type matchup in the quarters.

**#6 Pinnacle (9-3):** The Pioneers have performed much as they did in 2016 with a couple more wins. They did a better job navigating their rugged non-region schedule, but weren't able to defeat playoff powers Chandler, Mountain Pointe or Centennial. Those are the brand of opponent left the final three rounds. They proceeded to run roughshod over the rest of the Desert Valley Region again on the way to the region title. Pinnacle standout Spencer Rattler has thrown at least three TD passes in each the last seven games and has 40 TDs throwing for the year. Pinnacle has amassed nearly 6,000 yards of offense in 12 games.

**#7 Red Mountain (9-2):** The Mountain Lions have won nine games in a row after beginning the season with losses to Chandler and Hamilton. They can relate to Westview. They were a #13 seed last year that found their way to the semifinals. They didn't expect to be playing a second playoff home game this year after being road warriors in postseason a year ago. Red Mountain is led by versatile senior Lance Lawson, who has been more himself recovering from early-season injury down

the stretch. Lawson opened the playoffs with a three-touchdown game in a 56-24 romp over Horizon -- running and throwing for scores of course.

**#8 Highland (8-3):** A solid defense is the calling card for the Hawks who won their first playoff game in nearly a decade in the opening round. The offense isn't high octane most weeks. The Hawks rushed for better than 400 yards in their playoff opener. The defenses they'll face going forward for the most part are much better. Highland draws a rematch with Mountain Pointe, a team that is somewhat its mirror image with a strong rushing attack and defense. Mountain Pointe rallied for a 14-13 win early in October.

**#15 Westview (6-5):** The Knights, winners of six games in a row, made the most of their opportunity in the first round. Their playoff spot is courtesy of winning their region. Westview opened the season 0-5 losing to three playoff teams (Horizon, Highland and Centennial). Coach Nick Gehrts' squad won a pair of tight region games over Valley Vista and Millennium that went a long way in nailing down the region crown. Westview is known for its running game and spreads the ball among five backs with 300 yards rushing or more.

# BOUND FOR BIG THINGS

AMERICA'S NO. 1 SELLING  
GAME FOOTBALL.

**GST LEATHER** exclusive softer leather with added tack, to hold on to the ball more securely.

**PATENTED ACL LACES** pebbled high tack composite provides 174% more grip, allowing QB to make more accurate throws and score more points

**PATENTED SEWN-IN STRIPES** sewn instead of painted, these added grip points lead to more controlled throwing, easier catching and less fumbling

**EXCEPTIONAL CRAFTSMENSHIP** same hands that sew every NFL leather football also make every leather GST, resulting in unmatched quality control for consistent performance
