Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate

the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

Salpointe Out to Defend 4A Title

Plenty of Competition for Interesting Tournament

By Les Willsey
azpreps365.com

One of the toughest state tournaments to handicap in 2017 has to be 4A.

The top eight seeds are from the West Valley (four), Southern Arizona (two), Northeast Valley and East Valley (one each). Ten of the 16 team who qualified for state this year were in the field last year.

Salpointe spent a lot of time in Tucson again this season playing 4A, 5A and 6A schools in the Old Pueblo. Some foes out of conference were as good as they'll see in 4A. It didn't prevent the Lancers from winning it all last year.

With that in mind here is a thumbnail sketch of the contenders based on power ranking as the tournament reaches the quarterfinal round on Thursday Nov. 1.

No. 1 Cactus Shadows (27-5): The Falcons were unbeaten in power ranking games (17-0) and have faced seven state-tourney qualifiers -- Cactus, Flagstaff, Seton, Coconino, Marcos de Niza, Shadow Mountain and Higley. The Falcons are getting contributions from all classes with freshman Kierslynn Wright (kills), sophomore Ashlyn Overby (blocks), junior Kennedy Wright (kills) and senior Lily Cristante (aces) stat leaders in various categories. This is Cactus Shadows third trip in a row to postseason. They were the top seed last year and were upended in the quarterfinals.

No. 2 Cactus (33-8): The Cobras only power-ranking loss was in five sets to Cactus Shadows. They have played seven tourney qualifiers, defeating six -- Sunrise Mountain, Flagstaff, Greenway, Youngker, Prescott, and Higley. Cactus has been to the finals two of the last three years and lost to the eventual state champ in three of the last four. Coach Anthony Puglisi likes the leadership of his upper classmen who have endured those tough, late tour-

ney losses. They are primed to beat the "curse" of falling short of a title.

No. 3 Salpointe Catholic (30-6): The Lancers are the defending champions. They haven't faced a lot of other state-tourney qualifiers --only Nogales from their region. They have faced seven schools in the 6A and 5A ranks mostly from Tucson. Their losses are to 6A Horizon and Perry, 5A Notre Dame Prep and Cienega and two out-of-state schools. Salpointe is led by seniors Peyton Lewis and Alanna Duarte, varsity players since their freshman year. The Lancers have been bothered by late-season injuries here and there, but are focused on a repeat.

No. 4 Sunrise Mountain (27-8): The Mustangs lost in the quarters last year to eventual runner-up Greenway. They've defeated five state-tourney qualifiers -- Prescott, Seton, Coconino, Greenway and Cactus. They also have a loss to Cactus. Flagstaff is next in the quarterfinals and a semifinal matchup with Cactus Shadows may loom.

No. 5 Flagstaff (31-8): The Eagles have one of the most consistent volleyball programs in the state with state titles twice this decade. They've beaten four of the seven state qualifiers they've played - Seton, Coconino, Marcos de Niza and Prescott and have have losses to Cactus Shadows and Cactus. Flagstaff is led by senior hitter Lydia Miller and junior middle Tara Brian, libero Hutton Hagerman and setter Brooklyn Quick.

No. 6 Seton Catholic (25-8): The Sentinels long-standing tradition of postseason continues and it truly has a been a team effort. There is not a glaring standout, just a lot of interchangeable parts with good depth. Seton outlasted Marcos de Niza for the Desert Sky Region title. Seton reached the quarters last year where it bowed to Prescott and lost in the first round in 2015 to Salpointe. They get defending champion Salpointe in the quarterfinals on Thursday.

Chaparral, Sunnyslope Favorites in 5A Tourney

Centennial, Notre Dame Serious Contenders

By Andy Morales
azpreps365.com

The 5A Conference playoffs will start on Tuesday, Oct. 31 with the championship scheduled for Thursday, Nov. 9 at Mesquite High School. 16 teams will battle it out in one of the most competitive conferences in the state with almost every team having a realistic shot at the title.

Let's take a look at top four seeds in the 5A Conference. All records are based on power-ranking matches.

No. 1: Chaparral (15-2) ... Chaparral claimed the automatic berth from the Northeast Valley Region over No. 4 Notre Dame Prep based on a slightly better conference record. The Firebirds finished 14-2 in the 5A Conference and the Saints put together a 13-3 mark. Still, with a 7-1 finish in the region, both teams can claim the region title heading into the state playoffs.

The Firebirds lost to No. 2 Sunnyslope 3-1 on Sept. 12 and 3-2 to Notre Dame Prep two weeks later. Those are the only blemishes on the Firebird's record, but they are noteworthy for obvious reasons. The Firebirds came back and swept Notre Dame Prep on Oct. 23 to force the tie in region play.

Senior outside hitter Kylee Davis leads the Firebirds on the court along with junior setter Kate Van Houten according to first-year head coach Holly Tiffany.

"The sophomore class has had a break out season," Tiffany explained. "Each of them stepped up to create a balanced team. We have a very smart setter in junior Kate Van Houten. Each of our outside hitters (Amber Stivrins and Kylee Davis) are all around players getting it done offensively, defensively and from the service line. As a whole we have a highly competitive mindset."

There are only two seniors on the squad which makes for a young team, but the squad has responded despite having the third most difficult opponent rating in the tournament behind Notre Dame and No. 15 Verrado.

Stivrins has committed to play for Louisville and the Firebirds have won three state championships (2004, 2005 and 2007).

No. 2 Sunnyslope (15-1) ... The Vikings ran away with the Metro Region title with a perfect 10-0 record. The only bump in the road was a 3-0 loss to No. 5 Queen Creek was back on Aug. 31. Since that then, the Vikings have only given up two sets in matches that count.

Senior outside Kayla Matthews leads her team with almost four kills per set and junior Jazmyn Wheeler is

adding three more per set. Junior setter Macy Wilke is racking up eight assists per set for the Vikings.

Sunnyslope was the 5A runner-up last year, taking Centennial to four sets before falling in the title match. The fourth set was a monumental 32-30 battle. Amber LeTarte has coached the program to seven state championships since 2006 and has only missed the final three times in that time span.

No. 3 Centennial (16-1) ... The Coyotes went 8-0 to claim the Northwest Region. The only loss on their record was 3-2 setback to Chaparral on Sept. 14.

"This season has been successful because many of the girls got a good taste of what it took to sustain high expectations out of each other the entire season, even on days where it would be easy to just go through the motions," head coach Cari Bauer said. "This is a young and athletic group...when we are in system there are lots of options for us offensively."

According to Bauer, junior middle Taleah Cooper and junior libero Sommer Kasney take the lead on the court while sophomore outside Ashley Lifgren leads by example and is a, "calming force on the court."

Seniors Bailey Elam and Karina Araiza are great leaders on and off the court and help with team chemistry.

Bauer led the Coyotes past Sunnyslope last year in her first year coaching the girl's program. The school has two other state championships (1998 and 2008).

No. 4 Notre Dame Prep (14-3) ... As mentioned before, the Knights share the Northeast Valley championship with Chaparral but three losses in the conference handed the automatic playoff berth to the Firebirds. The Knights lost 3-1 to Centennial, 3-0 to Sunnyslope and 3-0 to Chaparral. The Knights have an even record with Chaparral but would love to have another shot at Centennial or Sunnyslope if given the chance.

To do that, the Knights will have to beat Chaparral in the semifinal round if both teams make it that far and then face Centennial or Sunnyslope in the final. It's a tall order.

"We are blessed this year with seven, very high character seniors," head coach Sara Fox said. "Our three captains are libero Sayler Butters (L), Sophie Sydenham (S/OH) and Nicole Shuhandler (MB). All three are great leaders and great players. They hold themselves and their teammates to high standards."

Fox led the Knights to the Division II state championship in 2015 and the program had one previous title in 2007. Sunnyslope beat Notre Dame in the quarterfinal round last year.

6A Volleyball Contender A Short List

Xavier and Corona del Sol Favorites to Meet in Final

By Les Willsey
azpreps365.com

It became almost crystal clear by late September/early October that Xavier College Prep and Corona del Sol would be on a collision course for the 2017 6A volleyball title. Nothing has happened since to alter that opinion or should we say fact?

Xavier Prep is the top seed and defending champ. Corona del Sol is No. 2 as the tournament heads to the quarterfinal round. The quarterfinals are set for Thursday Nov. 1 at 6:30 p.m. at the sites of high seeds. Xavier took care of No. 16 Mountain Ridge and Corona did the same against No. 15 Skyline in the opening round.

Xavier and Corona did something nearly unique in the history of big-school volleyball power-rankings. Both navigated the regular season unbeaten, going 17-0 in power-ranking matches. It happened in 2013 when Horizon and Hamilton finished 17-0. Hamilton reached the final, but fell to Xavier. Xavier upended Horizon in the semis.

Last year the best match of the tournament may have been the semis when Xavier and Corona locked up. Corona won, 3-2, and went on to sweep Mountain Pointe in the final. The year before Xavier eliminated Corona in the quarters, 3-0, and went on to the final where the Gators fell to Desert Vista.

This year Xavier and Corona managed to meet in the Nike Tournament of Champions top bracket on Sept. 30. Xavier won, 2-1. They also played a week later in the Gilbert Invitational with Xavier winning, 2-1. Each set was a two-point difference. Those are the only losses for Corona. Xavier's only losses are to out-of-state teams in invitationals.

Xavier (37-3) is led by senior outside hitter Lanie Wagner and junior setter Shannon Shields. Sophomore Briana McKnight has been a force as an outside as well. The Gators defense is keyed by senior libero Alana Draper and defensive specialist Ashley Yeung.

Corona del Sol (38-2) is led by all-around senior Brooke Nuneviller, last year's Gatorade Player of the year. Nuneviller leads the Aztecs in kills (513) and digs (431). Corona has plenty of other weapons -- senior Emma West (225 kills) and sophomore Madelyn Noble (250 kills). Senior setter Abby Meyer has 1,117 assists and 207 digs.

The short list of teams that could pull off an upset if their game is at a high level -- **No. 3 Mountain Pointe (34-7), No. 4 Millennium (32-9)** and **No. 5 Perry (35-6)**.

Mountain Pointe has seven losses -- three multi-set defeats to Corona, one sweep at the hands of Xavier and one to Millennium. The Pride are led by setter Gabby Leo, outside hitter Piper Manross, opposite Avery Luoma and libero Anna Morse.

Millennium is one of the best defensive teams around. The Tigers rely on libero Nicole Hoff, setter Alyssa Avitia and defensive specialist Annika Payne have combined for more than 1,300 digs. Perry has dominated often, but matches against other top teams haven't gone as well.

The Pumas have two losses to Xavier, (both in five sets), one each to Millennium, Hamilton and Basha. The Pumas finished the regular season with an invitational tourney first-place finish. Perry is led by senior hitters Ryann Davis and Lexi Keith. The Pumas finished the regular season winning an out-of-state invitational to build momentum.
