WHATABURGER PROUDLY SUPPORTS THE SOLLENBERGER CLASSIC

Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

Chaparral swept the boys' and girls' Division II Swim & Dive championships last year by a wide margin. On the boys' side, the Firebirds outdistanced Catalina Foothills 345.5 to 312 and Arcadia 404 to 266.5 on the girls' side.

Chaparral was moved down from Division I after winning the girls' title in 2014 and 2015 but the same cannot be said on the boys' column with Brophy Prep owning the upper division with 28 championships in a row.

Chaparral will once again have to contend with the always powerful squads from Catalina Foothills, Salpointe and Arcadia. Not counting relays, the Firebirds return Matthew Leblanc (100 Breast) and Catalina Foothills returns Sam Mulay (200 IM). The Firebirds graduated seven medalists from last year, but the team is loaded with freshmen who will make a difference.

Going down the event order on the boys' side, Chaparral is favored to take the 200 Medley Relay but Catalina Foothills standout Scott Pekarske will be in a tough race with Max Weed of Shadow Ridge in the 200 Free.

Leblanc is favored in the 200 IM but that's a crowded field with seeding ranging from 1:57.28 to 1:57.72 in the top three. Prescott's Harris Temple is expected to battle for the 50 Free and the 100 Free while Verrado's Jadan Nabor and Canyon del Oro junior Wyatt Matson could excite in the 100 Fly.

Weed and Pekarske will go at each other again in the 500 Free and Chaparral is favored in the 200 Free Relay. Nabor returns for the 100 Back and Leblanc is favored in the 100 Breast and the Firebirds are favored again in the 400 Free Relay

The girls' side also has plenty of noise expected from Chaparral starting with the 200 Medley Relay and the 200 Free where Chaparral freshman Ashley Strouse is favored. Arcadia junior Sydney Carlson is seeded high in the 200 IM and her junior teammate Isabella Fratesi is tops in the 50 Free.

Chaparral freshman Samantha Krew is favored in the 100 Fly and the 100 Free while Strouse will return for the 500 Free. The Firebirds are favored to take the 200 Free Relay with freshman Greer Patterson favored in the 100 Back. Another Chaparral freshman, Riley Courtney, is favored in the 100 Breast and her squad is favored in the 400 Free Relay.
