WHATABURGER. PROUDLY SUPPORTS THE SOLLENBERGER CLASSIC

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championship. It is our pleasure to be able to bring you a fantastic event.

It took a great deal of hard work to reach this point. The AIA recognizes the strength it took to get here, as well as the sacrifices made along the way. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete. State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

The AIA began in 1913 and has grown by leaps and bounds over the years. Along with the Executive Board, the AIA vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, nearly 125,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis.

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance. The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

Division I State Track & Field

Boys Team Title a Two-Team Race; No Stopping Chandler Girls

Chandler's Jai Gruenwald won three events last year helping Lady Wolves win the D-I state title (photo by Mike Martinez).

**By Les Willsey
azpreps365.com**

Spring has frequently been a busy and prosperous time for Chandler High track and field -- boys and girls. The 2018 Division I state meet should be no exception in one case and a battle again in the other.

State is upon us this week with Division I and contesting prelims and some finals on Wednesday May 2 and the remaining finals on Saturday May 5, also at MCC.

Team titles have been dominated this decade by Chandler High. The girls have won two in a row, seven of eight this decade and 11 of the last 12. The boys have won two straight and four of eight this decade. Last year Chandler's girls bested runner-up Desert Vista by 106 points and Chandler's boys went down to the wire to edge Desert Vista by two points.

Expect Chandler's girls to win handily again, but Desert Vista is likely to push Chandler for the top spot and may have what it takes to win this time.

As for individual events, here's some of the top athletes to keep an eye on this week, starting with returning event champions:

BOYS DEFENDING CHAMPION: There's only one male ath-

lete who won an individual event that's back to go for a repeat. Cibola distance runner Thomas Cain, who won the 3,200 meters last year.

ATHLETES TO WATCH: The 110 high hurdles and 300 intermediate hurdles feature two guys from the same region -- Red Mountain senior Johnie Talamantes and Westwood senior James Smith. Smith was third in his best event last year -- the 300. Talamantes has the best time to date in the 110 (13.88) while Smith has run 36.58 in the 300. Talamantes isn't just a hurdler. He's posted the best qualifying mark in the long jump and is a contender for the top spot in the triple jump. A name that is omnipresent near the top in the distances is this year's state cross country champ from Highland, sophomore Leo Daschbach. Daschbach owns the top qualifying time in the 800 and 1,600. The top qualifier in the 3,200 is Brophy Prep's Drew Burns. In the sprints the top 100 times have been turned in by Cesar Chavez's Chris Russell, Corona del Sol's Adam Knuff and Pinnacle's Quinton Powell. Though lacking the top times, Chandler's Ta'Mir Waters and Jaheim Brown-Taylor and Red Mountain's David Eppinger could make some noise in the 100 and 200. The throws are likely owned by Desert Vista. Senior Deshon Toney placed last year in the shot and discus and has plans for medalist honors this time. He has the best throw of the season in D-I by far and is surrounded by teammates for the top spot in the discus. Thunder senior Marcus Figueroa has three to five feet on three of his brethren. The top qualifier in the high jump is Hamilton's Malik Wihtaker (6-6) and Pinnacle's Jaylen Coleman in the triple jump (46-11). New to scoring this year is the javelin and the top mark belongs to Desert Vista's Kevin Fairchild.

GIRLS DEFENDING CHAMPIONS: There are several. Leading the way is Chandler senior Jai Gruenwald, who won the 100 high hurdles, 300 low hurdles and long jump last year. Gruenwald is a three-time state long jump champ. Junior teammate Morgan Foster, who has returned to competition after a horrific car accident on New Year's Day, won the 800 and 1,600 in 2017. Foster has a new teammate who claimed the top spot last year in the 3,200 -- senior Haley Wolf. Wolf, the reigning D-I state cross country champ, transferred from Desert Vista after the cross country season. Hamilton senior Morgan Parzych took top honors in the 400 last year. Millennium junior Alaina Diggs won shot put and Highland junior Cierra Tidwell ruled the high jump.

ATHLETES TO WATCH: Certainly Gruenwald, Wolf and Foster top the list, but there are others. In the sprints, Tucson senior Neysia Howard, Valley Vista senior Dorian Nesby and Chandler' sophomore Armani Harris and Chandler senior Zaire Chest are contenders with Parzych also in that mix. Desert Vista junior Sevanna Hanson was runner-up last year in the pole vault and is the top qualifier this year. The top four qualifiers in the long jump are from Chandler and Desert Vista. Leading the mix is Chandler senior Diamond Black along with Gruenwald, who was third in the long jump last year to go along with her three golds. Desert Vista seniors Jillian Lombardi and Jenna Figueroa are among that group. Chandler's Samantha Pond owns the top marks entering state in the shot and discus. Again the javelin is a scoring event and the top two marks belong to Kofa's Keily Sharp and Dobson's Brooke Stratman.

North Canyon's Jady Mays (photo courtesy of North Canyon High School)

By Andy Morales
azpreps365.com

North Canyon swept the Division II state championships last year, 53.5 to 43 over Canyon del Oro on the boy's side, and 75-74 over Cactus Shadows in girl's competition and the Rattlers return to state competition with most of their top performers in action.

Sophomore sensation Jady Mays won the 100 meter (11.88), the 200 meter (24.54) and the long jump (19.01-75) last year and she is back this spring with the top D-II recorded time in the 100 (11.72) and the 200 (23.75). Her jump of 19-1 in March is still the best mark of the spring season. Mays was also the second leg of the state-champion 4x400 relay team with a time of 3:55.59.

The North Canyon 4x100, 4x400 and 4x800 relay teams will all enter the 2018 state finals with the best times in the state.

Junior Makyah Richard (2:16.77) took second in the 800 meter run last year and her sophomore teammate Dominique Mustin (2:16.99) was right behind in third place. This year, Mustin has the best time in D-II (2:13.99) and Richard is right

there (2:15.05). Mustin took the start in the championship 4x100 relay team and Richard joined her on the 4x800 relay championship team.

Senior sprinter Tyrees Moulton won the 200 (22.06), the 400 (47.49) and he anchored the 4x400 state championship relay team for North Canyon. He also took second in the 100 (11:15). The Miami commit has the state's best time 400 (48.67) this spring.

In all, 15 individual races or events will be wide open in D-II with new champions ready to be crowned due to graduation and only three of those open spots are on the girl's side. That means plenty of returning champions in girl's competition and lots of opportunities in the boy's races and events.

The list of returning champions in girl's competition besides those listed above includes Liberty senior Asiah Fields (400), Chaparral junior Abi Archer (1600 and 3200), Kellis senior Jae'Nisa Heckstall (100 and 300 hurdles), Queen Creek senior Alexis Jones (Shot Put), Cactus Shadows junior Kelby Kuo (Discus) and Cactus Shadows sophomore Gabriela Marchica (High Jump). Cactus Shadows senior Kaley Dodd leads D-II in the javelin with a throw of 117-2.

Queen Creek senior Kevon Jackson won the 100 last year and other returning boys include Shadow Ridge senior Kyle Kerr (800) and Desert Edge senior Tyson Jones (Shot Put). Marcos de Niza senior Carlan Naisant has the best mark in the javelin at 204 feet.

In addition to the athletes mentioned above, the following athletes are expected to finish high and challenge for a spot on the medal stand at the D-II state championships based on performances this past spring:

Queen Creek junior Myreanna Bebe (100 Hurdles), Arcadia junior Makiya Moore (Discus), Catalina Foothills senior Aleks Stawicka (Pole Vault), Gila Ridge senior Mia Corners (Triple Jump), McClintock senior Stacey Boyd (100), Maricopa senior Frank Jones (200), Sahuaro junior Trayvion White Austin (200), North Canyon senior Tanner Hagstrom (800), Desert Edge senior Joel Mendez (1600), Gila Ridge senior Daniel Marquez (3200), Cienega senior Jamarye Joiner (110 Hurdles and Long Jump), Cactus Shadows senior Michael Marchica (300 Hurdles), Desert Edge senior Tyson Jones (Shot Put and Discus), Sunnyslope senior William McMurry (Pole Vault) and Cholla senior Marquis Griffin (Long Jump).

Saguaro's multi-talented Kelee Ringo (photo by Mark Jones of maxpreps.com)

By Jose Garcia
azpreps365.com

Kelee (pronounced key-lee) Ringo lined up at wide receiver during a drill Monday, the opening of spring football.

The pass to Ringo was slightly overthrown and out of Ringo's reach. He did, however, look out of his element running the route, prompting the assistant coach running the drill to jokingly say, "That's why you are a DB (defensive back), Ringo."

And a darn good one at that, supposedly the nation's No. 1 DB in the 2020 senior class.

Spring football might be jumping out of the gate, but Ringo is also concentrating on other starting blocks. He is the heavy favorite to win two Division III state sprints this week and help Saguaro win its first ever boys track and field title.

The first on-the-field impression of Ringo is that he's

ultra-quick and strong. Off the field, his million-watt smile and friendliness likely helped him make friends immediately at Saguaro after transferring from Tacoma, Wash.

He might not look it, because he's powerfully built, but Ringo is only 15. His high school track coach, Christian Bailey, believes Ringo can compete in the Olympic trials by his senior season.

The last Arizona high school male athlete to likely do that was South Mountain's Dwayne Johnson, the state's 200-meter record holder at 20.22, in 1976.

But Bailey was thinking of another Olympic medalist while he was talking about Ringo.

"Size. Strength. The comparison to size and strength is Usain Bolt," he said. "And you go, 'Oh my gosh. Why are you comparing those two?'" And the reason why is, Kelee is (6-2, 192). The kid is huge. Every time I look at him I'm like, 'You look like you're 35 years old.'"

Ringo didn't take long to set new school records in the 100 (10.66) and 200 (21.44) at Saguaro. Both of his times lead the state this season regardless of division.

And according to 247Sports, Ringo is the No. 1 cornerback and No. 6 overall recruit in his class.

Bolt? No. 1 recruit?

That's heady stuff, but he's not walking around with his head in the air. The cheerful sophomore sounded equally excited while talking about a couple of battles he and his mom won on the video game Fortnite and jamming receivers at the line during a recent interview.

azpreps365 caught up with Ringo just before the first spring practice for Saguaro. He'll practice with the football team only once before focusing solely on the track championships.

Q&A with Ringo

So have you been catching up on your rest during the teacher walkout?: "The bad thing is that we might have to come back at the end of the year and make up the days. We still have to be at school to lift weights in the morning. We get some down time in the middle of the day and then come back for spring practice."

Are you a big Fortnite fan?: "Yes, sir. I like Fortnite. I play it a lot.

"After I started playing Fortnite, my mom (Tralee) actually started liking it. Like she knows everything about it. She just can't control it. Some times she'll say, 'Let me play.' I'll be controlling everything and she'll tell me what to do. We've actually gotten a few 'Ws' (wins)."

It sounds like you and your mom are close?: "I love my mom a lot. She does everything for me. Our relationship has grown a lot more. For the past years of my life I was in Washington, living with my grandma. For me to

come up here (Arizona) was a really a good thing for our relationship.”

Talk about your freshman year at Bellarmine Prep in Tacoma, Wash. You did so much in just one year, finishing third at state and setting a school record in the 100 (10.58): “I liked Bellarmine a lot. It was very welcoming. Everything is really good. Being the younger guy, I was actually running faster than the older guys. The competition was really good. I liked the academics also. It pushed me a lot and helped me prepare me for (Saguaro).”

Any nerves heading into the Arizona track and field championships?: “No. Not at all. I just have to stay calm and collected. Everybody expects me to run a fast time. I’m just going to come out and show them why I have the hype that I have right now.”

Take us through your 100 and what’s you’ve been working on: “I’ve been working mainly on my start, my first three steps. The shorter, quicker guys get out a few steps in front of me. But at 60 meters that’s when I’m almost reaching my top speed. For the faster, shorter guys, when they get to 30 meters, that’s when I usually catch them.”

How about the 200: “I sprint the whole thing. A lot of people ask me if I sprint the whole thing, because a lot of people aren’t able to. Right from the start I get out on the curb. Honestly, my mentality is to go catch people in front of me on the curb. For example, if I’m in Lane 4, I want to

catch (the person in) Lane 6. After that, I fee like I’m in a good position, so I can just cruise through the rest. The second 100 is pretty hard. After the first 100, I’m just cruising. I just try to keep my form so I don’t die in the last 25 meters.”

Your 4 by 100 team (Ringo, Connor Soelle, William Shaffer, Seth Robinson) is currently ranked 4th in D-III. What’s it going to take to win state?: “We are still working on our hands offs. Early in the year we had a few changes with our people. But we are working on that right now. We are hopefully going to try and come out with the win.”

When you learned that you were named the No. 1 cornerback in the nation, where were you at? What did you think?: “I was actually in Washington on Spring Break. My reaction was I couldn’t believe it. It was really good. It was really exciting. It’s motivation to keep pushing myself, to keep myself above others and be able to separate myself. That’s the main thing.”

Did your mom and dad play sports? (Ringo’s dad is in the Navy and lives in Virginia): “My mom was a triple jump champ in high school. My dad is one of those guys who are really short but really fast.”

After interviewing you for the first time, you seem like a very open and friendly person.: “Yes, sir. I’m not hiding from nothing.”

It's up for debate what Pima High's Jessica Sherwood loves more.

Competing or eating.

What's easier to establish with Sherwood is that in Division IV she's ranked No. 1 in the 100 meters.

And the 200.

And the 400.

And the 100 hurdles.

And her 4 by 100 relay team is also ranked No. 1.

No wonder Sherwood's appetite is big. She's constantly burning calories, and that's just on the track.

Sherwood is an excellent volleyball player and is also training with her future college volleyball team at Eastern Arizona College. She also mixes in club volleyball games.

Sherwood is literally hard to catch up to on and off the track, but the plateful of sporting activities hasn't slowed her down. She'll soon get a break, however, after the state meet, her last high school event.

But before the senior makes her exit as one of the best athletes to ever attend Pima, she's eyeing first place endings in four state track events before it's all over.

Sherwood won't compete in the 400 since there isn't enough time to participate in five races at state. After the state meet, she'll probably head home and ask her mom, Kim, to prepare her her favorite plate, meat and potatoes.

"Jessica is a super good kid who doesn't push her limits," Kim said.

For competitors, the only side of Sherwood they usually see is her competitive streak.

"Jessica is more feisty," Kim said. "She wants to win. This year it really came out. Not in a mean way. She just wanted to be a force to be reckoned with."

Mission accomplished.

Sherwood hasn't lost a race in any event, including her relay team, to a 1A competitor this season.

With six siblings and a world championship roper as her father, you don't have to go far to learn who helped sharpen Sherwood's competitiveness.

Her father, Matt, is a two-time world champion roper, winning his last title in 2008 in front of more than 17,800 fans in Las Vegas. But the Sherwood talent line doesn't end with her or her father.

When she started high school, Sherwood was often asked if she was going to be as good as her older sister, Megan Knight, a basketball player. Now they are asking her if her middle school twin sisters, Aubrie and Ashlie, are ready to take the Sherwood sports baton.

Sherwood's brothers Logan and Cody played football at Pima.

"I like to make my family and friends feel proud of me, and I am proud to also represent my school," Sherwood said. "My friends are always asking me if I'm going to win everything today. I just tell them, 'I'm going to try.'"

She hasn't disappointed them so far.

Pima's Jessica Sherwood will be busy at the state meet (photo by the Eastern Arizona Courier).

With her excellent 29-inch vertical, it's easy to see why her favorite track event is the 100 hurdles.

She's only 5-8, but her hops help her hit over blocks on the outside on the volleyball court.

"It (100 hurdles) is more fun than running in a straight line," she said.

Picking volleyball over track as her college sport of choice was the most difficult decision she's had to make as an athlete, she said.

"I love track, but don't think I would in college," Sherwood said. "I think I'll love playing college volleyball more."

If she wanted to, Sherwood could have also become a good heptathlete, her high school coach Cliff Thompson said.

Since Sherwood races in so many events, that can prepare her for heptathlons, but Thompson also believes Sherwood's will gives her an edge.

"It's more of the drive to compete," Thompson said. "She wants to win. That's the big part of it. When it's time to compete and go for it, she definitely has that."

It's not uncommon to see a good athlete competing in different sports and track events at the small school level.

But what is uncommon is seeing somebody win four track events at state.

Last year, Sherwood only completed half of the quadruple attempt, winning the 100 hurdles and 400 and finishing second in the 100 and 200.

Kacy Haynes of Pusch Ridge nipped Sherwood in the premier sprint events last year.

This year, although Sherwood is top-ranked, expect Haynes to once again battle her for sprinting supremacy in 1A.

Sherwood's personal best, 25.23, in the 200 currently is the highest ranked time on athletic.net by a non 5-6A athlete this season.

Her 100 time (12.38) is the best mark by a non 4-6A sprinter.

"Four goals," Sherwood said. "That's all I have at state. Four golds."
