ARIZONA
INTERSCHOLASTIC
ASSOCIATION

Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the "student" in student-athlete.

With the challenges we face this year it is even more important to adhere to guidelines and respect rules that are in place for the safety and well-being of our participants. With your help we can show all those involved with the championships that we can overcome external difficulties by coming together as an AIA community. These championships are only possible because of you.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens.

National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA's inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and "Pursuing Victory With Honor." Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are "building character now ... for the future."

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are "our students, our teams ... our future."

WILL IT BE BROPHY PREP AGAIN IN 6A?

OTHER TOP SEEDS SAN LUIS AND CHAPARRAL ARE LURKING

by Les Willsey, AZPreps365

The two-time defending 6A boys soccer champs - Brophy Prep - had two matches to rebound from after an almost unheard of shellacking by Desert Vista (5-1) as February came to an end. Brophy responded with two shutouts and it appears the Broncos are focused for postseason as they seek a three-peat in the 2021 state tournament that begins on Tuesday.

Brophy has played in seven state title matches in the last 10 years and has won five. Current coach Paul Allen can lay claim to two of those plus a runner-up over the last three years.

Brophy is not the top seed this year. The loss to Desert Vista relegated the Broncos to No. 3. Still, it's hard not to make Brophy the favorite. Perhaps San Luis or Chaparral can say otherwise. The Sidewinders are trying to become the first 6A team from outside Maricopa County to capture the title, and the first since Salpointe Catholic in 2004 (split crown with Gilbert) to take it home in the largest school category.

Here are the first-round matchups for March 9, all hosted by the high seed:

#16 Sandra Day Connor (7-4) at No. 1 San Luis (9-0): O'Connor faces a tough task in its matchup with the top seed. The Eagles played three schools who ended up 6A playoff qualifiers and posted a 1-2 mark. The losses were to #2 Chaparral and #3 Brophy. San Luis' schedule was not particularly daunting, but the Sidewinders dominated foes scoring 33 goals and allowing six. Roberto Uribe has a team-high nine goals and assist leaders with five each are Emmanuel Apodaca and Erick Quirate.

#9 Highland (7-4-1) at #8 Desert Vista (8-3): A rematch from a regular-season region war, won by Desert Vista, 4-1. Highland managed to bounce back and win the Central Region title in a tightly contested race, but sports a 1-4-1 record against 6A playoff qualifiers. Desert Vista is 3-2 vs. 6A playoff qualifiers.

#12 Basha (7-5-1) at #5 Chandler (8-2-1): Chandler played better as the season progressed and is 2-2-1 vs. 6A playoff qualifiers. One of those losses was to Basha. The tie was against Brophy. Basha is 2-3-1 vs. 6A playoff qualifiers. The wins were over Chandler and #6 Dobson, losses to Brophy, Highland and Mesa.

#13 Pinnacle (9-4-1) at #4 Tucson (9-1-1): Pinnacle has faced two of the top three teams in the tournament, tying Chaparral and losing to Brophy. The Pioneers beat Highland and lost to SDO, its other 6A playoff qualifier foes. Tucson didn't get to play many 6A opponents - three - and was 2-1. It beat Southern Arizona rival Rincon for its best 6A triumph.

#14 Desert Ridge (8-3-2) at #3 Brophy (11-1-1): Desert Ridge's marquee win was over Desert Vista -- Brophy's conqueror - and it also earned a tie with Highland. The Jaguars' best matches came early in the season. Brophy thrives on defense and ball control and it's resulted in eight matches without allowing a goal (seven wins and the other a tie). Brophy's scoring and point leader is Charlie Cobb with 39 -- 12 goals, 15 assists.

#11 Cibola (6-4) at #6 Dobson (9-1-1): Cibola played most of its games tight to the vest. Five of its 10 were 1-0 finals - 3-2 record in those. For the season the Raiders scored 11 goals and surrendered 11 goals. Top victory was over #5 Chandler. Dobson was a perfect 5-0 in region claiming the East Valley Region crown. Dobson lost in the opening round of state last year to San Luis so chance at redemption against a Yuma district school.

#10 Mesa (10-2-1) at #7 Rincon/University (10-3): Mesa posted a 2-1 mark against 6A playoff qualifiers, but hasn't faced a playoff team since Feb. 4. It beat Basha and Red Mountain, but lost to Dobson. Most the of the Jackrabbits' matches (nine of 13) have finished with three goals or less combined. Rincon played only two 6A opponents - losing to #4 Tucson and beating Queen Creek. Both schools are mentored by veteran coaches - Mesa's T.J. Hagen and Rincon's Roxanne Taylor.

#15 Red Mountain (6-6-1) at #2 Chaparral (9-0-1): This matchup features a quick turnaround. They met the final game of the regular season on March 3 with Chaparral winning, 2-0. Red Mountain has been tested by playoff qualifiers, posting a 1-4-1 record with a win over Desert Vista, losses to Chaparral, Chandler, Dobson, Mesa and a tie vs. Basha. Chaparral is 3-0-1 vs. playoff qualifiers and seeks a return to the title game for a title rather than runner-up finish from a year ago. The Firebirds have allowed only nine goals.

ANYONE'S TITLE FOR GRABS AS COVID ALTERS SCHOOLS' PLANS

by Andy Morales, AZPreps365

Making the state playoffs got a bit tighter with no play-in tournament at the 5A level and fewer matches due to COVID restrictions but we were still able to determine the top 16 teams from Lake Havasu to Nogales.

Carl Hayden upset Sunnyside 3-0 last year to win the 5A state championship but the Falcons were unable to defend their title with the Phoenix Union High School District canceling the winter season for all high schools in the district. The Blue Devils return to take another shot at the state championship but the team is considered an underdog this year with an 11-3 record and a No. 10 ranking.

Camelback also fell under the cancellation rule from Phoenix Union.

Sunrise Mountain (8-3) and Ironwood (8-1) were semifinalists last year but the Mustangs come in ranked No. 11 this year instead of No. 4 but the Eagles moved down slightly from No. 2 to No. 3.

Besides Carl Hayden, Cholla will not be in the 5A state playoffs because the program moved to the 4A level where the Chargers are ranked No. 8. Also, Desert Mountain, Kellis, Cactus Shadows and North Canyon failed to reach a high enough ranking to make the playoffs again. That means only nine of the 16 teams in the 5A playoffs are making a return from 2020.

Let's take a brief look at the teams:

No. 1 Casteel (12-1) vs. No. 16 Lake Havasu (5-5)

Casteel jumped from No. 8 last year to the top seed this winter. The Colts won the San Tan Region with a perfect 4-0 record but the only loss on their record came against No. 2 Independence at home on March 2. That 3-1 setback could result in a rematch in the state final. Jr. Forward Ethan Calimpong leads Casteel with 15 goals and Sr. midfielder Kaden Cameron has 8 to go along with a team-best 10 assists. Sr. F Ryan Sainz has 8 assists. SO. GK Kyan Cameron collected 38 saves. The Knights took the last seed and the program is led by Jr. Jesse Dominguez with 7 goals and Jr. Anthony Reyes with 5. Sr. GK Victor Rueda had 18 saves. Lake Havasu finished in the 4A semifinals last year.

No. 2 Independence (11-1) vs. No. 15 Horizon (6-5-1)

Independence won the Central Region with a 3-1 record and that 2-1 loss came at home against No. 9 Glendale. The Patriots jumped from No. 14 last year to the second seed this year. The team fell to Carl Hayden in the quarterfinal round last year but the higher seeding this winter could lead to a cleaner path to the state final. Sr. MF Moises Arciga leads Independence with 8 goals while Sr. F Bryan Barraza, So. MF Michael Torres and Sr. MF Carlos Uriarte have 7 each. Sr. GK Joshua Aguilar has 36 saves. The Huskies are led by Sr. F Pedro Beyer with 12 goals and Jr. GK Tanner Whitt has 42 saves.

No. 3 Ironwood (8-1) vs. No. 14 Gilbert (5-5-1)

The Eagles took second in the Northwest Region due to a loss to No. 5 Gila Ridge at home in late January. Sr. F Adrian Sanchez leads the Eagles with 17 goals and Sr. MF Charlie Wingfield has 7. Sr. GK Ethan Shreeve has 22 saves and Jr. GK Jake Cunningham has 16. Ironwood beat Gilbert 3-2 to end the regular season on March 2 at home and the rematch might be something the Tigers are looking forward to. The Tigers feature Sr. GK Ilya Uvaydov who is known for his long kicks on the football team. He is one of five seniors on the squad along with MF Adrien Lyon and MF Sebastian Mariscal.

No. 4 Paradise Valley (12-1) vs. No. 13 Verrado (9-3)

The Trojans won the Northeast Valley with a perfect 5-0 region record but the one loss came at Sunnyslope. The Vikings finished the year ranked No. 19. Sr. F Anders Olson has 9 goals, Jr. MF

Kadin Metzner has 8 and Jr. Hiram Leon has 7. Sr. GK Angel Acosta has 44 saves on the year. The Vipers made the state playoffs after winning a play-in game last year but the team jumped 10 spots this year from No. 23. Verrado sports six seniors. Jr. D Sebastian Vargas and So. MF Benjamin Orozco serve as team captains.

No. 5 Gila Ridge (8-2-1) vs. No. 12 Washington (7-3-1)

Gila Ridge went 5-0 in the Northwest Region but the Hawks also have an 0-3 loss on their record to No. 16 Lake Havasu. That setback came in January and the other loss and tie came against 6A opponents including an 0-2 loss at the top team in the 6A Conference, San Luis. Sr. MF Sam Polk has 4 goals and Sr. F Ruden Martinez has 3. Sr. GK Chris Reyes has 39 saves. The Rams moved up from 4A after winning the state title last year. Jr. MF Martin Luaña has 9 goals and So. GK Jose Alcoser has 39 saves.

No. 6 Campo Verde (11-2-1) vs. No. 11 Sunrise Mountain (8-3)

The Coyotes have two losses on the year including a 4-0 loss at No. 1 Casteel and a 5-1 loss at Sunrise Mountain on March 2. The Mustangs are hoping for a repeat in the first round only one week later. Sr. F Jorge Chavez leads Campo Verde with 19 goals and Jr. MF Camden Boardman has 7. Jr. GK Talon Clark has 67 saves. The Mustangs have losses to Gila Ridge, Ironwood and Horizon. Jr. Bryce Grozier has 10 goals and Jr. Matthew Prior has 9.

No. 7 McClintock (9-3) vs. No. 10 Sunnyside (11-3)

McClintock jumped from No. 20 in 2020 to No. 7 in 2021 after finishing 4-1 in the Northeast Valley Region. All three regular season losses came to playoff teams Gilbert, Paradise Valley and Ironwood and things will not get any easier with Sunnyside on deck in the first round of the state playoffs. The Blue Devils took second last year after winning it all the year before. Sr. striker Miguel Sosa has 13 goals for Sunnyside and Sr. MF Joaquin Escalante has 11. So. GK Jorge Arvayo has 36 saves.

No. 8 Nogales (9-2) vs. No. 9 Glendale (8-2-1)

The Apaches lost in the play-in round last year but a No. 8 ranking has the team hosting this year. The Cardinals also lost in the play-in tournament. Nogales only has two losses on the year. One was to 6A Rincon/University and the other to 4A power Walden Grove. The Cardinals ended their regular season with two losses, playoff teams McClintock and Washington.

Sunnyside is looking to make it three championship games in a row if leading scorer Miguel Sosa (13) can keep it up. (Andy Morales photo/AZPreps365)

TOP 4A SEED SALPOINTE SEEKS SECOND TITLE IN THREE YEARS TITLE VICTIM PRESCOTT, NEMESIS CORTEZ READY TO POUNCE

by George Werner, AZPreps365

If Prescott High School looks to attain “best in school history” status, maintain its undefeated status and reverse its status as 4A Conference boys soccer bridesmaids, it must somehow manage the mastery of the Mozart at midfield.

Not Wolfgang Amadeus, but Wolfgang Weber.

The head coach of top-ranked Salpointe Catholic High School, in a 38-year tenure longer than the entire life span of the prodigal composer, is poised to win an unprecedented 700th game and eighth title beginning Tuesday, March 9, at 6 p.m. when the first round of the 4A Conference tournament opens.

“Salpointe is always a team to beat,” said Walden Grove High School head coach Ryan Atkinson, whose Red Wolves, despite being shut out by Salpointe, are the third seed and open against another Prescott rival, No. 14 seed Lee Williams. “They always have talent and have an intelligent coach who knows the game very well.”

Two seasons after the Lancers’ second-half goal edged the Badgers, 2-1, for the 2019 4A championship, once-tied and unbeaten Salpointe and second-seeded Prescott are once again the pick of the power rankings to meet for the boys soccer title.

While these familiar powers are the tournament favorites, they are surrounded by familiar threats.

Cortez High School, for instance. The 4A runner-up in 2018, the Colts have sent Salpointe home twice since 2017, including a first-round shocker of the second-seeded Lancers last season, is back as a No. 10 seed.

The Colts’ first-round opponent is No. 7 Flagstaff, Prescott’s chief Grand Canyon Region rival that was also Salpointe’s semifinal victim in the 2019 title run. The Eagles and Badgers would face off in the second round at Prescott if both teams win their first-round games.

“There will be a lot of very deserving teams and players left out of the postseason this year,” said David Sims, head coach at Estrella Foothills High School, whose loss to Lee Williams and scoreless tie with Flagstaff knocked the Wolves out of the postseason. “Although the Northern Arizona schools have always shown to be tough.”

Plus, a possible second-round matchup could face the Lancers with No. 9 Coronado High School, which edged Salpointe on penalty kicks for the 2017 title. But the Dons would have to upset eighth-seeded Cholla, runner-up to Salpointe in the Kino Region, first.

The Scottsdale team that Gila Region champ Walden Grove knocked out of the first round on penalty kicks last season, Saguaro, is back as the fourth seed.

Notre Dame Prep, which bounced the Lancers out of the postseason seven years ago in the first round, has just one loss in 2021. The Saints open against Canyon Del Oro, the first of five shutout victims of Salpointe, as a No. 5 seed.

Another regional rival to Prescott from northwest Arizona, 11th-seeded Mohave High School, travels from Bullhead City to No. 6 seed Tempe—which also lost for just the second time in 2021 by getting shut out at Coronado.

So all the postseason contenders for the 4A state boys soccer title have tested each other, and very recently. Here is how they match up in the first round then, potentially, for the next two weeks up to the championship game Saturday, March 20, at 4:30 p.m., including overall and region records:

No. 1 Salpointe Catholic (10-0-1, 4-0) vs. No. 16 Thunderbird (6-4, 5-2)

The Lancers are never remiss to play the biggest and the best, as evidenced by the only blemish on their record: a 1-1 tie with 6A title contender Tucson. That confidence as a program originates from its head coach, Weber, and resounds through its seven-time champion history, but really continues to dominate Southern Arizona boys soccer through its depth.

Salpointe brings 25 active players into its opening-round matchup with No. 16 Thunderbird. The Chiefs, for perspective, have a 19-player roster, but half of those players are new to the varsity.

Such an element of surprise could work to Thunderbird’s advantage, as the Chiefs are the Lancers’ first opponent outside Pima County this season and have few game statistics on the new players from which to scout. Senior goalie David De Haro holds the goal line, with 158 saves his junior year, in which he was all-4A second team as the Chiefs’ only goalkeeper. Senior Luis Carlos Vega was one of Thunderbird’s leading returning goal-scorers this season but was moved to defense by sixth-year head coach Kirk Mearig this past season.

Who they will be operating against, however, is an efficient machine under Weber that scored 37 goals in 11 games this winter, led by senior Fernando Garate. The ostensible defender, first-team all-conference at the position in the championship season of 2019, is also the Lancers’ leading goal-scorer, with 13 out of 22 shots, including four game-winners. He scored seven more goals than any of his Lancers teammates, three of whom each scored more than any of Thunderbird’s top returners on offense. These include senior all-Kino Region forward Nick Hanus, who, along with junior Sergio Ruiz de Chavez, combined to score 11 of their 22 shots on goal.

No. 2 Prescott (11-0, 6-0) vs. No. 15 American Leadership Academy - Queen Creek (7-3, 3-1)

Although Badgers head coach Philip Reid has resurrected the Prescott boys soccer program over the past four seasons, his first undefeated team has struggled to find offense in spots this winter. Coming through in the clutch have been junior Frank Castro and senior Brayden Nelson. The all-conference performers from last season have combined for 12 goals—including five game-winners—and seven assists in 2021.

Along with discipline in the Badger offensive attack, Reid preaches composure and getting first to the ball on defense, where Max Day has been on the spot. Fellow senior Aldo Munoz and junior Edgar Martinez have supported Castro and Nelson well in the other two facets. Munoz, second-team all-Grand Canyon Region as a junior, combined with Martinez for eight goals on six assists. Fending off attacks on goal from every angle have been seniors Lance Scalabrino and Azra Twombly-Ellis, who allowed just eight goals in the Badgers’ 11 games, including three shutouts.

At the original American Leadership Academy campus in Queen Creek, second-year head coach Ed Alameda has kept the Patriots at a one-loss pace in region play since moving up from 3A last season. Alameda’s strength offensively has been junior striker Noah Lawson, whose seven goals this season has amounted to a team-leading 15 during Alameda’s tenure. Not too far behind is senior fullback Diego Vigil, who was second-team all-3A Conference as a junior with a team-leading 11 goals. With only three goals this season, Vigil toned down that production to focus more on defense, where he is tied for third on the team with 20 steals.

Prescott is trending upward and hopes to make its second-ever title game appearance. (Prescott soccer photo)

No. 3 Walden Grove (7-2, 2-0) vs. No. 14 Lee Williams (8-4, 2-4)

Although Atkinson’s Red Wolves are mourning the toll COVID-19 exacted on the program, he points to a Feb. 23 win over No. 12 Canyon Del Oro, followed by a shutout at Nogales four days later, as the confidence booster that helped him realize his team’s solid postseason potential. All-Gila Region first-team forward Jacob Garcia contributed a goal prior to his game-winner at Nogales. But it was fellow senior Javier Iriarte who had two goals and an assist to fire the second-half rally for the win Feb. 23. Freshman Mauro Tovar, third on the team in goals scored, has only missed one shot all season and added an important score against the Dorados. Junior goalkeeper Ethan Itule, named to the all-region second team last season along with Iriarte, played all but one minute of both games in goal, recording 11 combined saves as the Red Wolves went on to win the region.

Firing the upset-minded spirit of Lee Williams is senior Gabriel Otero, a second-team all-conference midfielder last season who has scored more than 40 goals in his high school career. That production was enough to edge Dysart by two goals in overtime, keeping the Volunteers in the postseason after two consecutive losses. It's something fourth-year head coach Mike Bertelsbeck hopes to see a lot more of against the Red Wolves, along with a fourth shutout this season from senior Jaden Messersmith in goal. They will definitely require the kind of defense that made junior Michael Goodgion a second-team all-Grand Canyon Region performer as a sophomore, as well as more support from senior Leonardo Leon and junior Justin Wright, all-region honorable mentions who have teamed up for 8 goals and 4 assists this winter.

No. 4 Saguario (10-1-1, 4-0) vs. No. 13 Buckeye Union (10-2, 4-0)

The tournament resumes of these two region champions suggest a much closer first-round matchup than their seeding. Saguario swept through its Desert Sky Region games, its only loss coming just up the road in Scottsdale, 1-0 at No. 5 seed Notre Dame Prep. Besides a late-season 3-2 loss at Prescott, Buckeye's only setback was another 3-2 loss, at Southwest Region rival Dysart, in the Hawks' third game.

As has been the case all season, Aaron Parkinson was the scoring difference in the 2-1 win over Estrella Foothills. The senior midfielder has racked up 14 goals, 9 assists and 7 steals picking up the slack for graduated Region Player of the Year Kevin Gutierrez. Despite missing a win over Paradise Honors High School, sophomore forward Alfonso Maldonado has averaged nearly a goal a game the rest of the schedule. Besides that 1-2 offensive punch, the Hawks rely on a theft-minded defense. Three players have totaled double figures in steals this season, led by senior Isaac Acevedo's 18.

However, if the Sabercats can get shots on goal, they can test the youth of Orlando Pineda. The freshman has 39 saves this winter, four more than his counterpart in goal, Sabercats junior Cooper Gilbreath. But Gilbreath, head coach Nagui Sabbagh's iron man in goal, has one more shutout--five--than Pineda. Plus, Gilbreath has had more support from an offense that, although not featuring a player as individually prolific as Parkinson, has had three more players score 14 more goals than Buckeye.

Buckeye Union has made a huge turnaround after finishing last season ranked 45th in 4A. (Buckeye Union soccer photo)

No. 5 Notre Dame Prep (10-1, 4-1) vs. No. 12 Canyon del Oro (7-3, 3-2)

The Saints have scored 48 goals on their 11 opponents this season, including seven shutouts. Junior Brock Narveson and backup goalkeeper, senior Andrew Kimerling, have only allowed six goals past them. Senior striker Liam McSherry, the only Saint to have played in every game this season, is the top goal-scorer in the conference with 20, and fourth in 4A with 8 assists. Senior Brad Semro has five goals to go with seven assists, while senior Neil Dessables added seven goals this season, also from his midfielder position.

Yet one solitary game slipped by the Scottsdale school--5A Northeast Valley Region contenders last season--from an undefeated season, top-three seed, and automatic bid as champions of its geographically unrepresentative West Valley Region into a sleeper fifth seed in a 3-2 loss to Deer Valley.

A team playing its first game outside Pima County is the No. 12 Canyon del Oro Dorados. It portends to be an interesting matchup with the dynamic Dorado duo of Brandon and Gabriel Sanchez, junior midfielders who combine to lead 4A with 27 goals and 19 assists. Although the edge offensively is negligible, Brandon Sanchez enjoys a sizeable one on his brother defensively with 21 more steals--although the two Sanchezes combined for a whopping 85 in the category in just 10 games. Junior Ayden Canez contributed 31 more steals by himself, but after that, a path to the goal can be found for the Saints, where they will face a rotation of sophomore starter Hayden Ayers and part-timer Chase Kasmar, a junior.

No. 6 Tempe (8-2, 5-0) vs. No. 11 Mohave (7-3, 4-2)

After winning the first five games of its schedule, the Tempe Buffaloes settled into a sleeper sixth seed on their way to a Skyline Region title, their two losses coming to 5A top 8 seed McClintock and at Coronado, their only shutout. Senior goalkeeper Gabriel Vargas had 10 saves against the Dons but would end up posting shutouts of five other opponents. Although unheralded, Vargas' work will be vital to Cihomsky's hopes of getting past the first round and upsetting a higher-ranked opponent, like the Buffaloes did in their State opener last season. But for Tempe to take down a Walden Grove or Prescott, it will need more from striker Johan Garnica, among the top five in the conference in goals with 12.

Mohave enters the playoffs on a serious roll, having won seven of its past eight games since starting the season with back-to-back losses to Prescott and Flagstaff. Its offense continues to be powered by senior forward Hayden Allen and junior midfielder Logan Burgess, both first-team all-Grand Canyon Region selections in 2020. For the Thunderbirds to pull a first-round upset of their own, however, will require more from forwards Paul Bustamante, second-team all-region as a sophomore, and Roberto Perez, a freshman and all-region honorable mention.

No. 7 Flagstaff (10-3-1, 5-1) vs. No. 10 Cortez (8-4-1, 3-1)

In Jose Corona's two decades as head boys soccer coach at Cortez High School, the Colts have been full of surprises, including back-to-back state titles in 2012 and 2013. Surprises don't come much bigger, however, than the Colts going to Salpointe last season as a No. 15 seed and beating Wolfgang Weber's second-seeded Lancers 2-1 in the first round. So it doesn't matter that Flagstaff is the higher seed, the host, or even that it beat Cortez already at home, 2-1 on Feb. 19. It doesn't matter that the Colts' only win since then was Senior Night, over Cactus High School, 5-0.

The Eagles should be on full alert for the 10th-seeded Colts, who return 15 players from that team that would take West Valley region champion Lake Havasu to overtime in the second round before falling, 3-2. Players like defender Keven Cruz, a second-team all-Black Canyon Region selection last year and one of four seniors on the Colts roster, along with Basil Ibrahim, Sahid Valle and forward-fullback swing player Muwaffag Gulfan. Guadarrama's counterpart along the back line has height in six-foot, five-inch sophomore sweeper Emmanuel Bazira, who can see to his counterparts along the Eagles' junior-loaded back line: Adam Batrez, Austen Champagne, Victor Tafoya and Omar Valdez.

No. 8 Cholla (5-4, 1-1) vs. No. 9 Coronado (6-3, 4-0)

Coronado fell to a ninth seed and out of hosting after finishing the regular season with a 4-2 loss at 3A seventh seed Phoenix Country Day School. It was the shock that Dons head coach Artie Velarde hopes will wake up his team, which can boast shutouts of Tempe and Cortez. Not to mention, never having lost a regional game since 2018, when the Dons dropped down from the Black Canyon to spend two seasons in the 3A Conference's Metro West Region.

Coronado roared back to win all four of its Black Canyon Region games this season on the strength of its eight seniors, including midfielder Aron Gordillo, defender Cesar Santoyo and six-footer Jason Sanchez. Goalkeeper Jose Rios had five shutouts this season, in which fellow junior Miguel Cano helped outscore the victims 21-0. So Velarde's team has the potential balance and the energy to score a road win at Cholla, which finished second in the Kino Region behind Salpointe after a 5-1 loss their second game.

The Chargers' most significant win came Feb. 12 at Walden Grove, in which Cholla converted three of its eight shots on goal and goalkeeper Jose Felix, honorable mention all-Sonoran Region in the 5A Conference as a junior, only allowed a shot by Mauro Tovar to get by him. In the same senior class as Felix is forward Cristian Gutierrez, who hopes to go out of the postseason on a high note as the focus of the Cholla attack. His 22 goals made him the Sonoran Region's Offensive Player of the Year as a junior.

ALA GILBERT-NORTH DEVELOPING INTO A THREAT

by Jose Garcia, AZPreps365

American Leadership Academy Gilbert-North's identity as a soccer program is emerging.

And it didn't take long for it to happen.

In its third year as an Arizona Interscholastic Association member, the Eagles nabbed a No. 1 state tournament seed. Coach Michael Gonzalez's boys are skilled and prepared for the potential 3A battles that lie ahead.

Gonzalez grew up in Mesa and played for one of Arizona's first high school soccer coaching greats, Dom Scafaria of Mesa Mountain View, where Gonzalez stood out on the pitch. In the 2010s, as an up-and-coming coach, Gonzalez traveled to Barcelona, Spain, a trip that shaped his coaching philosophy.

He went with a youth soccer group from California associated with celebrated world club team, FC Barcelona, to learn FC Barcelona's coaching methodology. What he gained is on display to this day.

Creating multiple goal opportunities by attacking from all sides and creating chaos in the offensive third is at the center of Gilbert-North's strategy. The results and statistics indicate that Gilbert-North possesses the players to carry out Gonzalez's plan.

The program is home to two of the state's leading point getters, Aiden Gonzalez, Gonzalez's son, and Justin Provenzano. The dynamic duo can create and play off each other so that defenses can't focus on just one of them.

Aiden is at times double teamed, but he slips out wide when that happens to open lanes for the deceptively quick Provenzano and assist leader Sam Bellows. The father-son Gonzalez combo along with their team helped put Gilbert-North on the Arizona high school soccer map this season.

"One-on-one, he is good," said Gonzalez about his son.

"Two-on-one, he will still get through. I give him freedom in the attacking third. That's part of the philosophy."

Gilbert-North's schemes and talent helped pave the way for a state-high 80 goals in the regular season.

On defense, the 12-0 team has allowed only 10 goals. Not bad for a team that lost one of the state's best goalkeepers, senior Jonathan Valdez, before the season started. But Valdez's ACL injury didn't keep him from helping coach up his replacement, Roger Mayorga, a sophomore who has stepped up this year.

But losing Valdez isn't the only adversity Gilbert-North has dealt with. In 2019, the Gilbert-North community lost Bohdie Larson, a soccer and track and field athlete who died in a car accident.

To this day, Gonzalez and his boys still honor Larson by saying his name after a huddle.

"Bohdie was a lot of our motivation this year season," Gonzalez said.

Larson would have been a senior this season.

The Eagles have a lot to play for in the tournament. If they plan to reach the March 20 final at Coronado High, they'll run into some tough teams every step of the way.

On its side of the bracket is a young but talented Yuma Catholic team with a coaching staff experienced in reaching the final. There's also a Veritas Prep team with a tall and strong defensive back line that can cause problems.

Last year, Gilbert-North was the No. 3 seed but lost to Yuma Catholic in the first round.

"I think we are ready," Gonzalez said. "Our approach is to take it one game at a time. What happened last year is motivating us this year to keep moving forward."

American Leadership Academy Gilbert-North's Aiden Gonzalez (No. 10) and Justin Provenzano (No. 16) are often the center of attention on the pitch. (Darin Sicurello photo/MaxPreps)

NOTES

Valley Christian: "I believe our success this year has come from our cohesion as a team," coach Ben Jones said. "My players have great chemistry and it keeps moral high on and off the field." The team's leaders are center backs Tony Gomez and Chris Katsaros as well as Mark Lydford and Ben Meiter. "Their dedication to this team along side their ability to dictate play and get the other guys fired up is pivotal in my team's ability to win games," coach said. Goalkeeper Adre Leppert has nine shutouts with only 6 goals against. "I believe he is the best goalie in 3A hands down," Jones said. ... **Veritas Prep** is the defending 3A champ. "With four departing starters and six excellent quality freshmen coming in this year, it was a challenge finding the right position for each player's strength," coach Richard Cardenas said. "I believe we have found that now and are playing our best soccer right before the play-offs. We have six starting seniors this season all of which provide great leadership to the team. (Defender) Landon Briggs has taken the main leadership role this year. As one of the captains, I rely on him heavily to motivate and keep the team focused on defending our state championship title."
