Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work and strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

This past year showed us that by working as one statewide unit for the greater good we can achieve anything. It remains a priority to adhere to guidelines and respect rules that are in place for the safety and well-being of our participants. With your help we can show all those involved that we can overcome external difficulties by coming together as an AIA community. These championships are only possible because of you.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

CAN ANYONE STOP DEFENDING CHAMP MOGOLLON?

By Jose Garcia
AZPreps365.com

Let's state the obvious first.

This is Mogollon's tournament to lose.

All the evidence points toward the Mustangs galloping back to Heber with more championship hardware. The defending champ outscored its nine regular season opponents by a whopping 52 point average this season and ran away from a couple of teams, azpreps365.com's preseason No. 2 Williams and preseason No. 4 St. David, that were also considered contenders.

So it was a bygone conclusion when Mogollon received the No. 1 seed in this year's 1A Conference state bracket and a first round bye. It'll play either Salome or El Capitan in the quarterfinals.

"Mogollon is a tremendous team," St. David coach Braden Davis said. "They're big up front. They're very fast. They're very physical, and they're very well-coached."

St. David was one of only two teams that scored in double figures against Mogollon and the only one to reach the 20-point mark.

Davis' boys actually led right up until halftime.

"We had the lead up there until the last second of the first half, but obviously fell short and they handled us in the second half," Davis said. "But we were thrilled that we got to play them. That loss made us a better, smarter team. They (Mogollon) are the defending state champs and are even better this year, and we just hope to put ourselves in a position where we get another shot against them."

The road to upending the defending champ will be tough, but plenty of good teams—some who have surprised and others who have healed up—will give it their best shot.

Team playoff notes

No. 1 Mogollon: No other football team in the state has probably accomplished as much as Mogollon has in the past 20 years or so. It will attempt to reach the semifinals for the 20th time in the past 23 seasons. "I use a quote from Chuck Noll," said coach Rick Samon, who is in his 23rd season with Mogollon. "If you want to win, do the ordinary things better than anyone else does day in and day out." Samon also credits the weight room and the bevy of three and four-year experience on the team for his undefeated season so far. TE/MLB Fisher Porter, QB Cael Porter and twin brother Malaki Porter, a FB, are the team's heavy/home run hitters. "We feel that we have been blessed to have a team of boys of this caliber," Samon said.

No. 2 St. David: Like Mogollon's coach, St. David's Braden Davis also is well versed in football history. "Our slogan this year is based off a (Vince) Lombardi quote," he said. "The guys on top of the mountain didn't fall there. We've got to conquer the mountain with a lot of hard work." The team also carries a handful of experienced and committed upperclassmen who spent countless hours in the weight room and studying film. 1A's leading rusher Talon Haynie, G/LB Brayden Merrill, WR/LB Jake Goodman, TE/DE Cody Didion, WR/CB Jeremiah Toyota-Gill, and strong man Bobcat Pacheco are the team's frontmen.

No. 4 Mohave Accelerated: Don't let that final regular season loss erase what this program has accomplished under coach Adam Gibson. Gibson took over in 2017 when his program didn't field a team because of lack of players. MALC then went 1-7, 3-6 and 0-6, but Gibson never gave up. He was able to convince some of MALC's basketball talent to give football a try, and leaders such as the state's leading passer, Kelden Holmes, remained committed through the ups and down. The program was rewarded with its first AIA playoff berth and best AIA regular season so far with six wins. "It's awesome," Holmes said. "It has taken a lot of work, blood, sweat and tears."

No. 5 San Manuel: Losing Jr. Mathias Medina's (injury) two-way contributions hurt, but Noah Huerta (27 total TDs), QB Nicolas Velasquez, LB Isaiah Lopez, DB Ralphie Valencia, and DE Jutin Tafoya were among the players who stepped up. But Velasquez wasn't able to play the last two games of the regular season. The talent in the trenches is young but strong.

Mohave Accelerated went from 0-6 last year to 6-1 this season, reaching the AIA's playoffs for the first time.. (Photo by Firaflly Photography)

No. 6 Hayden: John Estrada may have turned in the best coaching job in 1A this season. The program didn't field a team last season during the pandemic, but Estrada worked his magic with the new faces he had this year. Juniors Brandon Garner (8 INTs) and Mory Cruz (45 tackles) "led by example on and off the field." Hayden did lose two key players, seniors Julian Gonzales and Romeo Cruz, to injury, however.

No. 7 Bagdad: Bagdad got off to an uncustomary 1-3 start as the team was without five starters for disciplinary reasons. But the team regrouped and hasn't lost since. WR/DB Cooper Williams, DE Garrett Reeves and lineman Kadyn Mike helped right the ship. "We feel like we will be hitting our stride at the right time," coach Dalton Mills said. "We are ready for the second season."

No. 9 Salome: ATH Fernando Armenta became the team's "emotional leader," and ATH Kevin Castillo has rushed for 700 yards. The team only fields 15 players and are each nursing injuries. But that didn't keep them from handing Mohave Accelerated its only loss this year. "They give so much effort and play so hard," said veteran coach Bryan McCarty about his banged up but spirited team.

No. 10 Lincoln Prep: The third year Chandler program made the AIA playoffs for the first time and also had its first winning season. The team's go-to guys are QB Eli Johns, LB/RB Grady Luce and WR/DE Connor Kreun. Lincoln Prep lost probably its best athlete, CB Michael DeBratto, to an injury but Sr. Josiah Bristol helped "solidify" the secondary. The team's best DL, Luke Kretsch, hasn't played because of a knee injury, but linemen Luke Nielsen, JD Akers and Thomas are "gelling at the right time." Geoffrey Kim and Jackson Dilley are jack of all trades, coach Paul Schubring said.

No. 11 Valley Union: Sophomore Kohan Evans stepped in to play QB this year for a program that won only three games in the last three years. Jace Mitchell, the team's best athlete, broke his hand but kept playing. Tailback Kolby Gilbreth also is playing injured and doing all he can for his team. Defensive ends Will Smith and Luke Essary also stepped up this season, coach Brandon Gilbreth said.

Notes

No. 3 Williams' Drew Logan is second on his team with 70 tackles and is the state's third leading rusher. ... No. 8 El Capitan's Isaiah Bradshaw has rushed for 15 touchdowns. ... No. 12 Tempe Prep's Diego Foster's 231.4 passing yards per game is currently the second best average in 1A this season.
