Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work and strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

This past year showed us that by working as one statewide unit for the greater good we can achieve anything. It remains a priority to adhere to guidelines and respect rules that are in place for the safety and well-being of our participants. With your help we can show all those involved that we can overcome external difficulties by coming together as an AIA community. These championships are only possible because of you.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

NEW LEADERS EMERGE IN 6A BRACKET

By Les Willsey
AZPreps365.com

This might be the year Brophy Prep *doesn't* win the 6A championship. The Broncos have won it three years straight and have played for the championship four years in a row. In those three title years they were the #1 seed twice and #3 in the other. They are the #11 seed this year and needed to win a play-in game to get the chance to defend their title. It seems more likely the 2022 crown lands in Tucson, Ahwatukee or down Yuma way with the glossy records Tucson, Desert Vista and San Luis sport.

Four of the top eight seeds are schools in metro Phoenix and four are in Tucson or Yuma.

The first-round state matches are Feb. 12 at site of the higher seed. Quarterfinals are Feb. 15 at site of higher seed. Semifinals are Feb. 19 at Campo Verde HS. Championship is Feb. 23 at Campo Verde HS.

Here are the play-in game matchups: #24 Red Mountain at #9 Chaparral; #17 Desert Ridge at #16 Dobson; #18 Sunnyslope at #15 Westwood; #21 Alhambra at #12 Mesa; #22 Basha at #11 Brophy; #20 Trevor Browne at #13 Highland; #19 Kofa at #14 Chandler; #23 Maryvale at #10 Perry. The winners advance to the first round of state on Saturday Feb. 12.

Three teams bring perfect power-ranking match records to this year's 6A state tourney - #1 Tucson (13-0), #2 Desert Vista (12-0) and #3 San Luis (11-0). Tucson played one top-10 team (Rincon). Desert Vista played three (Tolleson, Hamilton and Brophy). San Luis knocked off Cibola twice.

The rest of the top-8 seeds, all of which automatically advanced to the tournament without a play-in match, are: Cibola, Rincon/University, Pinnacle, Tolleson and Hamilton.

Here's a capsule look at the top-eight seeds, who play in the first round of state on Saturday Feb. 12:

Tucson: The Badgers are not only perfect in power-ranking matches, but are 18-0 with five invitational-match triumphs. They've allowed 10 goals overall, posted eight shutouts and allowed more than one goal one time. In last year's state tournament Tucson reached the semis where it lost to San Luis.

Desert Vista: The Thunder are 16-1-4 overall. They won the Central Region title. Their only loss was in an invitational to Salpointe. Wins of note in power-ranking matches were over Tolleson, Hamilton and Brophy. Leading scorers are Connor McHale, Micah Vasey and Nolan Billeter. They are perennial playoff qualifiers. The last time they didn't win a playoff game despite qualifying was in 2017.

San Luis: The Sidewinders advanced to a championship game for the second time in school history last year. They finished runner-up for a second time. All they have known is winning seasons since the school opened in the mid-2000's. Coach Jesus Rojas is in his fifth year as head coach and the school has qualified for postseason each year. They've won eight playoff games over the last four years.

Tucson has made one appearance in a state championship game, and that resulted in the 2013-14 title. (Mark Jones photo/MaxPreps)

Tolleson: The Wolverines won a state title - back in 2009 with an undefeated season. They have missed the playoffs just once between 2009 and the present. That was last season (2020-2021) when its school district decided not to compete due to the pandemic. Top scorers this season are Jovanny Lopez and Efrain Solano.

Cibola: The Raiders compiled a 15-3 regular season. Their two losses of note were to region-rival San Luis. The third was in a shootout in an invitational. Over the last six seasons they have reached postseason five times. The best finish in that stretch was a semifinal loss in D-II in 2016. Top scorers this season are Osvaldo Fuentes and Jesus Canez with 23 and 14 goals, respectively.

Rincon/University: The Rangers have qualified for state three of the last five years. Their best finish in that span was a semifinal loss in 5A in 2019. They are 11-5 this season. Leading scorers are Mfaume Donatien and Voltaire Tillakembaye.

Pinnacle: The Pioneers won the Desert Valley Region title and posted a 15-4-1 record overall. They won the Coyote Classic Invite at Campo Verde HS with a 5-0 record with all five wins via shutout. Offensive stalwarts are Aiden Matheson and Jake Heywood. The school has two state titles (2008 and 2010) both in 5A-II.

Hamilton: The Huskies (13-3-2 overall) bounced back from a last-place finish in the Premier region last season to win the region this season. They've reached the title game six times in the last 12 years with a 2-4 record in those matches. Their last title-match appearance was in 2016. This year's squad is led by Luke Schaefer (19 goals, 11 assists) and Vince Acosta (22 goals).

SPROUTS, WHERE GOODNESS GROWS®

CASTEEL FEELING THE PRESSURE BUT STILL THE FAVORITE IN 5A

By Jose Garcia
AZPreps365.com

Attempting to stop Casteel in the 2021 postseason proved futile, as the Colts racked up 29 goals in four playoff games.

The team capped its dominant 5A Conference season by scoring an Arizona Interscholastic Association state championship record eight goals against perennial power Ironwood. The final victory gave Casteel its first boys soccer title.

At first glance, it appears that a repeat of 2021 is in store since the Colts are the No. 1 seed in the 2022 5A playoffs. But hold your horses.

Running away with the title this year won't be easy.

"Yes, I feel a lot of pressure," Casteel coach Greg Lanman said. "We are not winning every game by six, seven or eight goals. We lost our four top goal scorers. This year we had 11 different players who scored goals. This year we need to play more as a team." Lanman's squad isn't scoring as much as last year, but it surely held its own against quality 6A and 5A opponents this year.

Casteel (12-3-2) finished its regular season on a 10 game win streak, outscoring opponents during that stretch. Helping hold the fort in the back during some closely contested victories were the team's defensive leaders, junior goalkeepers Donovan Parisian and Kyan Cameron.

"Anyone of them could start on any team in the state," Lanman said. "We have several defenders who have been getting the job done. I have been rotating seven different players in the back line. We have had players in and out due to injuries. Next man up has been huge."

Up front, Casteel possesses its share of threats as well.

"Our captain, Marco Martinez, is one of our top of our top players," Lanman said. "His work rate is unbelievable. Marco is the main engine that keeps on going. Jacob Aguayo has done well for us in the midfield, scoring seven. Charlie Bentley is our top goal scorer, who plays up top."

5A Notes

Sunnyside, the 2019 champ, is a resilient bunch and has matured immensely this season, coach Casey O'Brien said. "Our team has been very resilient this year and has grown a lot throughout the year," he added. "We are a very young team and rely on freshman and sophomores, so they've been gaining confidence and developing chemistry. Our best play will be at the end of the season. We have very strong possession this year and can control games through the middle of the field." The team's impact players are seniors Erubiel Mazon and midfielder Juan Felix, an all-around threat with 5A Player of the Year potential. "Juan can control games offensively and defensively in the middle of the field and is our motor," O'Brien said. "Erubiel is our captain and controls our defense with his high level communication skills. He is a leader in the way he plays and practices." ... Angel Mata, Edgar Leyva, Jose Portillo, and Andres Hernandez Jr. are the main threats for **Desert View**. "The boys are buying in to playing for the team and not as individuals and being a team that supports each other," coach Je-von Moore said. "These players (leaders) have shown leadership and have been willing to help other players be successful. Jose and Edgar have stepped up as captains of the team and have been an extension of the coaching staff when it comes to keeping the team focused and headed in the right direction." ... "Several of our players have been playing together most of their lives through club," **Sunrise Mountain** coach Erik Andersen said. "We have several seniors making big contributions like Bryce Grozier (12 goals)

Casteel, the defending 5A champ, won its final 10 matches of this regular season. (Chris Stanley photo/MaxPreps)

and Kyle Foster. We have three freshman that have made a big impact Mason Tumey, Ryan Thompson, and Kale Howell." ... "We are having some success this season due to our offensive ability (only shutout once all year), with an emphasis on set pieces," **Ironwood** coach Tim Beck said. "Defensively, it has been a challenge to find proper combinations. We are very young, with as many as seven sophomores and freshman on the field at any given time." Junior midfielder Angel Cortez has 18 assists on the season. Junior forward L.J. Moeschl was leading the team with 14 goals, while freshman Bryan Romero had 10 goals / 10 assists. ... **Cienega's** battle tested team's only defeats came to 4A power Salpointe and 5A's highly ranked Sunnyside. The Bobcats won 10 of its final 12 regular season matches and conceded only three goals in its final seven matches. ... "We are a very unselfish group that really enjoy each other," said **Campo Verde** coach Drew Guarneri said. "We willing to put in the work for their teammates and support each other when they are not on the field. We have a big roster that has allowed us to stay healthy, because we have enough depth to give players rest when needed. It helps us year after year because kids get exposure to the big games and opportunities to learn so as they get older they can contribute more." Cody Helmhout is the team's leader. "He guides the underclassmen, organizes our team and is the one they all look to when they need something from a teammate," Guarneri said. Kade Kampsen has been the "energizer bunny." "He is always working at the highest level and can and does everything in his power to help us win," coach said. "He stays engaged on the sideline as well and has shown the younger players what it takes to be successful. I honestly have a bunch of really great kids that have all stepped up to the challenges at different times. They all understand their role and do what is asked of them for their team."

PLENTY OF GREAT STORIES IN 4A AS TEAMS VASTLY IMPROVED THIS SEASON

By Andy Morales
AZPreps365.com

Legendary Salpointe head coach Wolfgang Weber picked up his 700th career win this year and he has 713 career wins at this point, but win No. 699 was also very important. That one was a 5-1 victory over Walden Grove to capture the 2020-21 state championship. Weber believes his first victory as a head coach came some 40 years ago at Amphitheater, and the wins kept coming as the Hall of Fame coach racked up his first state championship in 1985. That was followed by another in 1986.

Weber was the first coach in Arizona to win back-to-back state championships. Actually, he was the first to win two titles. In all, Weber earned eight state titles with Salpointe with his latest coming in that match against Walden Grove, but can he do it again?

Salpointe is 10-2 in power-ranking matches this year with a 3-2 loss to 5A power Catalina Foothills (9-3) and a 2-1 loss to 6A power Tucson High (13-0), but that was followed up by a 6-0 win over another 6A power in Sunnyside (11-2). The Lancers also tied 6A Hamilton (9-2-1) at the Arizona Soccer Showcase during the winter break. It's easy to see why the Lancers would be the favorite to win it all again this year but there are several other squads in the mix. Salpointe freshman Leo Gutierrez has 24 goals on the year which is the best mark in the 4A Conference this year.

Walden Grove (7-5) is led by 22 goals by junior Joseph Miranda but the Red Wolves ended the regular season just outside of the qualifying teams and it will be a difficult road to get back to the state final.

Washington won it all in 2021 but the Rams are competing in the 5A Conference now and Salpointe won it the year before. Prescott (9-2) lost to Walden Grove 1-0 in the semifinal round last year as a No. 2 seed but the two losses were by wide margins with Mohave (11-0) beating the Badgers 6-1 and Saguaro (11-0-2) winning 5-0 to end the regular season. A favorable seed can help the Badgers avoid a road block early on. Senior Edgar Martinez and freshman Johann Gundermann have 14 goals each to lead the Badgers.

Mohave lost to Tempe (11-1) in the first round last year as a No. 11 seed but the Thunderbirds earned a better spot in the bracket this year by going undefeated in power-ranking matches. Senior Leo Cortinez has 19 goals this year and Phillip Camacho has 13.

Saguaro lost to Salpointe 2-0 in the semifinal round last year as the No. 4 seed and the Sabercats might meet up with the Lancers again depending on where the teams fall on the bracket. Junior Jack Dunlop has 19 goals on the year. Notre Dame Prep (11-0-1) lost to Saguaro 1-0 in the quarterfinals last year and the teams tied 2-2 in early December. Richard Kearney leads the Sabercats with 16 goals on the year. Tempe was the No. 6 Seed last year but the Buffaloes did not finish high enough to avoid the play-in tournament this year despite having only one loss on their record. Sophomore Miguel Armenta has 19 goals on the year so far.

Salpointe's Wolfgang Weber boasts eight state championships and four runner-up finishes at the school. (Andy Morales photo/AZPreps365)

Cortez (11-0-1) had to forfeit a 2-1 win over Flagstaff in the first round of the state playoffs last year due to a player participating in a club match during the regular season. A clean sheet this year was spoiled by a 0-0 tie to 5A Glendale (7-5-1) in January. Cortez reached the 2018 state final and the Colts would love nothing more than to do well this winter after what happened last year.

Dysart (11-1-1) did not make the state playoffs last year and the Demons ended that campaign with five straight losses. A big difference this year has the Demons moving straight to the state playoffs where anything is possible. Junior Augustin Orozco and David Flores have 22 goals each for the Demons this year. The loss was a 2-0 setback to Saguaro and the 1-1 tie came against Barry Goldwater (9-1-2). The Bulldogs also failed to make the state playoffs last year but the squad did well enough this year to avoid the play-in tournament. Goldwater lost to 4A power Notre Dame Prep 1-0 and the other tie came against Poston Butte.

Buckeye Union (10-2) just missed the top eight and the Hawks will need to win a play-in tournament match to get into the state playoffs again. Junior Alfonso Maldonado has 13 goals for the Hawks this year and sophomore Arturo Flores has 10 so far. Coronado (8-5) ended the regular season with an impressive 1-0 loss to Cortez so the Dons can do some damage in the state playoffs.

ALA-GILBERT NORTH'S YOUNG PROGRAM SEEKING SECOND 3A RING

By Jose Garcia
AZPreps365.com

The new kid on the block is starting to run 3A Ave.

It took American Leadership Academy-Gilbert North only four Arizona Interscholastic seasons to capture its first ring. That came last season during an undefeated season.

This postseason, the ALA-Gilbert North's boys will kick off its defend the title quest as the No. 1 seed. The Eagles are a more balanced team this year but so is the 3A Conference.

The 3A ALA-Gilbert North results that confirm that is a 2-2 tie to Thatcher and 1-0 win over Pusch Ridge. The team did lose a game so far, but that came against 6A school Desert Ridge.

ALA-Gilbert North is used to a challenge or two, though. It won in overtime twice in last year's playoffs and defeated Phoenix Country Day 3-2 in the championship.

Being the favorite, with seven returning starters, kept the team focused this year.

"Knowing each team would play their best against us almost forced us to stay on edge," coach Michael Gonzalez said.

The team is still scoring at a torrid pace and leads the state with 113 goals.

The Eagles returned one half of its one-two scoring punch from last year, Justin Provenzano. The senior scored 43 of his career 87 goals this season and has been averaging more than one assist during his 42 career games.

Provenzano and Sam Bellows lead the 3A in assists. Bellows is also usually setting up senior Jackson Barney (15 goals, 13 assists).

"Captains Justin, Sam and Jackson took charge this year, with Justin leading our boys," Gonzalez said. "Justin is our biggest threat up top, but we have several weapons and are more balanced in depth this year. Sam is our utility player. When needed he can lock down the backline, but when he's in the midfield he creates and gets us forward. He is very strong and can shoot with power from distance. Jackson works in both the midfield and up top on the wings. He is a crafty player that can create as well as finish with both feet."

Depth is the added dimension to this year's team.

Players such as Caden Trejo and Ray Pacheco and two freshmen starters, Brody Donovan and Hayden Lai have stepped up along with the team's bench. Quarterback Roger Mayorga is the team's quarterback in the back.

The well-rounded team seems set for another run.

3A Notes

Thatcher's central defenders and goalkeeper were key in holding ALA-Gilbert North to two goals during a regular season tournament, coach Isaac Rogers said. The experience the team gained against the defending champ also benefited the team during the season. "We believe the number one factor contributing to our success this season is the experience and leadership that our seniors bring to this program," Rogers said. "The core of this team has been together for four years now. From playing JV together up until now, the experiences they have had together have been invaluable to the success we have had this season. We always place a great value on defense and our back line has stepped up since Day 1 of the season, and honestly they work as a unit so to single anyone of them out would be unfair. We also get a big boost on defense when we go to our bench for reinforcements. Offensively, we feel the same way. We play for each other and unselfish play has been our motto." ... The leaders of 2021 runner-up **Phoenix Country Day's** leaders are Speed Gregory, a senior and prolific goal scorer, senior Ely Brayboy, a dynamic leader, junior Alex Sondergaard, an unflappable defender, and junior Swiss Army Knife Adam Burns, said coach Andrew Rodin. Teamwork, dedication and determination have. ... **Northwest Christian** outscored

its opponents 47-5 during the regular season. Junior Drew Myer and senior Zach East were leading the squad in goals and assists, respectively. ... "The boys put a ton of work in on their own in the offseason in the weight room and had captain-led practices," said Devon Dickinson said about his **Gilbert Christian** team. "One of our captains in particular, Jacob Burr, really did an amazing job leading in the off-season." A key attacker, Jake Dickinson, has been out most of the season with injuries. Holding midfielder sophomore Nate Dickinson, senior center-back Nick Hoffman and senior keeper Jadon Grant have stepped up and made a huge difference filling in the gaps, Dickinson added. ... Former longtime Gilbert High coach Jeff Perry is now coaching **Arizona College Prep**. A December tournament against bigger and faster teams helped his young team mature, coach said. His defense has held its own. On offense, has different go-to options. "The character of our kids is very good and has been a big reason for our success," Perry said. "The player buy into the concept of doing what is best for the group over the individual." His leaders are Murad Alhassen (central defender who anchors backline), Aiden Bachman (central midfielder who defends well and can get forward to score goals), Jake Ruiz (central midfielder who creates opportunities), Landon Johnson (goalkeeper who keeps team in games), Aiden Davis (scores timely goals), play-making MF Arya Arvind. Ayden Zinn, Sebastian Escamilla, Christian Lopez and Drew Aguilar are the holding mids and outside backs who have done a good job of defending. Dario Melo Frias and Stevie Ortiz are the workhorses up front. ... "From our first training of the season this team has brought a high level of energy of focus that I've never seen from any other team I've been a part of," said coach Paul Barker about his **Valley Christian** team. "That speaks to the leadership of the captains and seniors that know what they want to get out of this season. This team has a strong sense of togetherness. We know that we have each other's back, especially when facing challenges." His leaders are Ben Meiter (team's talisman striker, relentless work ethic and captain), Mason Maret (engine in the midfield), Chris Katsaros (leader on the backline), Andre Leppert (standout goalkeeper).

"Jostens is your Storyteller of Champions"

We are honored to serve our local Arizona High Schools as they prepare their students during their four year journey and the ultimate goal of celebrating their high school graduation.

Capture ~ Celebrate ~ Inspire

Your championship ring is a symbol of a victory that's unique to you, your team and your school. It's the culmination of all the challenges you've turned into victories.
