Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work and strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

This past year showed us that by working as one statewide unit for the greater good we can achieve anything. It remains a priority to adhere to guidelines and respect rules that are in place for the safety and well-being of our participants. With your help we can show all those involved that we can overcome external difficulties by coming together as an AIA community. These championships are only possible because of you.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

TRUE TUCSON TALE: ST. AUGUSTINE GOES FROM LITTLE-TO-NO HISTORY TO HIGH TOURNAMENT SEED

By Jose Garcia
AZPreps365.com

There's nothing in the Arizona Interscholastic Association and max-preps.com's record books showing St. Augustine ever having a winning season, owning a region championship nor ever reaching the playoffs.

Zero. Zilch. Nada.

In 2020, the program even had to cancel a good portion of its season due to lack of players. And the 2016-2019 seasons are missing from St. Augustine's maxpreps' boys soccer page.

So how in the world does a program with little to no history go from nothing to earning a high state tournament seed with two girls starting and a 24 year old as its coach? Only in Hollywood.

But this Tucson tale is actually true. St. Augustine soccer is one of the feel good stories of the 2021 fall high school sports season.

It begins with a University of Notre Dame grad, Michael Fontana, assigned to St. Augustine, a Catholic school with about 250 students that's located about 25 minutes east of University of Arizona. Fontana was enrolled in Notre Dame's Alliance for Catholic Education (ACE) program, which serves under-resourced Catholic schools serving low income families.

ACE sends its students to 35 schools around the nation.

"It fell into my lap," said Fontana about the St. Augustine assignment.

When he arrived at St. Augustine last year with no coaching experience, Fontana asked the athletic director if he could help coach the sport he grew up playing in Baltimore. A coach was already in place, but there was a sudden change of plans when the AD saw Fontana in a school hallway a couple of weeks later and called him "coach."

What Fontana lacked in experience he made up for it with his eagerness to learn about his sport and his players. From the sounds of it, he also has a big heart.

"I care a lot about these kids and their health and well-being," he said. "They act mature and compete. How we treat each other and opponents with respect, it matters."

But all the compassion in the world couldn't keep the pandemic away and enough players on the roster last year.

So after playing just seven games, St. Augustine blew the final whistle on its season earlier than expected. But, despite last year's struggles, Fontana noticed the start of something special.

"It (2020) ignited something," he said. "The kids were very dedicated. They were eligible throughout the season. We saw a glimpse of something, especially with the younger players, that something was happening."

It didn't take long for the 2021 Wolves to prove it.

In its first game, the team scored nine goals, four more than it scored the entire 2020 season and wound up winning the program's first region championship.

St. Augustine, which was 0-6-1 in 2020, will head into Tuesday's first round of the playoffs with a 9-0-2 mark.

"Compared to last year, this year it's taken a lot more effort," Fontana said. "As a young coach I've learned how to conduct practices and set expectations. I won't lie, we thought we'd be a .500 team, and we exceeded that pretty quickly. We doubled our roster size to 24, and we have depth with the freshmen and sophomores."

Making sure the foundation of St. Augustine's new soccer era is strong is a group of players who frustrate opponents with their physicality and unselfishness.

Good soccer teams tend to have solid leadership from the back to the front along the middle of the field, and St. Augustine boasts just that with center midfielder Ramon Serrano, center back Cristian Vasquez and striker Alejandro Baltier.

More often than not Serrano, a sophomore, is the center of attention for St. Augustine.

"We had fun at times last year, and we powered through," Serrano said. "This year we've improved our shooting, passing and communication."

Supplying the leadership for St. Augustine is Vasquez, one of the best center backs in the state.

St. Augustine had never won a region title and reached the playoffs until this season. (Photo courtesy of St. Augustine)

"Cristian holds the kids to a high standard," Fontana said. "He's a great leader and teammate."

Up front is a player who can start anywhere on the field for the Wolves, Baltier.

"Alejandro is a machine in front of the net," Fontana said.

Fontana's squad also features role players who inspire their teammates.

Helping St. Augustine earn the No. 4 seed in the 2A fall state tournament are two female players who have started since Day 1, Fiorela Miranda and Litzy Salazar. In fall soccer, girls are allowed to play on boys teams, and a warning to opponents who think they'll push Salazar and Miranda over.

"Both of them are sophomores with menacing attitudes," Fontana said.

Brining the joy to the pitch is Chris Mugisha.

The starter and straight A student is overachieving despite his parents living more than 9,000 miles away in Rwanda. Mugisha lives with a brother.

"I'm incredibly proud of Chris," Fontana said. "He's a great kid to mentor and to be a part of his success. He has a really bright smile."

Managing 24 teens is a tough task for any coach.

So this season Fontana was allowed to hire an assistant who's as motivated as the head coach, Clay Jaskowski, Fontana's roommate and fellow ACE teacher.

St. Augustine will need all the help it can get from the outset of the 2A state tournament.

It first opponent is two-time defending champ Blue Ridge, the No. 5 seed. Blue Ridge has reached a final 14 times in the past 20 years.

But St. Augustine will have a community that's had its back from the beginning when the Wolves for the first time host a soccer state game. Regardless of the first round result, Fontana and his boys and girls have left their mark this season and will continue to do so with the starters returning next season.

But the big question is will Fontana return?

The chemistry teacher has the option to leave St. Augustine if he so desires after this school year. He wouldn't say if he's staying or leaving when asked, but it appears that Fontana is leaning toward continuing to build something that's blooming in the desert.

"I live this team with every ounce and every ounce is reciprocated," he said. "It overflows in the love and energy and respect that this team gives me. It makes me want to do more."

"I really enjoy this school. The St. Augustine community revolves around faith and persistence and academics. It rallies around common ground. It has small class sizes and a caring faculty. I would definitely say I have to weigh some options, but I don't see myself coaching anywhere else."

PREVIEWING THE 2021 FALL SOCCER STATE TOURNAMENT: Boys

Chino Valley

Leaders: So far we have 16 wins, 0 losses, and 2 ties (including tournaments). We have scored 96 goals and only allowed 5 goals against so far. Defensively we are playing really well. We have 14 shutouts in 18 games this season. Our defense is led by Ravi Holladay (Senior), last year's Defensive Player of the Year. He is also joined by Andy Nava (Senior), Jr Soto (Senior), Juve Ayala (Senior) and Chris Estrada (Freshman). Behind that defense we have an outstanding goalie in Trever Stazenski (Senior). Offensively, Gabe Castillo (Senior) and Richard Flores (Senior) have really stepped up this year filling in for last year's Offensive Player of the Year Angel Sanchez (Graduated). They are joined by Orlando Santoyo (Senior), Eduardo Romero (Freshman), Carlos Rodriguez (Junior) and Osmar Gomez (Junior). Defensive leader- Ravi Holladay- Strong, Fast and very smart. Offensive Leader- Gabe Castillo and Richard Flores-both are really fast and can finish extremely well. In the midfield, Osmar Gomez and Carlos Rodriguez have done an incredible job controlling the game.

Obstacles team overcame this year

One of the major obstacles was figuring out where our offense was going to come from. We graduated Offensive Player of the Year last year Angel Sanchez. He was our leading goal scorer and assist guy last year.

Team's biggest accomplishments

Accomplishments so far would be winning the Chino Cup. We are also on pace to beat the school's shutout in a season record, currently it is 16 shutouts (2017). We are at 14 with two more regular season games left plus playoffs.

-- Coach Todd Carey

Show Low

Leaders: Diego Campos possesses a work ethic and personal drive that is truly unheard of in today's youth. He quietly leads his team by example. Diego is ultra-competitive and pushes his teammates to meet their full potential. Adam Finegan just refuses to get beaten on the field; possesses good soccer IQ and creativity with his ability to create scoring opportunities. Dylan Lunt is athletically-gifted as evidenced by his speed and lock down defensive prowess.

Obstacles team overcame this year

A lot of injuries early in the season, which made it hard to build continuity with nine new starters. It was a challenge to acclimate those nine new players to the speed of varsity soccer, as it was for many their first experience ever playing varsity.

Team's biggest accomplishments

Seventeen out of 19 players on the varsity team have scored multiple goals this season, creating depth and balance in our attack.

About the program

The boys have demonstrated character growth and leadership in the last two years. I see the boys coming back from goal deficits because they did not allow themselves to become discouraged and pushed each other to become better and achieve their team goals. I only had one student be academically ineligible for play, and that was for a single game the entire season. This demonstrates greater personal responsibility and an understanding of the importance of personal responsibility in relation to their team.

-- Coach Andrew Brumfield

Madison Highland

Leaders: Senior midfielder Alex Ramos, senior midfielder Ryan Fritz and senior forward Kevin Valdez are the team's captains. Alex is a three-year starter and the leader of the team. He will do anything to inspire and help other players. Ryan is a competitive player. He pushes the team to condition, to train and to play harder. Kevin is a fearless player. He remains calm and maintains composure under pressure. Other key players include: senior defenders Daniel Cardenas and Said Ayala, junior defender Eduardo Beltran, junior midfielder Luis Rodriguez, sophomore forward Angel Lopez, and junior goalkeeper Connor Owens.

Obstacles team overcame this year

Being a first-year program in the AIA, we really did not know what to expect playing against schools with larger enrollments and traveling extensively throughout the state. The team has adjusted well to this new experience. All of our opponents had great sportsmanship and provided great hospitality on the road.

Team's biggest accomplishments

Qualifying for the state tournament was the team's goal for this season. Our players strive to perform as a complete team, strong on offense and defense. The team has five players who have scored seven or more goals for the season. The team has allowed seven goals in 13 matches on the season.

About the program

This season, the team reached a milestone earning it's 100th win for the soccer program in the first seven years of play.

-- Coach Curtis Watson

Snowflake

Leaders: Sam Lopez Sr. captain; Tyler Barberich Sr. captain.

Obstacles team overcame this year

We had to overcome a couple hard games to keep our status as one of the top teams in the state.

Team's biggest accomplishments

Tate Hensley Sr. is about to break the school goal record of 38 goals. We have scored 81 goals and only allowed 24. This is the first time Snowflake has ever been Regional Champs.

-- Joshua Johnson

Notes: Caesar Bonilla of **Blue Ridge** was second in the state with 22 goals. Alberto Diaz had 11 goals. ... The captains of **Camp Verde** are senior striker Gary Ortega and senior defender Quintin O'Grady. The team has outscored opponents 72-14. ... **Payson** has outscored opponents 60-15 this season.

PREVIEWING THE 2021 FALL SOCCER STATE TOURNAMENT: GIRLS

Northland Prep

Leaders: Astrid Bell. Senior captain has really matured and is a confident leader settling the team and shutting down the other teams strong player. Rylee Reed. Senior captain is another leader on and off the field. She adapts her play to what the game is giving her whether she plays more defensive or attacking. Hannah Petrucci. The junior captain is feisty and crafty with the ball and when she doesn't have the ball. Mollie Donahoe. The sophomore is a fast, skillful attacker who can attack from all areas of the field. Campbell Blair. The sophomore is a crafty, intelligent player who helps control the midfield. Kyra Wilkens. The sophomore is a crafty, intelligent player who helps control the midfield. Ellis Troutman. The senior is a strong outside defender that shuts down the other teams strong attacking players. Lizzy Tognacci. The sophomore has stepped out of her comfort zone to be an outside defender and has improved immensely and really helped the team from the back. Joss Boetcher. The sophomore is a calming force in the back that cleans everything up. Milly Gindorf. The junior goalkeeper leads fall soccer in saves and goals given up per game. She continues to improve and make key saves for the team.

What lessons were learned during the loss to Chino Valley in the Chino Cup tournament?

We tried some different things in the loss and some worked and some didn't. We learned a lot from the game and made adjustments the second time we played them.

When you defeated Chino on Oct. 12, what stood out about that match? How would you describe the rivalry with Chino?

We learned from the first game and were resilient in the 30 degree temperatures in Flagstaff for the game. Our players bought in to what we're trying to do in this game and it paid off. Chino is always our biggest rival. They are well coached and have passionate players. We both have programs that continue to build for the future, while being successful in the present. We always look forward to playing them.

About the program

We've built a great legacy for Northland Preparatory Girls Soccer. I'm happy that our environment is very family oriented and about building each other up and supporting each other while expecting the highest of effort and engagement whether they are new to soccer or played for years. Our athletes are all students first with very high GPAs so we use that intelligence on the field. It's special coaching for so long that we know each team forms its own personality over the season and there is always a point where the team gels together to become a real team. This group did that the week of the Chino home game and now that they have, they can accomplish anything together they want.

-- Coach Michael Blair

Chino Valley

Leaders: Our team's success starts in the midfield with senior co-captains Madison Foster and Sabrina Lopez. Madi is our point leader with 34 goals and 25 assists as we go into our last week of the regular season. Sabrina Lopez has 19 goals with 23 assists and the two of them combine to make the best midfield in the state. Their leadership, along with their passing and finishing, is what drives our team. Madison is our biggest offensive threat with her combo of speed and field awareness and garners constant double teams. Sabrina has a cannon for a leg and is a threat from up to 25 yards out and is the catalyst for most of our set pieces. Junior forward Kaitlyn Roskopf is our scoring threat up front and has 34 goals and 12 assists. Her speed and long strides make it tough for defenses and she has a nose for the goal. Defensively we have been led by two juniors, Delyn Bannan and Mariah Morgan. Delyn has had to move from a holding mid to play center back because of injuries to London Wigen. We are hoping to have everyone healthy for our playoff push and play Delyn back in the middle with Mariah, who is a spark plug in the back with her constant pressure and tenacity.

What lessons were learned during game against defending champ Northland Prep?

After beating NPA 1-0 in the Chino Cup, we dropped a 2-0 game at their place. We were playing without Madison Foster who was sidelined for two games this season with sickness. It was tough to learn too much from the second game due to the inclement weather and missing some key

pieces. The rivalry is real, especially with the fans in the stands. Another key player to watch is freshman midfielder Mari Holladay, who is moved around the offense to create mismatches for the defense.

-- Coach Allen Foster

St. Johns

Leaders: Our team captains are Kinley Crosby (Sr) and Brooke Smith (Sr). Last year we played in the state championship game and lost to NPA. We had a talented (and large, for us) senior class. This year we have 26 players, 17 of which were not on the team last year. Nine of the 17 are freshmen. I think only having 9 returning and 17 inexperienced players has been one of the biggest challenges to having a run at the championship this year. Of those 17, one freshman and three new-to-soccer players have been regular starters for us. So learning the game and acquiring a soccer skill set has been a team challenge. But the new girls have done very well with it and made significant progress, including those who play on JV. We're super happy with the character of the girls and the progress they've made in their soccer skills.

Obstacles team overcame

An obstacle we've had in the latter part of the season has been injuries, not season ending but sprained knees and ankles. We've scored less and been scored on more because of it. We're banged up right now but those players will be on the field for the start of the tournament.

Team accomplishments

Our two biggest accomplishments this year have been going undefeated in games against regional opponents for the second year in a row and the number of goals we've scored. In years past, around 2010 and before, St. Johns girls soccer had multiple state championships or runner-up finishes. About mid-season this year we realized that we had a chance to surpass the number of goals scored (69) in a season by those teams. This season we've scored 85 goals. (Last year we had scored 44.) I think those are the two accomplishments the team is most proud of this year.

-- Coach Pual Otto

Blue Ridge

Leaders: The following seniors are captains on our team: Serena Lopez - Fierce defender who can handle any attacker. Lindsey Gagnon - Strong ball handling and field awareness. Grace Whiting - Relentless defender who will chase down any player with her speed and determination. Shayla Grzelak - Brings well-rounded offensive and defensive skills, along with a strong awareness of the field

Obstacles team overcame this year

Losing six starters last year, but our team has been playing more united and getting stronger as we come into the end of the season. We've had several key games lost to strong opponents by only one point, include NPA, St. Johns and Show Low, which served as significant learning opportunities and left us determined to bounce back stronger and more determined. I feel that we have made significant and positive adjustments to our attacking and defending philosophy, which were evident in our last two games.

Team's biggest accomplishments

I believe that learning to play as united team and not just as a collection of talented individuals was a turning point in our season.

About the program

Our team has a tradition of excellence with numerous state titles. We aim to uphold and honor the team's reputation and finish the season strong.

-- Coach Eric Fogle

Notes: Senior goalkeeper Katelyn Cardon of **Snowflake** was second in the state 109 saves. Freshman Nicole Hipps and senior Sarah Gurr (16 goals) were tied for the team lead in assists with six. Hipps also led the team with 20 goals. ... Senior Emma Young of **Show Low** was fourth in the state with 29 goals. Mikenzie Kulish, a sophomore, had 25 goals and 11 assists. Freshman Destiney Murphy was leading Show Low with 13 assists.

The AIA requests that you model good sportsmanship by refraining from derogatory cheers, chants, or behavior toward students, coaches, officials, or other spectators. Speak out if you see inappropriate behavior by immediately notifying event management staff. Together, we can provide a safe and respectful environment for all.

"Jostens is your Storyteller of Champions"

We are honored to serve our local Arizona High Schools as they prepare their students during their four year journey and the ultimate goal of celebrating their high school graduation.

Capture ~ Celebrate ~ Inspire

Your championship ring is a symbol of a victory that's unique to you, your team and your school. It's the culmination of all the challenges you've turned into victories. Let Jostens bring your championship story to life with our large selection of championship rings in hundreds of styles and design options.

WE TAKE GREAT CARE IN PASSIONATELY HELPING PEOPLE:

- EXPRESS THEMSELVES
- CELEBRATE EXPERIENCES
- HONOR TRADITIONS
- RECOGNIZE ACHIEVEMENTS
- SHARE THEIR STORIES

WE ARE HONORED TO BE YOUR SCHOOL'S OFFICIAL:

- GRADUATION CAPS & GOWNS
- CLASS RINGS/ CHAMP RINGS
- DIPLOMAS
- ACADEMIC/ATHLETIC RECOGNITION
- LETTER JACKETS
- YEARBOOKS

"Jostens is the official Championship Ring Provider of the AIA"
