Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work and strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

This past year showed us that by working as one statewide unit for the greater good we can achieve anything. It remains a priority to adhere to guidelines and respect rules that are in place for the safety and well-being of our participants. With your help we can show all those involved that we can overcome external difficulties by coming together as an AIA community. These championships are only possible because of you.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

JUDGE BIOGRAPHIES

Tyanna Belser

Tyanna is a former staff member for the Universal Cheerleading Association. She has been cheering for a total of 12 years, both at the all-star and collegiate levels. Belser is a two-time NCA Collegiate National Champion and a three-time USA National Champion. With her free time, she enjoys traveling to new places and trying new foods!

Jordan Elmore

Jordan has been cheering for 6 years and has loved every moment of it. He has been involved with several cheer/choreography companies including United Spirit Association and P.U.R.E Camps and Choreography. One of his favorite things about cheer is feeling unstoppable while performing and showcasing that in performance. Jordan holds 3 degrees and currently works as a Behavioral Coach at a Charter School in Surprise, AZ. He also does a lot of work with Dance and Pom as both a choreographer and coach as he has danced alongside some of the best in the industry. Jordan was also in band and color guard for 8

years and have been trained by some of the best coaches on the west coast.

Dallas Dickenson

Dallas is from Scottsdale, Arizona and has been heavily involved in the cheer world for 20 years. Her experience ranges from being an athlete, choreographer, staff instructor and judge. Dallas competed locally and at a national level with Chaparral High School as a Varsity athlete, where she then took home many State and National Titles. After graduating High School, she then received a scholarship to cheer at Iowa Central Community College. Currently, during the summer, she works with high school cheer squads across the west coast as a USA Instructor along with choreographing several competition routines for
