Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work and strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

This past year showed us that by working as one statewide unit for the greater good we can achieve anything. It remains a priority to adhere to guidelines and respect rules that are in place for the safety and well-being of our participants. With your help we can show all those involved that we can overcome external difficulties by coming together as an AIA community. These championships are only possible because of you.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

Last trip to the final was 2019 triumph over Mesa Mtn. View.

SOLID VALLEY CHALLENGES TO CIENEGA'S TITLE DEFENSE

By Andy Morales
AZPreps365.com

Cienega won the 2022 Boys Volleyball championship last year to give head coach Heather Mott her second state championship since 2017 and it was her third trip to the state final, with a runner-up finish in 2021. The Bobcats are 16-0 in power-ranking matches and 24-6 overall. Mott could be the first coach from Southern Arizona to win three championships on the boy's side, passing former Catalina Foothills coach Andrea Fyock (2006 and 2007) and former Catalina head coach Heather Moore-Martin (2010 and 2011).

"We have established a legacy of success and have great kids who work really hard," Mott said. "This year is no exception. They play night in and night out with a big target on their back and they step up. We have fantastic culture and our kids are unselfish."

Her son, Caiden Mott, has 612 assists on the year with seniors Mason Tippet (220 kills), Elijah Rayman (201) and Aiden Keen (167) sharing duties at the net. It's obvious part of the Bobcat attack is an even distribution across the net.

"We have solid senior leadership with a couple of young kids who are doing great," Mott added. "A lot of effort to build chemistry around a freshman setter."

Gilbert took second place last year but the Tigers moved up to the 6A conference this year. However, Casteel (17-1) and Sunrise Mountain (16-1) return from semifinal finishes. Casteel lost to Gilbert in five sets and Cienega beat Sunrise Mountain in three straight sets. The Colts have a loss to 6A power Perry and Sunrise Mountain lost to Casteel in early March.

Casteel won the 2021 state championship under head coach Ryan Meyn and he credits all of his success to the experience he has on the court. "A huge factor is the experience level of this varsity team - we have 10 seniors this year," Meyn said. "All 10 have been with my program since junior high. All 10 were part of the Casteel eighth grade team that won the East Valley Conference Championship and all 10 players have worked extremely hard over the years to compete at the highest level."

Senior hitter Tommy Forese has 420 kills on the year, senior Adam Wilson has 277, senior Kyan Steines has 126 and junior Camdon Varney has 121. The Colts have two main setters in seniors Parker Bluth (511 assists) and senior Josh Mahon (375).

"Forese is a captain and is always working to improve his game," Meyn added. "Always motivating his teammates to improve, Tommy is usually the first in and last out of the gym. His outstanding season stats are a direct result of his work ethic. He's been a big part of our success over the past three seasons."

The victory over Sunrise Mountain sets the Colts ahead on the year but the Mustangs also come in with a great cast of athletes under head coach Tony Gale. "We are fortunate enough to have a group hard

working young men," Gale said. "Our team is having success this season because we have a pretty balanced team. We get offensive from several players and defensively we have, in my opinion, one of the best liberos in state. Our hitting, serving and passing are pretty solid...so like I mentioned a pretty balanced team."

Senior Kyle Andersen has 299 digs from the libero position which makes life easier for junior setter Pacen Craghead who has 675 assists on the year. Senior Caelan Koth has 278 kills so far and senior Dalton Graham has 172.

"Our offensive leaders are Dalton Graham in the middle and Caelan Koth on the outside," Gale said. "They both do very well in siding out for us. Graham is a good athlete who can excel at quick hits and blocking. Koth has a variety of shots, a good vertical and rises to important moments."

ALA-Gilbert North competed in the 4A Conference last year where the team took a runner-up finish to ALA-Queen Creek. The Eagles made the transition up smoothly and the program has a 15-1 record in ranking matches with the one loss coming at ALA-Queen Creek but the Patriots also made the jump to the 5A Conference and team has a 15-2 record with one of the losses coming to ALA-Gilbert North. One of these two teams could be the wild card.

NEW CHAMP FOR 4A THIS YEAR, BUT SAME CONTENDERS

By Andy Morales
AZPreps365.com

Northwest Christian: Last year's semifinal loss to ALA Queen Creek is fueling this year's run. The program reached the 2021 title game, losing in three sets to ALA Queen Creek as well. "Our guys have been working really hard this year," coach Charles Hunter said. "The loss last year in the semifinals really has the guys hungry to keep working hard."

"Zach Sheer is our glue. He keeps all of us working hard and is always trying to get better himself." But Sheer isn't the only threat on the team. "Jack Hubbard and Devon Helmer have led the way for us with their consistent and powerful play on the outsides."

"I feel like all the guys are working together to get better. It is not just one or two people carrying the team. They push each other in practice every day, and they all love the game of volleyball."

Deer Valley: The team's leaders, middle blocker Rylan Colman, outside hitter Justus Clark and opposite Ethan Erickson, were all hitting over .300 on the season. Credit setter Alex Flores, the state's leader in assists, for running the balanced attack. Libero Wyatt McGriff anchors the defense. "We are an experienced group that has played a lot of volleyball together," coach Eric Palmer said. "Our chemistry on and off the court is a brotherhood that connects us. We believe in each other and work hard every day to be the best version of ourselves." The program is chasing its first title since 2010 and has won five region titles in the past six years. The program is 91-17 (85%) in that span. The program has won 73 percent of its matches (291-109) since it opened in 2002. The team's GPA is 3.8. Deer Valley is 44-6 in the last three years. The team's overall GPA is 3.8

Estrella Foothills: The team's leaders are senior outside hitter Ryan Bugs, senior setter Brenden Matteson and junior libero Jace Carroll. Bugs and Matteson are three-year varsity players and helped start the program. "Ryan leads by example and has worked really hard at developing his game," coach Michael Matteson said. "Brenden (Michael's son) is a quiet leader who all of his teammates look to on the court. He is encouraging to his teammates and has done a great job of running our offense this year. Jace has really stepped up this season into a leadership position and commanding the back row. He has filled the role of being the verbal leader, and making sure our defense is where it should be." The program finished in the top ten in our previous two seasons. Seven of the players participate on a club team that will compete at nationals in July in Utah.

"I think the biggest factors of our success this year is our ability to persevere through tough matches," coach said.

Arizona College Prep: The offense runs through its very talented setter, Kaden Wong. "He is always able to keep us in a system even off a bad pass," coach K.J. Strutz said. "He also has been a great captain and able to motivate his team to lock in and get back on track when in a rut." Wong is averaging over 9.5 assists per set as a sophomore. Alek Kato's all-around game, Austin Lund's hitting (over .400) and Jake Busot's blocking are contributing mightily to the team. "We have a young team that's maturing and becoming more confident in their abilities as individuals and as a team,"

coach said. "Logan Coking has had a strong sophomore season, hitting around a .350 on the outside and consistently wanting to get better every day."

Salpointe Catholic: The team dresses 10 seniors. "Our success this year has been due to our senior leadership, our team's support of each other, and their ability to continue to improve over the season," coach David Garwacki said. The team's leaders are senior setter/captain Luke Campbell, OPP/MB Malachi Allen and senior MB Harley Pupach. "(Luke) has brought the energy and work ethic consistently this season and holds himself and his teammates to a very high standard," Garwacki said. "Malachi has brought much talent and experience to the team. He leads our team in a different way than Luke. He is not the loudest individual, instead, he lets his talent/play do the talking for him. And Harley is one of our main contributors/leaders. He is our most improved player this season and brings a fire and energy that the entire team feeds off of."

Mesquite: "I believe the biggest factor for my team's success is the boys passion and love for the sport," coach Cienna Herlihy said. "These boys truly enjoy being out there. All they ever want to do is play volleyball. When mistakes happen they see it as a challenge to do better rather than let it bring them down." Middles Raphael Mkepegue and Bobby Yontez are the team's leaders. "I believe each player brings their own unique skill set to the team, and they are all needed," Herlihy added. "However, Raphael and Bobby are definitely the team's powerhouses. Jayden has strong serves, and Jesse was a huge asset to our defense."

"I love coaching these boys. They are all wonderful young men who will go very far in life both on and off the court. I am very proud of our seniors. They all stepped up and gave it their all this season."

Cactus: The team made some changes this year, but Dom Solano and Zane Gillespie never complained, coach Jana Henige said. Solano, the West Valley Region Defensive Player of the Year last season as a MB, became the team's setter. Gillespie, an OH, is now a libero. "They stepped up and did what was best for the team," Henige said. Henige's son, OPP/MB Bradey, and OH/MB Briaden Lagafuaina are the team's leaders. Athleticism and competitive drive are two of the other factors for the team's success this season. "We have tall, athletic players who hate losing and fight through adversity very well," coach said. "Bradey is one of our leaders because he is always dependable. Bradey is going to go out and do his job every game. He is usually the first option whenever there is a big moment and we need a kill. Braiden Braiden is very athletic and one of our best offensive options. He is level-headed and does an excellent job of ensuring everyone is focused and prepared for games."

Seton Catholic: "Personally, I think the biggest factor for our success this year has been the change in the mentality of the players," coach John Engelbert said. "This is my 4th year at Seton, and I have a team full of players who are motivated by winning. It has shown in the level of competitiveness at practices as well as on the scoreboard for most games, too." Nick Pirrotta, Jonathon

Johnson-Rieger and Armin Abdoll are the captains. "Nick has the talent and experience to lead the other players. Armin is the vocal leader who helps motivate his teammates, and Johnny is the guy who leads by example; is the hardest worker on the team and lets his play do the talking," coach said. Setter Alejandro Burns is the conductor. David Nakleh, Jalen Peters, Cameron Krzmarzick, and Braden Zils are making an impact in their first year on varsity, coach added.

Prescott: Multiple players have stepped up for the team this season. "I've been blessed this season to have natural leaders from my sophomore class to my senior class," coach Ephriam Bernard said. "Because of this I've seen at many different times in our season multiple leaders step up to the plate when needed. In addition, I have a strong senior class that has paved the way in terms of their vet experience and knowledge, therefore, not needing the traditional role of captains this year.

"Ohana mindset. As famously quoted from Lilo and stitch, Ohana means family and family means no one gets left behind or forgotten. This mindset has been our saving grace this season. We all understand family dynamics. They can be up and they can be down, but through the good and the bad we know at the end of the day our why and that's each other. Ohana."

Flowing Wells: "We have a core of six returning players," coach Clay Hales said. "Both of our captains were captains last year, and they have been amazing. One is our starting setter; the other our libero. They played together during the club season, with some of the other returning players as well as some of the newcomers. We've had newcomers that have really surprised us with their contributions. They get along well with each other and build each other up. They adjust. We've had a few times when we were missing players because of injury, other school responsibilities, college visits, etc., and guys would fill in at other positions, or just step up. They don't give up."

Notes: Sabino has won a school record 23 matches so far. ... **Agua Fria** reached the 20-win mark for the first time. ... Sophomore Cooper Withrow and senior Liam Perez are averaging 2.9 and 2.5 kills per set, respectively, for **Horizon Honors**. ... Austin Johnston, the talented wide receiver of **Eastmark**, is averaging 4.3 kills per set. ... **Benjamin Franklin** (20-9) is enjoying its best regular season in school history, with Kris Maglunog at the helm in her first year. ... Isaac Liimatta leads **Valley Christian** in digs and receptions.

A new champion will be crowned in 4A this year after ALA-Queen Creek, the 4A champ the last two seasons, moved up to 5A this season. (Mark Jones photo/MaxPreps)
