# *Welcome to the State Championships*

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and think about for years to come.

The AIA recognizes the hard work and strength it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

This past year showed us that by working as one statewide unit for the greater good we can achieve anything. It remains a priority to adhere to guidelines and respect rules that are in place for the safety and well-being of our participants. With your help we can show all those involved that we can overcome external difficulties by coming together as an AIA community. These championships are only possible because of you.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

As you enjoy all the championship contests, please show respect to those around you. Displays of good sportsmanship will place you in high regard along with your school and your community, and remind us all that, sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

Play for everything. Play for nothing. Play to join. Play to escape.  
Play to win. Play to learn how to lose. Play to prove. Play to improve.  
Play to show them. Play to show yourself. Whatever you play for,

Opening May 2023 in Scottsdale at the 101 and Indian Bend, Banner Sports Medicine's new 80,000 square foot facility will be unlike anything the Valley has seen before. Designed to benefit all athletes from youth to professionals, the facility will offer a range of services to help competitors be their very best. Services will include orthopedic surgery, sports medicine physicians, performance assessment and training, sports psychology, sports nutrition, physical therapy, concussion care, medical imaging and a biomechanics lab where motion-capture technology will allow real-time performance analysis for athletes in all sports.

# YOUR IMPACT ON THEIR LIFE IS THE REAL FINAL SCORE.

Coach -

We work hard and offer solutions to make your job easier – giving you more time to make a difference. Because while we're the best at equipping athletes, you're the best at equipping lives.
