Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and talk about for years to come.

The AIA recognizes the hard work and determination it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

Participation in state championships goes beyond the boundaries of the playing arena and into the stands. The players and coaches are counting on you as the family and fans to represent the team, school and community with the highest regard. Incidents of bad behavior coming from beyond the sidelines keep rising. We want this to stop. It’s up to you. Be an ambassador for the sport and show your school spirit in the right way. As you enjoy all the championship contests, please show respect to those around you. Sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

BREAKING DOWN BARRIERS: SUNNYSIDE'S SUCCESS STORY IN 6A BOYS

Jose Garcia
AZPreps365.com

What Casey O'Brien and his boys have achieved at Sunnyside seems hard to believe.

The coach turned a once dormant program into a state champ and, this season, a nationally ranked force. To do so with the established soccer powers in Tucson was no easy task.

O'Brien's Blue Devils also aren't allowing their socioeconomic challenges to get in the way. At 22-0-1, they are one of only two undefeated teams in 6A this season.

One of Sunnyside's impressive outings came in December. That's when it traveled multiple times from Tucson to the Valley to participate in the Arizona Soccer Showcase.

Despite some tired legs and being down a man for a good stretch in the final, the Blue Devils won the championship game of Arizona's biggest regular season tournament. So their No. 1 state tournament seed was well deserved.

But what makes this soccer success story even more extraordinary is that Sunnyside's campus has the third lowest 6A enrollment in the state. It has learned to beat the odds with O'Brien at the helm, though.

In his eight seasons at Sunnyside, O'Brien is 133-22-7 with two 5A title triumphs. If it wins out this season, Sunnyside will become the first non-Valley boys soccer team to win the AIA's highest classification outright since 1996.

There are many stars on this season's Sunnyside team, but the ones that regularly shine are Sebastian Barrios, Eythan Mancilla, Johan Jimenez, Aaron Abarca, Armando Alvizar, Angel Bracamontes, and Miguel Lugo. Sunnyside is well equipped to make a run, but the road to a title won't be easy. If it gets by a vastly improved Boulder Creek program in the first round, it'll face one of two programs with strong soccer traditions, Hamilton or Mesa, in the second round.

Sunnyside defeated Hamilton in the AZ Soccer Showcase final. San Luis, a team Sunnyside hasn't faced, is the No. 2 seed and the other undefeated 6A team.

The Blue Devils have scored a 6A best 135 goals, but No. 5 seed Desert Vista held Sunnyside scoreless during their 0-0 tie on Dec. 29.

There are obstacles, but Sunnyside has proven that it can certainly overcome them.

Tournament notes

No. 2 seed **San Luis** graduated 14 seniors last year from, but a stellar MF, Misael Meza, and new defense have helped fill the void. ... What a job coach Edwin Mesones, his staff and boys have done since Edwin took over three years ago at No. 3 **Mesa Mountain View**. The program defended its region title and hosted a playoff game for the first time in quite a while. ... Carson Pridie, Tyler Haren, Blake Rekuc, Aidan Yen, and reigning Gatorade Player of the Year Caden Dosmann returned to No. 4 **Perry** after helping the program win its first title last year. "They set a high standard for what is expected on the field," coach Jason Berg said. ... Last year's 'subpar' performance didn't sit well with No. 5 **Desert Vista**. Leading scorer Ethan DeRubeis and his teammates will attempt to bring back that state championship victory feeling from two years ago. ... A semi-finalist the last three seasons, this year's group of seniors finally want to help get No. 6 **Tucson** to the big game. ... The No. 7 Stallions of **Shadow Ridge** continue to grow under coach Andrew Engwall. This is the first time that the program has reached the state tournament and will host a playoff home. ... No. 8 **Mesa** boasts one of the stingiest defenses and one of the best coaching staffs. ... No. 9 **Hamilton's** seniors are very driven, beginning with Cade Williams, Alejandro Acevedo and Joaquin Acosta. ... In his first season, Keith Diamanti guided No. 10 **Corona del Sol** to the playoffs. Daniel Lawton and Payton Roehrich are the MVPs. ... Tyler Nelson and Cannon Wilkinson have helped No. 11 **Pinnacle** make the playoffs despite injuries. ... No. 12 **Sunnyslope** has 16 seniors and coach Michael Fenton (323 wins). ... No. 13 **Basha** has won six of its last eight matches, including an OT win over Hamilton. ... Zach Smith leads No. 14 **Highland** in goals (11) and assists (13). ... No. 15 **Liberty's** inspirational performance in its play-in, a 5-2 win over Red Mountain, lifted the spirits of its beloved coach, Tyler Hussey. Hussey is battling cancer. ... No. 16 **Boulder Creek** won as many games this season (10) as it did in its previous four seasons.

Adversity has strengthened Sunnyside's united bunch. (Jose Garcia photo/AZPreps365)

IS ANOTHER PERRY VS. XAVIER CLASH IN STORE FOR 6A GIRLS?

Jose Garcia
AZPreps365.com

Xavier vs. Perry. Part III?

State championship history might repeat itself again, and that's because the participants in the last two 6A title games, Xavier and Perry, are the top seeded teams in this season's 6A tournament.

Perry, however, wouldn't mind scripting a different ending since it finished as the runner-up twice. The Xavier Gators actually have had Perry's postseason number since 2016-17, going 5-0 during their playoff encounters.

The Premier Region foes have already met this season, during their final Premier Region encounter. The match ended, maybe fittingly, in a 1-1 tie.

"What an incredibly fun game to be a part of," said Perry coach Kete Meskill about their duel.

"It was the best way to end for both programs. It was a fair result for the efforts made by both teams."

Both programs will move on to different regions next season.

But their talented rosters are capable of meeting as region mates one more time.

Perry and Xavier both carry experience and young players who play vital roles.

For Xavier, senior captains Lourdes Lauterborn and goalkeeper Kate Willmering are having super seasons, according to their coach. For Perry, defender Sydney Snowden and midfielder Rylee Hatcher are the senior field generals.

Each team also starts freshmen center backs who play beyond their years, Perry's Mia Adams and Xavier's Sophia Knox. Both of them were brilliant in their regular season match, Meskill said.

"We have been successful because of the leadership from the captains and older players, and we have very good team chemistry," Xavier coaching legend Barb Chura said.

No other program has won as many titles soccer titles (13) as Xavier.

This season, Meskill won his 200th game.

But Perry will attempt to finally snap its winless championship streak (0-5 overall in the finals) and maybe, along with other teams, figure out how to stop Xavier in the postseason.

Tournament notes

One of AZ's elite players, Cienna Gosewisch, the very fast Aniyah Fair and defensive stalwart Eli Abarca lead No. 3 **Desert Vista**. ... No. 4 **Basha** is young, but the 'Baby Bears' still start a hard working senior, Ady Mitteer. ... Twelve seniors dot No. 5 **Pinnacle's** roster, including 'elite leader' Brooke Fabri and 'the spirit' of the team, Morgan Bilczewski. ... The competitive Sophie Schlicklin, Sammy Battles' vision and Cara David-

son's back line composure lead the way for No. 6 **Sandra Day O'Connor**. ... Junior scoring threat Yajaira Cervantes Andrade and No. 7 Tucson's senior filled roster are looking to make a run. ... Thirteen experienced seniors, defensive cogs and fast and technical offensive players makes No. 8 **Hamilton** a tough team to beat. ... Kyarra Aparicio and Kiera Campbell have scored a combined 23 goals for No. 9 **Corona del Sol**. ... "We have strength and experience across all lines," said coach Jon Thomas of No. 10 **Mesa Mountain View**. "This has allowed us to be competitive with everyone we play. Additionally, the team's positive attitude, high work rate and willingness to play team soccer has allowed us to produce." ... Southern Alabama commit Peyton Kempton's goals and poise, Kaylee Leavitt's set pieces, Lillie Scott's relentlessness, and the confidence of Aby Davis helped fill key roles this season for No. 11 **Highland**. ... "Our MVPs have been the entire team, top to bottom," second year coach of No. 12 **Mountain Ridge** Ryne Jakubos said. "Each player knows that they have an important role and we would not be successful if not for that." ... Seniors Selena Craig and Mia Loher each have 64 points for No. 13 **Shadow Ridge**. ... Kaylee Muniz, Sophie Williams and Xaida Ford have each tallied at least 19 goals for No. 14 **Boulder Creek**. ... Fourteen different players have scored a goal for No. 15 for **Liberty**. No. 16 **Boulder Creek** has scored 63 goals in its last eight matches.

Xavier and Perry, the top-seeded tournament teams, have battled for the title the last two years. (Chris Stanley photo/MaxPreps)

5A BOYS FEATURES ELITE PROGRAMS AND NEW CHALLENGERS

Ben Stapley
AZPreps365.com

No. 1 seed Ironwood has won six state championships in its storied history, and the Eagles would love to add more hardware in their trophy case. Current coach Tim Beck won his first title in 2000 and has 487 wins in his 30th year coaching the Eagles. But after reaching last season's 5A title game and the top seed with no losses, the Eagles fell to Horizon, 4-1.

Ironwood is back again as the No. 1 seed in 5A and would like nothing more than to add another trophy to its soccer collection. Four more wins would also put Beck in great position to reach win No. 500 next year. But what's important is the immediate task, and Ironwood has the pieces to make it happen, but challengers await.

No. 2 Kofa has put together incredible offensive numbers this season. Can they keep it going and make a deep playoff run? The Kings have a bit of motivation of their own as well, having lost to Ironwood in last year's semifinals. Casteel is looking for its third title in four seasons, which would elevate the young program to dynasty status.

Perhaps the most interesting storyline heading into the playoffs is that of the defending champion Horizon. The Huskies dealt with a tumultuous start to its season after first year coach Ben Strati was brought on just two weeks before the season opener. After a rocky start, Strati has shaped Horizon into a formidable playoff team.

"This group could've used one of many excuses to have given up early in the season," Strati said of the early struggles. "Instead, they recommitted to excellence and are playing an exciting, ball possession style of soccer. Not the biggest or fastest team...but their ability to work in a system as a unit should give them momentum toward a potential defense of their state championship from last year."

Ironwood

For the second consecutive season, legendary coach Tim Beck and the Eagles head into the postseason as the No. 1 seed in 5A. It's familiar territory for Beck, who's now spent three decades leading Ironwood as one of the premiere programs in Arizona. Beck has led the Eagles to four state titles and four other title game appearances. Still, he continues deflecting credit to his players.

"Success this year has come from an experienced, talented roster," Beck insists. Bryan Romero leads offensively with 20 goals and 20 assists through the regular season, while fellow junior Jordan Yesenski recorded nine goals and 16 assists. Beck added that captains Ben Rouse and Edgar Ocampo have led the defensive effort.

Kofa

The Kings put up huge offensive numbers this season. Sophomore Leonel Rodriguez has led the showcase for Kofa with 35 goals and 18 assists. Seniors Aaron Sullivan (27) and Nolan Garcia (22) have combined for another 49 goals. Kofa scored seven or more goals in eight of its games. The Kings only loss came against 6A San Luis on Jan. 4th. Kofa reached last year's semifinals as the No. 12 seed before narrowly falling to Ironwood 3-2. A rematch could only come this year in the championship match.

Casteel

After consecutive titles in 2021 and '22, the Colts fell to Horizon last year's semifinals. Coach Greg Lanman's leading scorer is son Zach with 19 goals on the season. Casteel has an abundance of talent offensively, with six other players who have recorded four goals or more. Jake Spain leads the team with 12 assists to go along with four goals. After a 3-1 loss to 6A defending champ Perry, the Colts won six straight games to end the regular season with the 5A San Tan region title.

Campo Verde

Campo Verde opponents had a tough time scoring goals this season. The Coyotes posted shutouts in 10 of their 18 games. Coach Andrew Guamari says center back Garrett Walsh is a big reason for Campo Verde's defensive success. Michael Esquivel and Yahir Flores led the Coyotes with 11 goals a piece. Oscar Liogon Arenas is a catalyst offensively and leads the team with 15 assists. All are seniors. "We have good leadership from our senior group," Guamari says of his experienced club. "They understand the tradition of the program and they want to exceed previous groups. It drives them to be better every day."

Horizon

The defending 5A champions lost most of their offensive firepower as well as their head coach. Now after a slow start to the season. First year coach Mike Strati likes what he has seen since the holiday break. "As defending state champions, the early season expectations were high," Strati said of the early going, noting the Huskies 8-1-1 record since January. "The strength of this team has been the ability for multiple players to score and assist, as well as our team's relentless work rate and ability to press teams into errors and mistakes." Horizon's offensive attack is a genuine team effort. Six players have scored at least four goals for the Huskies, as Derek Moran and Antonio Strati—son of coach Strati—have each recorded seven goals to lead the way. Benjamin Pico and Kaden Cox both have six goals through the regular season.

Lake Havasu

The Knights enter the postseason with a perfect 12-0 record and allowing three total goals on the season. Can they make a playoff run? "The defense is the strongest part of our team this season," coach Christina Gibbs says of her squad. Offensively, sophomore Geovanni Cardenas leads offensively with 12 goals and eight assists. "He is a very quick and skilled player," Gibbs says of Cardenas. "He can play left wing as a natural left footer or central defensive midfielder to create for our team. He is a deadly attacker in 1 vs 1 situations." Jesus Alvarado is another sophomore and right behind Cardenas with 11 goals. Junior center back Fraser Molyneux is a strong center back who Gibbs calls a natural team leader.

Catalina Foothills

Coach Greg Whitney likes where his team is heading into the postseason. "We play to our strengths, know who we are and work hard for each other," Whitney said of this Falcon team. Whitney credits midfielder Aidan Junker and goalkeeper Tanner Montijo with stellar defensive play throughout the regular season. "Aidan has an amazing work rate on defense, and Tanner has made timely saves in important moments in key games." Junior Bryce Weege leads the team with 16 goals and five assists.

Tournament Notes

Metro Tech has outscored opponents 38-5 and have had back-to-back 11-win seasons...**Nogales** will play **Cienega** for the third time this season.

CAN 5A GIRLS ROYALTY RULE AGAIN DESPITE FEISTY CHALLENGERS?

Ben Stapley
AZPreps365.com

Notre Dame enters the postseason as the top seed with one of the state's best players in Paxton Brock, who is committed to play at Southern Methodist University.

The only blemishes on the Saints record this season came by way of 6A teams, and a top school from Southern California, Harvard-Westlake.

The Saints have earned the role of playoff favorite, but coach Michael Varela realizes the challenge that awaits.

"We're just taking things one game at a time," Varela said of the postseason. "I don't ever want to say we're the favorite going in because there are so many good teams. Chaparral is good and Casteel and Millennium are good teams. I know every game we play from here on out is going to be a challenge."

Notre Dame has won three previous state soccer titles, in 2009, 2015 and '16. Not only does No. 2 seed Chaparral have another great team, but it also has a championship pedigree spanning four decades. The Firebirds first title came in 1998, and the most recent last year, giving them a total seven. Success and tradition alone will mean opponents give Chaparral their best shot as well. Last year's title match was a thriller, as the Firebirds outlasted Casteel after two overtimes and penalty kicks.

Like Chaparral, No. 3 Casteel has built its own soccer power and is eager for another title shot. Unlike Chaparral, Casteel became a soccer force in only a few years of existence. The Colts' soccer program has only seven years of varsity experience but came

out of the gates swinging—and kicking—hard. Casteel won championships in 2018 (3A), 2020 and 2022, before the heartbreaking loss to Chaparral last year. "I'm incredibly proud of this team and program," coach Jason Hammonds says of his club.

Casteel and Chaparral battled to 2-2 tie in overtime early in the season, so a potential semifinal rematch awaits if both teams are able to get by in the first two rounds. It would also be difficult to overlook No. 6 Campo Verde, which has made recent noise with recent 5A state titles in 2019 and 2021. The Coyotes also won the Division III championship in 2013.

Will there be a dark horse that spoils the party? That's why they play the games.

Notre Dame Prep

The Saints enter the postseason as the 5A favorite and it starts with superstar Paxton Bock. With 27 goals, Bock is the most dangerous scorer in 5A and perhaps the entire state. The senior will take her exceptional talent to Southern Methodist University after graduation, but would love to help Notre Dame add a fourth state championship trophy. Fellow senior Ella Meyer is plenty capable offensively with 13 goals on the season. Junior Whitney Reinhardt has added 11 goals for the Saints. Goalkeeper Hailey Kobb has 135 saves through the regular season.

Chaparral

Notre Dame Prep might be the playoff favorite, but Chaparral has collected four state championship trophies in the last six seasons. Last year's state championship win over Casteel was a title game

for the ages, as the match was eventually decided on penalty kicks after two overtimes. The Firebirds lost leading scorers Sami Fisher and Faith Secrest, but coach Robyn Carlson has another contender heading into the postseason. Junior Ava Hinske and sophomores Dylan Beede and Sophie Voyer lead the Firebirds offensive attack. Chaparral dropped a close 1-0 match to Notre Dame in January, so the Firebirds are eager to earn a playoff rematch.

Casteel

It hasn't taken long for Casteel to become a soccer powerhouse in Arizona. In seven seasons the Colts have won three state championships to go along with five title game appearances. It should be no surprise that Casteel is a contender once again entering the 2024 5A state tournament. "I'm incredibly proud of this team and program," coach Jason Hammonds says entering the postseason. "We are successful again due to the continued hard work by all these amazing young women. Their dedication to each other is what makes them the amazing team they are." After falling in the 5A championship match in overtime on penalty kicks against Chaparral, the Colts are excited to make another playoff run. Senior Aria Cain led the Colts with 12 goals during the season. Three players scored at least five goals or more, including Landri Steenhard, Ava Fike and Kayden Harwood.

Campo Verde

Coach Drew Guarneri's slogan is 'one game at a time' which is ideal for the single elimination playoffs. "We come out and work hard every day to get better and the girls buy into our culture," Guarneri says of this year's team. The Coyotes top players include junior Katelyn Caballero, seniors Jordyn Atsedes and Peyton Gibby. Caballero has nine goals and 10 assists on the season. "Katelyn is a great attacking player that forces every team to adjust how they are going to defend," Caballero said of Camp Verde's leading scorer. "Jordyn is a Center back that does a really good job of closing down some of the best players. Peyton plays in the midfield for us and is a true ball winner." A late regular season win over Casteel should give Campo Verde a confidence boost heading into the postseason.

Desert Mountain

Kameron Trapp's squad is talented and deep with a stubborn defense that could lend to a deep playoff run. The Wolves recorded 12 shutouts during the regular season, and Trapp explains that sophomore Katie Pettigrew and junior Emily Siegfried form a dynamic defensive duo which creates a wall that makes it extremely difficult for teams to score. Top scorers are junior Kylie Gjurjevich and freshman Kadence George. Desert Mountain also relies on seniors Saige Graulich and Melania Valdez for offense and leadership. "We have players that all bring different skills to the table that seem to complement each other, Trapp says of his team. "We have a lot of depth on the bench, and it has allowed us to maintain a high level of play throughout the games. Every game, these young ladies step onto the field with extreme confidence in their abilities to execute any game plan asked of them."

Cactus Shadows

Another team with a stout defense is Cactus Shadows, which posted 13 shutouts through the regular season. With 11 seniors on the roster, the Falcons also have experience on their side heading into the postseason. "We returned a lot of experienced players this season," coach Ryan Hunt said. "The girls have worked hard over the

summer and fall." Cactus Shadows also has plenty of firepower offensively. Freshman Mia Bair (19) and Lyla Strohman (18) have combined for nearly 40 goals. Senior Victoria Lazo has added 10 while sophomore Kylee Dahn has scored seven. Senior center backs Abby Saigh and Carlie Diaz have catalyzed the defense with their quickness and athleticism. Cactus Shadows also won two tournaments during the season, something coach Hunt said only boosted the confidence level. "The girls believe they can compete with anyone."

Cienega

The Bobcats only goals allowed this season were consecutive losses to Walden Grove and Eastmark, both 2-0 setbacks. No other team scored on Cienega during the regular season. Coach Tony Torres attributes this to senior leadership. "Izabella Holly and Shania Walters have been on varsity and playing since they were freshman. They have been to three state tournaments and finished in the final 4 two years ago."

Sophomores Hazel Ramos and Kylie Krebs have combined for 31 goals on the season. Senior center back Shania Walters has added seven goals to go along with her strong defensive play and leadership for Cienega.

Desert Edge

Senior Valerie Llamas has put together a Player-of-the-Year type of season with 26 goals, only one behind Notre Dame's Paxton Bock. During her varsity career, Llamas has scored 103 goals along with 41 assists. A weapon like that gives the Scorpions a shot against any playoff opponent. Coach Malissa Iler says this team is her most experienced since she took over the program six years ago. "We have one senior and six juniors and they all start," Iler explains of her team this year. Junior's Jazmin Mayo and Tatum Iler have also played vital roles for Desert Edge, with 27 goals between them. Outside goal scoring threat with her left footed shot. Jazmin's speedy dribbling creates so much attention and starts our offense off. "Tatum and Jazmin have learned each other so well that their movement off of each other in the middle is hard to defend. Both central midfielders do a great job connecting to our striker. Our backline is led by Adison Harrell and Jesslyn Guerrero. These ladies make it hard for opposing teams to score," Iler explained. "Tatum and Jazmin have learned each other so well that their movement off of each other in the middle is hard to defend," Iler says, adding that sophomore goalkeeper Grace Sunjo has stepped up for Desert Ridge, despite only one previous season playing the position. Aimee Basurto, Aaliyah Cabrera and Brianna Garcia all play crucial roles defensively.

Sunrise Mountain

Sunrise Mountain enters the postseason as the 5A Northwest Region champs and only three losses on the year, each of which were close one-point matches. "We've been successful because of everyone's commitment to work hard every game," coach Sean Fallon says of this year's team. "Everyone has a good understanding of what's expected of them and each other." The Mustangs are another team with a stout defense, having allowed only five total points on the season. But they also have offensive balance, with four players who have scored 10 goals or more. Senior Lulu McIntosh leads the way with 16 goals, while freshman Bella Arcadi has added 14. "Bella has been excellent as a freshman," Fallon said. She hasn't shown any fear playing against upperclassmen, and I think the seniors have done a great job leading the team." Seniors Sara Stewart (12) and Gracie Madeya (10) have combined for 22 goals on the season.

THE 4A BOYS FIELD IS WIDE OPEN AND UNPREDICTABLE

Andy Morales
AZPreps365.com

The Salpointe boys have won four of the last five 4A state championships, including the last three in a row, but the Lancers come in this year as a No. 4 seed instead of the top seed or the second seed the program has been used to.

"This season is pretty much a "rebuilding" project as we lost nine seniors from last season's state championship team, including all four of our starting defenders as well as midfielders Diego Veliz (GCU), Nico Valenzuela (Pima College) and Eric Nguyen (Pima College)," legendary head coach Wolfgang Weber explained.

"Four of our losses are against top 6A teams Hamilton (2-1), Sunnyside (2-0), and two to Tucson High (1-1 lost in PK and 3-2 lost in OT)," Weber pointed out. "We feel that these games versus top-level competition are an important part of our "path of continuous improvement" and may put us in a better position to compete late in the season."

Lancer junior forward Leo Gutierrez has scored 100 career goals this year, only the fourth player in Salpointe history to reach that milestone.

Flagstaff (11-0-1 in ranking matches) is the top seed this year and this is the highest ranking the Eagles have had. The Eagles lost in the play-in round last year. The Eagles open up with a match against No. 16 Pueblo (4-7-1) after the Warriors upset Arcadia 3-1 in the play-in tournament. If the Eagles win that match the team will have to get past the winner of No. 8 Bradshaw Mountain (10-2) and No. 9 Amphitheater (9-4) to set up a possible semifinal match with Salpointe (9-3) if the Lancers can also get that far.

"We have had great chemistry with each other," Flagstaff head coach Mike Jenkins said on his team's success this year. "The team as a whole doesn't have any MVP's but together as a group they have put together an MVP season and these boys are just a very hard working group that is excited to play in the post season."

Mica Mountain (11-1) is the No. 2 seed, with the program competing in its second year under a full varsity schedule. The Thunderbolts were ranked No. 44 in 2022. Mica Mountain will face No. 15 Sahuarita (5-5-2) in the first round after the Mustangs knocked off rival Walden Grove in PKs (4-3) in the play-in phase.

AZ College Prep (12-0) comes in ranked No. 3 this winter after falling to Salpointe in the semifinal round last year. "We have had success building from our progress attained over the past couple of

seasons," head coach Jeff Perry said. "We have continued to bring back a strong nucleus of players each year that have set the tone for solid results in the current year. Our seniors have been instrumental in our success this year. Landon Johnson, Jake Ruiz, Ayden Zinn, Benicio Gonzalez, Anthony Applegate and Biman Chapagai have led our team to the success we are having."

Thunderbird (11-1) comes in ranked No. 5 but the Titans dropped a 1-0 match at home to No. 7 Greenway (10-2) on Jan. 23. Thunderbird was ranked No. 20 last year and No. 27 the year before that. It's a remarkable turnaround.

"We have experienced success this season due to three factors," head coach Kirk Mearig explained. "We have a core group of juniors and seniors who have helped to bring our program back stronger after the omittance of our JV program during the COVID season. Also, there have been a few players at our school that have been focusing on playing club ball instead of on our high school team that decided to play with us this season. Lastly, I have not had a single player miss a game because of ineligibility for grades. I have set a new standard the last few seasons and the players are rising to the challenge which has made us more consistent and competitive."

Mearig mentioned a couple of his players for extra acknowledgment. "Half my team would end up on this list because as a true team, there are few that stand out above the rest and they have all played their roles relentlessly well," Mearig added. "Their ability to work as a team that has made this season special. Here are a few key players. Brian Costa takes a high percentage of shots on target, great overall athlete with speed and skill and Matthew Hernandez is an excellent communicator, reads the game with a high soccer IQ.

No. 6 Flowing Wells (8-3-1) also has a shot under head coach Jose Mada. "This season has been hectic and full of adversity, I can go on and talk about every individual on my team we've all been contributors at some point, through so many injuries this season the things that stand out the most to me is the resilience and fight in each and every one of my guys," Mada said.

"The things that make these players great is learning, growing and most importantly, anticipating change. Having to play positions they've never played to fulfill a game plan is just amazing. A few names to mention are Sebastian Guzman, whom I believe is the piece that puts this puzzle together, Noe Lebashu, our top scorer and, lastly, Kevin Chavira who is leading our team in assists."

Salpointe head coach Wolfgang Weber has over 600 career wins and ten state titles, including the last three in a row. It might be difficult to get another, or will it? (Andy Morales photo/AZPreps365)

HISTORY HAS SHOWN BEING TOP SEED DOESN'T GUARANTEE 4A GIRLS TITLE

Andy Morales
AZPreps365.com

The Salpointe girls have won six of the last seven 4A state championships with head coach Kelly Pierce winning the last five, including the last three in a row. Ranked No. 4 this winter, it might be a difficult task for the Lancers to win it all again but the team did win the 2022 state championship ranked No. 7 and the team was ranked No.3 a couple of other times and No. 4 to start the championship run. In fact, the Lancers lost a state championship in 2016 when the team was the top seed. No. 2 Walden Grove was the last team to win a 4A state championship as the top seed and that was in 2015. Being the top seed does not guarantee a state championship in the 4A Conference.

Flagstaff (12-0 in ranking matches) is the top seed this year and the Eagles won the 4A state title in 2020 as a No. 3 seed but the Eagles could break that trend and hold serve in a mostly favorable bracket that features No. 16 Mohave (5-5-1) in the first round with the Thunderbirds knocking off Mingus Union in the play-in phase to earn a state berth. If the Eagles get past Mohave the team will face the winner of No. 8 Seton Catholic (7-4-1) and No. 9 Lee Williams (8-3-1).

Flagstaff beat Seton Catholic 4-2 at home in Jan. 17 and the team beat Lee Williams 4-3 at home on Jan. 27. If Salpointe (9-1-2) makes it to the semifinal round, Flagstaff and Salpointe will meet. Head coach Savannah Berry has prepared her team for a deep run regardless of which team is coming up next.

"This year we've been successful because we have a team that has completely bought in," Berry said. "From top to bottom we have a team filled with hard workers that are selfless and truly play for each other."

Flagstaff lost 12 seniors but Berry points to two players she can count on in Payton Bean and Kate Bouck. "Payton is one of our center backs and she is our rock in the backline. Kate plays center mid, she contributes on both sides of the ball, and she totally controls the pace of the game for us," Berry added. "Both Kate and Payton are captains on our team, and they lead us both on and off the field."

Walden Grove (11-0-1) has an overtime tie with Salpointe way back on Dec. 6 but 11 straight wins from there, with an average score of 7-0, propelled the Red Wolves to a No. 2 seed. As men-

tioned before, Walden Grove is the last team to win the conference championship as the top seed. The team opens up with ALA-Queen Creek (8-4) in the first round, after the Patriots beat Coconino in the play-in phase. The Red Wolves will play the winner of No. 7 Arcadia (8-3-1) and No 10 Paradise Honors (11-1) in the quarterfinal round if the team gets past ALA-Queen Creek.

"Our senior leadership is a big part to our success so far this season," Walden Grove head coach Troy Bosley explained. "From bringing energy and leadership to practices, to setting up team bonding activities, these seniors have really made this team a family and they love to play for one another."

When asked to name his most valuable players Bosley mentioned several players. "Milana Eyrich and Vivien Villarreal are both in the top three for scoring and assists in 4A as well and tied for first in points," Bosley added. "Meredith Galus and Savannah Michel control our defense and have only allowed four goals against all year. Our two senior goalies have split time this year with injuries and other factors but both have a top three average in 4A goals against. Lastly, our ladies have scored 112 goals during the season, giving up only four goals to have a plus 108 goal difference which is huge especially with some of the competition we have played this season. We hope to continue this throughout playoffs."

No. 3 Prescott (11-1) can also make some serious noise with the only loss coming at home against Flagstaff on Jan. 30 in overtime. The Badgers followed that up with 1-0 close calls against Mingus Union and Mohave to finish out the regular season.

"After falling out in the quarterfinals last year as a freshman and sophomore dominant team, the girls have committed to each other this year," Prescott head coach Paul Campuzano said. "They laugh more, they are committed to the off field bonding and have embraced the short time we have together. Riley Schroeder is a defender who is a leader in the classroom, locker room and on the field. She makes all the on-field calls and is one of the best one on one defender I have ever watched play. Her dedication to making her teammates succeed in our changing system makes her a favorite amongst teammates. Kenzie Blanchard has grabbed a starting job this year and has not looked back. Her increased speed and strength make her a defensive force and dynamic offensive problem for everyone we play. She is a player that can change the game at any moment."
