Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and talk about for years to come.

The AIA recognizes the hard work and determination it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

Participation in state championships goes beyond the boundaries of the playing arena and into the stands. The players and coaches are counting on you as the family and fans to represent the team, school and community with the highest regard. Incidents of bad behavior coming from beyond the sidelines keep rising. We want this to stop. It’s up to you. Be an ambassador for the sport and show your school spirit in the right way. As you enjoy all the championship contests, please show respect to those around you. Sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

OPEN DIVISION: PERRY BOYS HAVE SIGHTS SET ON RARE FOUR-PEAT; MESQUITE HAS ALL THE FIREPOWER TO AVENGE LAST YEAR'S TITLE GAME DEFEAT

Ben Stapley
AZPreps365.com

The Perry basketball program is entering the homestretch of what it hopes will end with its fourth consecutive state championship.

Before the Open Division playoff format was introduced two years ago in basketball, the Pumas captured the 6A title in 2022. Then came Open titles the last two seasons.

After dismantling every team in its path during its 2023 championship run, the 2024 season was more challenging. Perry entered the playoffs 19-6, including in-state losses to Brophy, Basha and Sunnyslope. The Pumas turned on their focus in the playoffs before outlasting Millennium in a state championship game for the ages, coming back from a 17-point deficit to win 71-67. With Cameron Holmes and Kingston Tosi returning, the Tigers would like nothing more than another shot this postseason.

Last year's title was significant in that it demonstrated Perry's ability to handle setbacks and execute in close games. It's something coach Sammy Duane Jr. likes again this year as Perry gears up for a fourth consecutive title run. Perry hasn't lost to an Arizona school this year, and its only two setbacks came to the No. 1 and 2 ranked teams in the nation. That doesn't mean the Pumas haven't faced challenges.

Basha, Brophy and Sunnyslope have all taken Perry four quarters, but the Pumas always seem to execute down the stretch.

"I like how poised this team is," Duane Jr. said after a win over Basha on January 31st. "We still take everything one game at a time. We know what our goal is, but we still have things to work on."

Duane Jr. knows a thing or two about winning games, championships and even 'four-peats'.

While at Corona del Sol, he led the Aztecs to four straight titles from 2012-2015. He's the first coach in large-school Arizona history to three-peat two different times, and the first to do so with different schools.

If Perry is able to run the postseason table again, Duane will become one of the few coaches in the country to win four straight at two different schools.

Senior Koa Peat has been the common denominator over the last four seasons. The 6-8, five-star recruit is among the nation's best players. He can and does play every position on the court, which bodes well for Perry's team-first approach and its talented roster.

6-5 senior wing D'Andre Harrison is having a stellar season and is the primary reason opponents cannot focus on Peat. Harrison scored 21 points in a loss to top ranked Columbus (FL) and was named Most Valuable player of the game. 6-7 sophomore Bruce Branch III has come on strong for the Pumas.

All three of Perry's big men are capable from three-point range, as is senior guard Dominic Avalos.

"It's one game at a time," Peat added. "We'll be ready."

Open Division Girls

Mesquite and Salpointe faced off in last year's 4A state championship game, with Salpointe prevailing 59-49. This postseason, both are among favorites to win the Open Division title.

"We always prefer to play the highest level of competition possible," Mesquite coach Candice Gonzales says. "I've petitioned unsuccessfully in the past to move up to 6A. Better competition can only make us better. We've advanced to the Open round of 16 before, but it won't feel like we've made it until we get to the final eight."

Reaching the quarterfinals of the Open playoff is the point of no return to conference brackets, but that's what Mesquite wants and then some. With seniors Navae Guidry (21 ppg), Lucy Fisher (14 ppg) and Kahlia Gonzales (10 points, 6 assists), the Wildcats bring the most experience and chemistry into the postseason. Coach Gonzales surpassed 500 wins this season, all of which have come at Mesquite. But the Open competition is looking formidable. Despite beating Salpointe and Gilbert early in the season, both teams appear poised for an Open run. Gilbert is young but seasoned, also with three players averaging double figures with Aspen McClees (17), Isabella Ivy (13) and her freshman sister Connessa averaging 10 points. Isabella started for Perry last season, leading Pumas to the 6A title game, and Aspen is a three year starter.

"We're really aiming for the Open title this season, but we're also taking everything one game at a time," said first year coach Savannah Bix. Meanwhile, over on the west side of town, Millennium moved up to 6A this season while Destiny Lunan got full eligibility back. The senior is averaging nearly 22 points a game and is a candidate for Player of the Year honors. Most of the Tigers losses this season have come to out of state schools. The girls basketball postseason is truly wide "Open."

There's something in the water in Gilbert. Perry boys and Mesquite girls have the firepower to win it all. (Mark Jones photos/MaxPreps)

3A: FLORENCE BOYS LOOKING FOR FIRST TITLE IN 50 YEARS; CHINLE GIRLS AIM FOR PROGRAM'S FIRST CHAMPIONSHIP

Brian M. Bergner Jr.
AZPreps365.com

It's been 50 years since the boys basketball team from Florence hoisted a state championship trophy, but a No. 2 seed in the 3A state playoffs this February has Gopher basketball fans excited that could change in the coming weeks.

A top-5 basketball squad all season, Florence (23-4, 7-3 3A Central) lost early in the Open Copper Division, 72-54 to North Valley Christian, but Valley Christian, Gilbert Christian and Yuma Catholic all advanced to the Final Four, potentially paving the way for a Gophers-Benjamin Franklin showdown in the 3A state championship.

Teams that advance through the first two rounds within the new Open Copper Division format do not return to their respective conference state tournaments.

After being reseeded, No. 1 Benjamin Franklin (lost 67-61 to ALA-Ironwood in Copper first round) and No. 2 Florence will get a first-round bye and their journey to a 3A championship will begin Feb. 22.

Florence coach David Silvas believes his club will have to be "physically and mentally sharp" if they are to achieve their goal of winning the program's first title since 1975.

"[We need to] compete on every play, both offensively and defensively... [We play] hard nose defense. I like to have our defense be our offense," Silvas said, adding that anyone within the 14-team field "has what it takes to win a championship."

The Gophers certainly have the pedigree to win a title, especially after starting the season a perfect 18-0, not losing a game until Jan. 17 against Coolidge, 48-44, a loss they avenged at Coolidge's home gym on Feb. 4, 57-48.

Players to watch on Florence include seniors Logan Stenson and Adrian Taufasau, along with super sophomore Brody Ramirez.

Ramirez is tied for the team lead in scoring with 15 points per game, while averaging nearly two assists and two steals per game.

Stenson (15 ppg) and Taufasau (13.5 ppg) are next up in the scoring department, but both are averaging double-doubles with 10.1 and 10.3 rebounds per game, respectively.

As for Benjamin Franklin (25-4, 10-3 3A Metro), which has won 10 of their last 12 games, coach Jonathan Magnus said his club will need to focus on the "defense that got us here" if they are to win a title.

"Our strength is how well we play together," Magnus said. We are defense first team. Our half court defense is great and it helps lead to fast-break offense."

Team captain Talan Speir, a junior who averaged 12.3 points, 4.6 rebounds, and 2.6 assists per game this season, will lead the way, while brothers Landon and Bennett Christensen have been steady all season.

Landon, a senior, led the Chargers in scoring with 12.9 points per game and 5.4 rebounds per game this season, while his younger brother Bennett, a freshman, contributed across the board and played in all 29 games this winter.

Chinle Girls

The Chinle girls basketball team earned a No. 1 overall seed in the Open Copper Division, but lost 48-39 to a really tough Tuba City club in second round action and have found themselves as the top seed in the 3A state playoffs.

It was only their second loss all season, the first coming against Campo Verde way back on Dec. 14, 45-40. The Wildcats (28-2, 11-0 3A North) had won 18 straight prior to the loss to Tuba City, a club they had beaten 53-42 just one week prior.

Searching for the program's first championship, Chinle has made a title game on two different occasions, once in 1974, and more recently in 2022, a 66-64 overtime loss to Alcheyay.

In an interview prior to the Open Copper Division tournament, Chinle coach Francine McCurtain said she wished her club could focus on the 3A tournament first, then the Copper Division, but they would see how things play out.

Now, she gets her wish.

"I say this because our kids grew up dreaming of playing for the 3A state title," McCurtain said, adding that she is so proud of her players. "[They have] worked so hard. We have had a lot of fun and now as we are in the postseason, the season has flown by. I wish [all teams] the best, and let's go!"

The AIA requests that you model good sportsmanship by refraining from derogatory cheers, chants, or behavior toward students, coaches, officials, or other spectators. Speak out if you see inappropriate behavior by immediately notifying event management staff. Together, we can provide a safe and respectful environment for all.

OFFICIALS:

ESSENTIAL MEMBERS OF EVERY STARTING LINEUP

Without officials, today's event would not be possible. They deserve thanks and appreciation for dedicating their nights and weekends, so our students can always play the sports they love.

MIAMI GIRLS, ARIZONA LUTHERAN BOYS HIGHLIGHT 2A PLAYOFF BRACKETS

Brian M. Bergner Jr.
AZPreps365.com

It's been nearly 30 years since the Miami girls basketball team has won a state championship, and in this year's 2A state bracket, it hopes to change its fortune.

A season ago, Miami made it all the way to the title game, only to lose to then No. 1-seeded Phoenix Country Day, 60-30. It was the program's first championship appearance since 1987, when they won the 3A title.

The Vandals (27-2, 8-0 2A East) earned a No. 4 seed in the Open Copper Division, beating Valley Christian 72-40 last week before losing to Page, 66-27. Now reassigned to their more familiar 2A state bracket, since a team can lose in the first two rounds of the Open without being eliminated, Miami is the No. 1 overall seed.

But to claim a title, coach Crystal Pietila said her club will have to "limit turnovers" and move the ball around on offense, while focusing on taking high quality shots.

"Off the court, it will take laser-sharp focus not to look to the left, or the right, but keep pushing forward in the efforts of achieving our ultimate goal," Pietila said.

Sophomore Tamia Pietila, a 1,300-point scorer who leads the state with 23.1 points per game and manages to grab 7.2 rebounds per game, while racking up 6.6 assists and 7.2 steals per game, leads the way for the Vandals. Others to watch for Miami include Demetria Dosela, Savannah Pietila, Leeyah Goss and Aeri-ana Brown.

"We play a fast-paced game. We like to pressure the ball and score off other team's turnovers," coach Pietila said, adding later that the program has achieved tremendous success coming from a school of just 278 students.

"We've been fortunate to play some of the best teams in the state. ... That has helped us on our journey to capture the 2A state championship."

The Vandals will host the winner of the Mohave Accelerated-Tombstone game Feb. 21, with a 7 p.m. tip off.

2A Boys Bracket

The Arizona Lutheran boys basketball team enters the 2A state playoffs as the No. 2 seed after making the Open Copper Division, only to lose in round one to Rancho Solano Prep, 51-35.

Veteran coach Doug Meyer said his club will need to cut down on turnovers and rebound better if it is to advance in the 2A state bracket, which gets underway Feb. 18.

"We have been a great defensive team," Meyer said. "We need to be solid with the ball and make sure we get the ball in the hands of our playmakers."

Those playmakers include Owen Beilke, a 6-foot-5 senior who averages 18 points, 10 rebounds and 2.8 blocks per game, and Cash Hill, a sophomore shooter who can get to the rim when necessary.

"We may focus on man-to-man defense and rebounding, but [we] do run and try to score in transition," Meyer said.

At the No. 2 seed, Arizona Lutheran (20-8, 7-1 2A Valley), has a first-round bye in the 2A playoffs, and will see the Horizon Honors-Morenci winner. The Coyotes will be looking to add a fourth banner to the gym, having won state titles in 1999, 2014 and 2015.

No. 3-seeded North Valley Christian, on the other hand, will be looking to add their first 2A state banner to the rafters, having won two in 1A in 2021 and 2023.

Coach Randy Walker, who saw his club beat 3A conference foe Florence 72-54 (top-5 3A) before losing to three-time 3A champ Valley Christian 82-48 in the Open Copper Division last week, believes if his club can focus on playing "consistent basketball" for four quarters, they can be tough to beat.

"We try not to focus too much on the outcome, but rather the process of being the best we can be as a team," Walker said. "The most important game of the year is the next game and that is St. Johns."

Senior Bobby Rodriguez (13.9 ppg, 4.2 assists per game) and sophomore Zathan Ruffin (14 ppg, 7.9 rpg) are ones to watch for Lions (20-6, 8-0 2A West).

"It is our first year in 2A and it seems like it is very competitive this year," Walker said, adding later, "We try to play balanced basketball. Run when the opportunity is there but also be able to play disciplined basketball in the half court."

The Vandals have won 27 games and are currently the No. 1 seed in the 2A state playoffs, which earned the team a first-round bye. (Colby Photography, via Miami Athletics/Courtesy)

1A: SELIGMAN BOYS, JOSEPH CITY GIRLS EARN No. 1 SEEDS

Jose Garcia
AZPreps365.com

Coach Perry Curley believed that his program's trajectory was about to change when Montae Walker, Carmelo Manakaja, Leathan Beecher and Quilan O'Brien walked into his gym four years ago.

The longtime Seligman Antelopes coach was right. That group helped revive a dormant program that hadn't experienced much success since 2006.

Those then freshmen are now seniors leading a program that garnered the No. 1 seed in the 1A boys state tournament this season.

"There is pressure (as the No. 1 seed), but I knew when those kids came this was the team that was going to do it," Curley said.

Along the way, the Antelopes welcomed with open arms another valuable piece, California transfer Hunter Silas.

The junior point guard brought with him defensive intensity, three-point shooting ability and quickness, much needed assets for a team that lacks some depth. It's no secret in 1A that Walker and Manakaja are Seligman's primary production sources.

Both of them reached the 1,000 point career mark last season.

This season, they lead the 1A with 14 double doubles each. Walker, the quiet, athletic leader of the team, also was at or near the top in points (No. 1 with 25.1 ppg), rebounds (9.8 per game), threes (71), assists (4.5 per game), and was the 1A's leader in steals (6.1 per game.)

Helping develop Walker as a 1A Player of the Year candidate is his dad Dion, a Seligman assistant. Manakaja (19 ppg, 9 rpg, 2.2 blocks per game) also is an all-over-the-court threat.

The 5-11 senior also has produced some highlight reel dunks along the way. Beecher and O'Brien are protecting the low post for the Antelopes admirably.

A valuable sixth man also has emerged for the team, Emery Jackson, a junior forward who contributes on both ends. Seligman is about an hour or so west of Flagstaff and about 35 minutes away from the Hualapai Indian Reservation.

A group of Seligman players from Hualapai make the round-trip trek during the school week. One of those players is Walker, whose mom used to play at Seligman for Curley's wife, Joanne, who is now Seligman's athletic director.

The partnership between Curleys also is allowing Seligman's boys basketball team to thrive this season. The Curleys have been married for 47 years, and Curley started coaching at the school in the 1980s.

"I had no choice," he joked about joining forces with his wife after she recruited him. "She's my mentor and basically tells me what she sees on the court."

Joanne has two basketball rings and four state runner-up trophies to her name.

The focus is now to help the boys win their first title in 19 years. The road toward that objective begins on Feb. 21 when the Antelopes play the first round winner of the Desert Heights-Williams match.

State title or bust for Joseph City

Dan Bushman and his players aren't tired of talking about what happened the last two years.

In fact, the topic—losing twice in the 1A final—is raised about two or three times a week by his team. The Wildcats aren't mincing words when it comes to what they want this year: a ring.

"We know we can do it," said Joseph City's leader April Neill. "We are so hungry."

What they don't talk about anymore is what went wrong last year during its 49-39 loss to St. David.

That was done at the start of this season.

"What we continually address is the phrase 'stick to the game and play our game,' and that got away from us last year," Bushman said. "We got a little frantic and got away from the game plan."

The last two years the Wildcats entered the state tournament as the No. 2 seed, but this year they are the clear favorite, with a 27-5 record and a No. 1 seed.

Eight of the 12 players have represented Joseph City on the court the last three years, including the floor generals, Neill and four-year starter Gabrielle Jesmer.

"Every team needs an April," Bushman said. "She works so incredibly hard. There is nothing she is not willing to do. She is a kind of person who will get after somebody but not be mad at them."

Neill, a senior shooting forward, is a three-time region player of the year.

Her twin sisters, juniors Amber and Audrey, are two-year starters for Joseph City. Their father, Aaron, is a former Grand Canyon University basketball player and is an assistant coach for Joseph City.

Another assistant, Daniel Hutchens, guided Joseph City to the 1A softball title last year. Some of the softball players also play basketball.

Jesmer also has two sisters on the team, McKenzie and Samantha. Moving Samantha to the sixth man spot proved to be a rewarding for the team, Bushman said.

"(Gabrielle) is one of the best ball handlers I'll ever coach," Bushman said. "She is the quiet leader, and if she gets mad it's because of something that is true."

The last time Joseph City won a crown in girls basketball was 2003.

Three years prior, Bushman graduated from Joseph City.

He served in the Utah U.S. Army National Guard for 10 years before returning to Joseph City to coach.

"I love coaching because for me it's a puzzle piece to figuring out what makes somebody work," he said. "You work with them on a personal level and get to know their likes and dislikes and help them crack the code to be successful."

Joseph City doesn't have to crack a code to win a title.

They know what they have to do.

They just have to get the job done finally.

It's been a long time since the Seligman Antelopes enjoyed this much success. (Photo courtesy of Seligman athletics)
