Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and talk about for years to come.

The AIA recognizes the hard work and determination it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

Participation in state championships goes beyond the boundaries of the playing arena and into the stands. The players and coaches are counting on you as the family and fans to represent the team, school and community with the highest regard. Incidents of bad behavior coming from beyond the sidelines keep rising. We want this to stop. It’s up to you. Be an ambassador for the sport and show your school spirit in the right way. As you enjoy all the championship contests, please show respect to those around you. Sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

VALLEY CHRISTIAN BOYS, CHINLE GIRLS EARN No. 1 SEEDS HEADING INTO INAUGURAL COPPER DIVISION PLAYOFFS

Brian M. Bergner Jr.
AZPreps365.com

Having won three straight 3A championships, a new challenge is on the horizon for the Valley Christian boys basketball team.

The Copper Division.

In its inaugural season, the Copper Division consists of the top 16 teams in 3A, 2A and 1A conferences combined playing for a title. It offers an interesting look at finding out what team really is the best of the best when it comes to smaller schools in the state of Arizona.

Coach Greg Haagsma of Valley Christian, which earned a No. 1 seed in the Copper Division after finishing 22-3 overall while claiming a 3A Central Region title by sporting an unblemished 10-0 record, said he would never “diminish winning any title” when asked about the potential new challenge for his club after dominating 3A the past three seasons.

“Being able to call yourself a champion at the end of the season is a great accomplishment that takes a lot of hard work, some luck in staying healthy, and having your team gel at the right time, and on any given night,” Haagsma said. “Each of those 3A titles was special. We are excited for the Copper Division as it brings in another group of very good teams to compete against.”

He gave a shoutout to San Tan Charter, which is No. 6 in the Copper Division (No. 2 in 2A) as an example of a team that could compete at any small school level.

“San Tan Charter is a truly great team that we may run into. I am not sure we can compete with them but are excited about all the challenges that lie ahead,” Haagsma said.

And depending on how things go for each of the 16 teams in the field, they could still end up in their respective conference state tournaments if they lose in the first two rounds of the Copper Division.

Haagsma said there’s a lot that goes with winning a title, and Valley Christian is no different.

“[We are] trying to get healthy first and just continuing to

go day by day and improve as a team. We have details to continue to improve upon first that will help us to achieve goals that this team has set for itself,” Haagsma said, adding that his club has “great team chemistry.”

“[We have great] leadership, [and] versatility in that we can play position-less basketball, but we also have guys that can guard and play offense in the post as well,” Haagsma said.

Seniors Carson and Kyle Grier, along with junior Colby Jessup lead the way for the Trojans, which has won nine state championships in program history.

With Jessup’s 23.3 points per game leading the way, the “Big 3” average 56.5 points per game between themselves, a large chunk of the 77.1 per game the Trojans average.

Valley Christian opens with No. 16 Coolidge on Wednesday, Feb. 12. Tipoff is set for 7 p.m.

Chinle Girls

With two state championship appearances in 2022 and 1974 without coming away with a ring, the Chinle girls basketball team is hoping their top ranking in the inaugural Copper Division will change that.

And having lost only one game this season, Chinle (27-1, 11-0 3A North) may turn those hopes into reality rather quickly.

Scheduled to open the Copper Division tournament as the No. 1 seed, the Wildcats are set to host No. 16 St. Johns and coach Francine McCurtain believes her club will lean on the seniors to win it all.

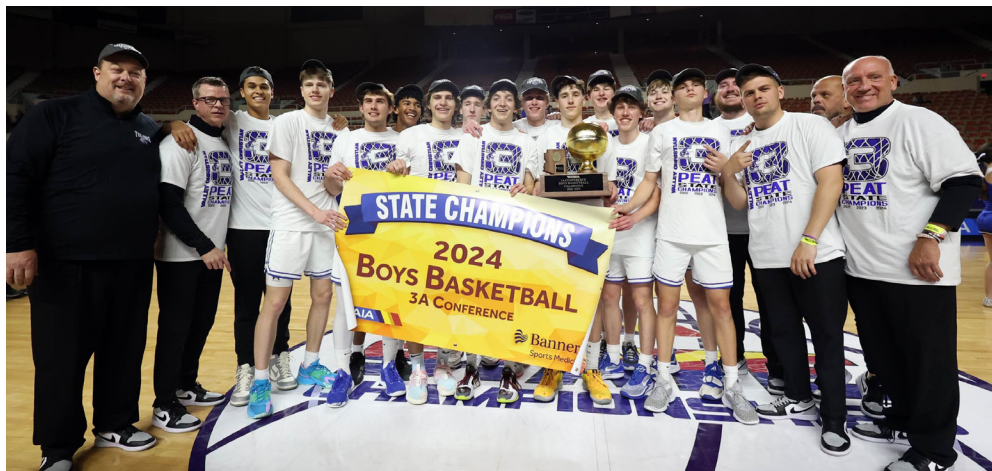

“I believe having five senior starters, who are veterans, is one of our biggest strengths. They know each other like the back of their own hand. They don’t blame each other for mistakes, but they encourage to do better each time they set their feet on the court,” McCurtain said.

Those seniors include Jayden Lynch, Noelle Walker, Alyssa Williams, Qoah Yazzie and Dizhoon White, who leads the team in scoring (15 ppg) and rebounding (5.5) per game.

“[She] is our other senior captain who is our post player. She has grown to be quite unstoppable on the inside,” McCurtain said. “She is quite the leader by scoring in the paint and also runs the floor as a big.”

Yazzie, who is second in scoring at 11.6 points per game, is the other team captain.

“She is our all-around player who can bring up the ball and then also post up. She is the most vocal leader we have and is a very unselfish player who gets her teammates involved,” McCurtain said.

Valley Christian poses for a photo after claiming the 3A state championship in 2024. The Trojans have won three straight 3A titles and are now the No. 1 seed in the inaugural Copper Division state tournament. (Kevin French photo/MaxPreps)

NOTHING OUTPERFORMS INCLUSION!

While we all want our students to succeed today, what's also valuable is ensuring that inclusion is always at play. When a diverse group of students share one common pursuit, they develop compassion and empathy for their teammates and competitors.

That's the best possible outcome in high school sports—because every team and every student wins!
