INTERSCHOLASTIC
ASSOCIATION

Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and talk about for years to come.

The AIA recognizes the hard work and determination it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

Participation in state championships goes beyond the boundaries of the playing arena and into the stands. The players and coaches are counting on you as the family and fans to represent the team, school and community with the highest regard. Incidents of bad behavior coming from beyond the sidelines keep rising. We want this to stop. It’s up to you. Be an ambassador for the sport and show your school spirit in the right way. As you enjoy all the championship contests, please show respect to those around you. Sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

NATIONALLY RANKED HAMILTON THE TEAM TO BEAT IN 6A

By: Ben Stapley
AZPreps365.com

The second regular season of flag football in Arizona leaves no doubt that Hamilton is the team to beat in 6A.

The Huskies enter the postseason with not only a perfect record, but without a legitimate challenge from any 6A team. The closest margin of victory was a 17-7 win over 5A Canyon View, when Hamilton kept All-State quarterback Katelyn Jewell and co. out of the end zone until the final minutes. The Huskies outscored opponents by an average score of 34-2, with only four of their opponents scoring.

Despite his team's dominance, coach Matt Stone is not making any assumptions heading into the playoffs.

"In different tournaments last year, three different teams entered the playoffs without a loss, none of them made a championship game and only one made it to the semifinals," Stone said of last year's postseason.

"So we know nothing is taken for granted, no matter your ranking or record, everything must be earned."

Hamilton certainly earned the No. 1 seed. The Huskies faced three of the top seven tournament seeds (No. 2 Basha, No. 5 Highland, No. 7 Red Mountain), beating them by a cumulative score of 103-6.

The Huskies are talented, deep and rarely allow open receivers with their lightning quick defense. They also boast one of the best players in the country in receiver Samaya Taylor-Jenkins. But perhaps the key this year has been the prolific performance of quarterback Marlie Phillips. The freshman has thrown for nearly 3,700 yards and 54 touchdowns. With Taylor-Jenkins hauling in 125 catches and 1,730 receiving yards, The Phillips and Taylor-Jenkins chemistry make Hamilton's offense virtually unstoppable.

But Phillips' maturity and dedication are what make her such a natural leader.

"Marlie Phillips has had a phenomenal freshman season," Stone said of Phillips. "The physical gifts are obvious, but what she focuses on the most, and what I truly appreciate more than anything, is her mental preparation. She approaches each game like she's studying for the Bar exam and she wants to leave no margin for failure. She also has a very calm demeanor, which allows her to recover quickly from the inevitable errors that are a part of every game."

Taylor-Jenkins has also led a Husky defense that makes it nearly impossible for opponents to score. The junior leads the secondary with eight of Hamilton's 22 interceptions. Asia Denson and Demi Woods lead the Huskies in tackles, with Denson adding 20 sacks to lead the team.

Semifinal Rematch?

The Huskies have the talent and coaching to bring home a 6A championship. They also have last year's playoff loss to learn from, a 20-16 semifinal heartbreaker to eventual state champion Mountain View.

The Toros (15-2) had another solid regular season, including a 24-0 win over No. 2 Basha and close wins over Highland and Red Mountain. Mountain View ended up with the No. 4 seed, which means if it takes care of its first two opponents, the Toros could be on a collision course with Hamilton in a semifinal matchup.

The Toros do not have the same firepower as the Huskies, but they do have an experienced quarterback in sophomore Tiera Metcalfe (2,548 yds, 29 TDs) who was clutch in last season's playoff run. Experienced defenders like Ginny Wilson and Jersey Leavitt have allowed an average of seven points per game. According to Stone, Mountain View also plays with the most important intangible; "They just know how to win. They're always in a good defensive position and they always play with grit."

As the defending 6A champions, the Toros had to adjust to opponents taking their best shot early on. "Last year's team had expectations but did not have a target on their back the whole season," Mountain View coach Jesus Arzaga says of this year's team.

Senior Lucee Lamoreaux is the big playmaker offensively, with over 1,400 yards rushing and receiving.

But like every other team, the Toros have to take one game at a time. Teams like Highland, Millennium and Red Mountain are capable. Marana rusher Nami Singer can disrupt any offense. "Anyone who reaches the playoffs is capable," Stone added.

The title game will be played at Chandler High November 23 at 6pm.

*Hamilton's Samaya Taylor-Jenkins led the Huskies to a 13-0 record and the No. 1 seed in 6A, and is considered a top receiver in the country.

MOUNTAIN POINTE READY TO TURN THE TABLES IN 5A

By: Jose Garcia
AZPreps365.com

Mountain Pointe went through its share of highs and lows last year in the 6A Conference.

This year, it seems, was filled with just highs. After moving down to 5A, the Pride are the only team in the conference without a power rankings loss.

They were rewarded for their success with a No. 1 seed. Based on its tough schedule and results, the top seed fits Mountain Pointe.

But there's also something else they want to wear: championship rings.

"We have set our goals on championship or bust since the beginning," Mountain Pointe coach Sergio Ramirez said. "We seem to be peaking at the right time."

The Pride proved their No. 1 seed worth after defeating defending 5A champ Campo Verde 14-7 and 6A playoff entrant Desert Vista, 19-16, in the Tukee Bowl.

Ramirez's team also was tested by 5A's No. 9 seed Desert Edge in their regular season finale. It helps that Mountain Pointe is home to one of the best signal callers in the state, Amaya Moreno, who along with Moriah Green have been a "fantastic connection."

Athlete Jordynn Carriere is coming on as of late as well. The defense also has been stout, negating seven opponents to score more than seven points.

"We are looking forward to the playoff push and getting healthy for a deep run," Ramirez said.

Canyon View ready for another run

On Nov. 7, when Canyon View and Campo Verde met for the third time in the past two seasons, the stakes were high once again.

Despite losing 35-0 to Canyon View in the regular season last year, Campo Verde defeated Canyon View 14-13 in last year's 5A final classic.

But on Nov. 7, Canyon View got the better of the other CV, 28-17.

"The big question I've been getting is whether tonight's Campo Verde game was a redemption game or not," said Canyon View coach Cory Beal before the Nov. 7 game was played. "Yes and no. This isn't redemption, but we didn't do anything wrong. We just got beat. We didn't lose. We learned."

Stay tuned, because we may get a CV Chapter IV.

If they win their first two playoff games, Canyon View, the No. 2 seed, and third seed Campo Verde will meet in the semifinals. Both teams start super stars who can take over.

Katelyn Jewell (110 touchdown passes in just two years) is the on-the-field coach and surgeon for Canyon View.

"She diagnoses a defense and operates with precision in the game," Beal said.

Can Campo Verde repeat what it accomplished last year? (Jose Garcia photo/AZPreps365)

There's also one of the state's best two-way players, Makenzie Pope. Teams are hesitant to throw to her side, even while she's covering the opponents' best receivers.

This year, Maycie Bassett got her due after being named her region's defensive player of the year.

"Maycie's flags and sacks are down, but that is because we are asking her to do different things due to our pass rush not needing her on the line as much," Beal said.

But it takes more than just three players to get this far.

"This team is athletic, smart and works as hard as anyone on the field and off," coach added. "We will be prepared going into the playoffs no matter who the opponent is."

Campo Verde in similar territory

As the defending champ of the first ever 5A title game, Campo Verde is the measuring stick.

The Coyotes, while playing with a big target on their backs, lost four games—two to 6A playoff teams. The other two defeats came to the aforementioned teams in this story.

Those four defeats were close games, including Campo Verde's toe-to-toe battle with 6A's top-seeded Hamilton Huskies during the regular season. At 8-4, the Coyotes enter this year's playoffs with the same record as last year.

"We are excited for the opportunity that we are facing this season as we look to defend the title, and all the work we've put in over the spring and summer have hopefully prepared our girls for the moments ahead," coach Brian Coger said.

Verrado makes big jump

Verrado went from 6-5 last year to 11-1 this season.

Freshman Mia Williams' 41 touchdown passes helped turn the program into a contender. But Sr. Dakota Chazarro, Jr. Giselle Wilkinson, Fr. Sanaa Holiday, Sr. Greenlee Henderson, Jr. Allison Rospierski, and Sr. Tae Scott also were key contributors.

"The team has come together well, showing resilience and adaptability, especially against stronger opponents," coach Terry Barnes said.

Pick your Casa Grande poison

The Casa Grande Cougars—19-5 in their first two seasons—are off to a great program start.

This year, they have multiple two-way weapons taking turns dismantling opponents. The big names are DB/WR Kayla Tacker (15 INTs, 22 TDs), DB/RB Lynisee Armstrong (19 TDs, 1,400 total yards, 7 INTs), QB/LB Sarah Mountz (35 TD passes, over 2,500 yards, 7 field goals), DB/WR Andrea Monguia (60 flag pulls, 23 receptions), and LB/WR Andrea Valdez-Paz (11 sacks).

Buena is bueno

Buena's regular season flag football debut was impressive.

With an 11-3 record, it earned the No 7 seed and a first round playoff home game against No. 10 Lake Havasu. With 28 players, it carries one of the biggest rosters in the state, and with five seniors, don't expect the Colts to fall off next year.

Aryanna Garcia (1,383 passing yards), Deztaany Toyota-Villalobos (22 touchdowns), Zion McLin (459 rushing yards) and Storm Ryan (18 sacks) are the team's stat leaders.

"What has been particularly impressive is the girls' commitment to this new program," coach Stephen Braswell said. "At the start of the season, they had little expectation of what the sport could bring, but their confidence has grown exponentially with each game. Today, they not only believe in their own abilities but also in one another, which has fostered a strong sense of unity and teamwork."

Upwards and onwards for ACP

Maxx Alger, Arizona College Prep's coach, guided the new program to an 8-5 record and playoff appearance.

"I've been consistently impressed by the team's resilience—how they bounce back from tough plays and keep a positive attitude," said Arizona College Prep coach Maxx Alger said. "I believe our success this season comes from creating a positive environment where everyone works together to make the tough decisions that are ultimately best for the team."

NOTHING OUTPERFORMS INCLUSION!

While we all want our students to succeed today, what's also valuable is ensuring that inclusion is always at play. When a diverse group of students share one common pursuit, they develop compassion and empathy for their teammates and competitors.

That's the best possible outcome in high school sports—because every team and every student wins!

FIRST YEAR FOR THE 4A STATE PLAYOFFS INCLUDES EIGHT NEW TEAMS

By: Andy Morales
AZPreps365.com

This is the first year for the 4A Conference with the explosion of 54 teams in 2023 to 101 this fall with 38 of those competing at the 4A level. The top 16 playoff programs include two undefeated teams and three teams with only one loss and only one of those programs fielded a team last year. Even more, eight of the 16 teams did not play last fall including the top-ranked team, St. Mary's.

St. Mary's (10-0) gave up 34 points all year but 21 of those came in a 28-21 double-overtime win over No. 3 Mesquite in the last game of the regular season. St. Mary's beat No. 4 Heritage Academy Laveen 20-7 in late October and No. 12 Deer Valley 21-0 in late September. The Knights will face No. 16 Arcadia (6-6) in the first round. The team is led by senior QB Giahni Ruiz, who is also a standout infielder for the St. Mary's softball team in the spring. Senior Gwen Carter leads the team in rushing and receiving. Carter also averages about 10 points a game for the basketball team. This is the first year for the Knights and for Arcadia.

No. 2 Prescott (12-0) is also playing flag football for the first time. The Badgers will be playing No. 15 Lee Williams (7-3) in the first round. This is also the first year for the Volunteers. Prescott beat No. 6 Coconino 17-14 on October 15, No. 10 Mingus Union 24-0 on October 29, No. 12 Deer Valley 24-10 on October 3 and No. 13 Flagstaff 34-7 on November 5.

"We are excited about our season and to get into the playoffs and continue to compete," Prescott head coach Ryan Hart said. "The girls in our program have stepped up to face every challenge that has come upon them so far. I think the defense is the story of what defines us at this point; where we are still so early in the history of Prescott High School flag football."

No. 3 Mesquite (9-1) went 10-5 last year with a quarterfinal finish in the 5A Conference. Mesquite beat No. 5 Scottsdale Christian 14-10 on October 28, No. 7 Benjamin Franklin 35-7 on October 2 and No. 16 Arcadia 13-6 on November 5 and the Wildcats will play No. 14 St. John Paul II (8-4) in the first round. The Lions went 2-10 last year.

"Our team is very balanced on both sides of the ball which has helped our team accrue the record that we have earned so far," Mesquite head coach Chad Montgomery said. "As far as individual performers, our QB Jordyn Flores is one of the top dual threat QBs in the state while our defense is led by Mariah Willis and Charli Brown."

No. 4 Heritage Academy Laveen (10-1) is playing for the first time and the Heroes will play No. 13 Flagstaff (7-6) in the first round. The Eagles went 11-3 last year with a quarterfinal finish in the 5A Conference.

"This has been a fun and fantastic year. This team is actually made up of a lot of state champions softball players," Heritage Academy head coach Steve LaDrigue said. "We won state in 2A in softball last spring and the softball girls wanted to play flag so I told the AD if we could start a flag program I would lead it. Our offense is led by sophomore Savana Soltero, whose twin sister Sieana Soltero is the half-back. Speedster Gloriann Blanco and Alesi Grijalva are also active playmakers on the offensive side of the ball. Our defensive leader is senior Alesi Grijalva."

No. 5 Scottsdale Christian (10-1) is playing in its first year and the Eagles will be playing No. 12 Deer Valley (8-4) in the first round. The Skyhawks went 0-12 last year and this is one of the biggest turnarounds in flag football. Scottsdale Christian beat No. 8 Crismon (9-2) 17-6 in the last game of the regular season and No. 16 Arcadia 26-13 on September 24. As mentioned before, the Eagles lost to No. 3 Mesquite 14-10, the only blemish on the schedule. The loss also handed the 4A Desert Sky Region championship to Mesquite.

St. Mary's went 10-0 with a double overtime win over Mesquite to end the regular season. (St. Mary's photo)
