INTERSCHOLASTIC
ASSOCIATION

Welcome to the State Championships

On behalf of the Arizona Interscholastic Association, I would like to welcome all the participants, coaches, family and friends to our state championships. It is our pleasure to create an event that fans will enjoy and talk about for years to come.

The AIA recognizes the hard work and determination it took to get here, as well as the sacrifices made along the way. The membership continues to grow, opening more avenues for participation. And for that, we say thank you. The student-athletes, administrators, coaches and families have all earned our gratitude. You are what drives us.

While attending this championship, we hope that it is an enjoyable experience for all. The lessons learned regarding sportsmanship and fair play are elevated here. Athletics are an extension of the classroom, which is why we accentuate the “student” in student-athlete.

Participation in state championships goes beyond the boundaries of the playing arena and into the stands. The players and coaches are counting on you as the family and fans to represent the team, school and community with the highest regard. Incidents of bad behavior coming from beyond the sidelines keep rising. We want this to stop. It’s up to you. Be an ambassador for the sport and show your school spirit in the right way. As you enjoy all the championship contests, please show respect to those around you. Sports are meant to be fun and enjoyed by not only those participating, but those in attendance.

State championships are just a springboard to the success these student-athletes will achieve when the competition is over. In the process of deriving enjoyment from participation in athletics, our student-athletes are learning lifelong skills that will help them develop into healthy adults and productive citizens. National research continues to validate that students involved in extracurricular activities attend more days of school, perform better in the classroom and have less behavioral issues. This also includes lower dropout, alcohol and drug abuse rates as compared to those who do not participate. The benefits of participation are extensive.

Since the AIA’s inception in 1913, the association vigorously defends and promotes the positive developments of athletics, creates a culture that fosters self-governance and ethical behavior, and teaches, enforces, advocates and models the principles of the Arizona Accord and “Pursuing Victory With Honor.” Today, over 130,000 student-athletes statewide benefit from the leadership of our Board, administrators and hard-working coaches on an annual basis as we are “building character now ... for the future.”

The AIA hopes this championship, as well as any others you may attend, achieves the level of excellence our student-athletes deserve. Remember that these are “our students, our teams ... our future.”

DIVISION I PREVIEW

By Andy Morales
AZPreps365.com

Rincon/University senior Amelia North has made one of the biggest climbs in running history from 91st place in the Division I State Cross Country Meet as a freshman with a time of 23:29, to 36th as a sophomore with a time of 21:00.5, to tenth place as a junior with a time of 19:20.7 to second place last fall with a time of 18:13.8. Only two-time state champion, and Arizona Gatorade Runner of the Year, Taylor Drewry (18:09.6) of Basha stood in her way of a top finish. This spring, the University of Arizona commit, is the top seed in the 1600 meter run (5:00.56) and in the 3200 meter run (10:38.25) in the Division I State Track and Field Meet.

"I am beyond excited to announce that I have committed to running Division I cross country and track at the University of Arizona!" North said. "I want to thank God for blessing me with the talent, determination, and support to reach this point in my journey. I'd also like to thank my family for their love and support!"

North's rapid rise through the ranks drew the attention of college scouts.

"A special thank you to coach (Priscilla) Schultz, coach (Bernard) Lagat, and coach (Fred) Harvey for believing in me and giving me the chance to be part of the Arizona Wildcat family," North added. "I'm looking forward to the next chapter in my athletic and academic career and can't wait to represent the University of Arizona!"

Known primarily as a basketball standout at Tucson High, Badger sophomore Kemeko Daniels has seen her shot put distance increase from 35-4 in the beginning of March to 39-8.5 at the end of the month to 41-0.5 heading into the state tournament. Daniels will be the top seed at the state tournament with two more years to perfect her craft.

Others to look out for are Chandler standout Imani Galera-Young, who has national ranks and top state rankings in the 100 and 300 hurdles, Desert Vista junior Lizzy Gannon who holds program records in the long jump and triple jump, South Mountain standout De'Mar Coleman, who leads the state in the 100, 200 and 300 hurdles, Hamilton junior sensation Zarian Rodriguez, who leads the state in the 1600 and 3200 and Basha junior thrower Mason Aughe, who leads in the shot put and the discus.

Once the five division meets are settled, the top six places from all five of the division meets will automatically qualify for the state meet. The next 18 athletes, based on times or distances, will also be entered in the state meet scheduled for Friday and Saturday, May 16-17 at Mesa Community College.

DIVISIONS II & III PREVIEW

By Brian M. Bergner Jr.
AZPreps365.com

Breaking a 14-year-old state record in the Track and Field Open State Championships a season ago, Zalaya Dupre has burst onto the track and field scene for Copper Canyon.

Then a junior, Dupre's 41-foot, 9-1/2 inch triple jump mark in the Open a season ago beat out former Chandler great Jasmine Todd for the state's all-time record, which was 41-feet, 5 inches.

Now a senior, Dupre's Chandler Rotary mark of 41-foot, 1-inch is likely just a warmup for state as the Division II Track and Field State Championships get underway May 8 at Red Mountain High School in Mesa.

Dupre, a former basketball standout who was encouraged by her former coach, Kendrick Felix, to give track and field a try, said breaking the record was "surreal."

"I felt a rush of emotions, but most of all, I was proud of what I accomplished," Dupre said.

The University of Oklahoma commit began her track and field career as a freshman and the triple jump didn't come easy at first.

"My progress came quicker than expected, but my coaches always believed I had it in me," Dupre said, adding that she played basketball for much of her life, but gave it up this year to focus on her craft on the track.

"I credit all my success to God, who guides me through every high and low," Dupre said.

Dupre has other times to watch as well. Her 12.25 mark in the 100-meter dash at a district meet this season is good enough for seventh overall in state at the Division II level, while her best 200 time was 26.01. In the long jump, her 19-foot, 2-inch leap was best at the Chandler Rotary Invitational on March 22.

Dupre enjoys walking with her family, playing video games and reading the Bible.

"I love capturing photos and videos at sporting events, then editing them when I get home," Dupre said. "I have an incredibly supportive family who encourages me to share my talents and passions with the world."

The senior plans to study kinesiology at Oklahoma with a goal of becoming an athletic trainer while competing as a high-level athlete in track and field.

DIVISION II BOYS ATHLETE TO WATCH

Eastmark standout Bryson Nielsen holds to the top 800-meter run time this season with a 1:52.25 mark at the Arcadia Invitational back in April.

The senior isn't far off from the top 1,600-meter run time either, with a 4:15.49 mark set at the Chandler Rotary Invitational in March, only .49 seconds behind Flagstaff junior Alex Bland's 4:15 flat.

Nielsen said his favorite event is the 800 based on how "quick" the race is.

"It forces you to go almost all out for the entirety of the two

laps," Nielsen said. "It feels like an eternity when in reality it's less than two minutes."

The senior said his current top time for the 800 heading into the Division III Track and Field State Championships isn't his fastest mark, but it felt like the Arcadia effort was his best "strategically."

"It felt great knowing that was a top time for that kind of performance," Nielsen said. "I can't wait to see what I can do giving my all."

Eastmark coach Joshua Tristan said Nielsen holds himself to an "extremely high" standard.

"He fully expects to win every race regardless of distance. When he doesn't win a race, he is visibly upset," Tristan said. "He isn't just a competitor on invitational day, he is constantly grinding and putting in extra work beyond practice time to better his craft and become the best runner in the state of Arizona." In his spare time, Nielsen loves to go to the gym and swim. He's also learning how to play the guitar and said he plays his fair share of video games.

"I just need to make sure I don't overdo it," Nielsen laughed. His three brothers and family dog also keep him busy, but he attributed his success to coach Free Behrman at Eastmark and former coach Mike Roelofs at Skyline. "Both of them opened the door for me in the sport and helped me get where I am today," Nielsen said, adding later, "I love to run and travel to compete against some of the top guys in the nation."

DIVISIONS IV & V PREVIEW

By Jose Garcia
AZPreps365.com

Even Seton Catholic's Brooke Zuluaga is amazed at what she's achieved in a sport she picked up just last season.

In softball circles, the Miami of Ohio commit is known for her pitching prowess. But throwing the javelin, that seemed foreign at first.

That's until Zuluaga's powerful left arm rapidly adapted to throwing the longer, pointy object. The quick study is now a favorite to win a D-IV crown and a leading contender to win the state title.

"I definitely shocked myself," said Zuluaga about how far she's come in such a short time. "But I know if I put in a lot of work it'll help me compete against anybody."

She's not kidding.

Zuluaga went from 98' in her very first meet last year to a top-10 mark in the nation (139' 10") this season. Her support systems are allowing her to thrive as well.

Since softball and track are in the spring, her coaches, Joshua Trask and Ian Rogers, worked with her so she can compete in both. The dedicated Zuluaga just wrapped up her softball season with Region Player of the Year honors.

Her doting parents, Gina, a former NAIA volleyball national championship game participant, and Javier, a former United States Naval Academy football team co-captain, have been there every step of the way. Zuluaga's older siblings, Tessa, who played volleyball at Seton Catholic, and Luke, who starred as a Seton Catholic sprinter, have served as role models.

They've also helped Zuluaga's talents grow internationally. Through Javier's parents, Colombia granted Zuluaga citizenship, allowing her to pitch for its U-18 national team during a World Cup event last year.

"It was so much fun to travel out of country," she said. "I was the only one that spoke English, so I got to practice my Spanish."

The Seton Catholic star wants to help Colombia qualify for the 2028 Olympics.

The immediate goal is to bring home a pair of javelin titles. At state, Xavier Prep's Alexa Zowine (137'0") and Zuluaga figure to battle for top javelin honors.

"(Zuluaga) is an amazing kid to be around," Seton Catholic athlete director Jim Shewbridge said. "She's very positive and always with a smile on her face. She works hard and is determined to succeed."

Jack Kemling, ALA-West Foothills

Jack Kemling is somewhere working.

He can coast if he wants to during the final days of his accomplished high school career. But there are many more feats he wants to achieve with his feet.

For starters, the American Leadership Academy West Foothills middle distance runner is seeking 800 meter divisional and state titles before graduating. Beyond that, he's got Nike Nationals and basic training to focus on as well.

Kemling secured an appointment to the United States Military Academy at West Point. He's shooting for also qualifying for the 2028 Olympic trials.

To reach those lofty goals, Kemling's got to punch the clock daily. "I don't feel entitled to win," the very mature and bright young man said. "I have to work harder than anyone else."

"During practice, it's important for me to hold myself accountable. I hate the thought of someone else outworking me."

Kemling is the big favorite to win the Division IV 800 title.

But a highly anticipated duel is expected between Kemling and D-III's Eastmark's Bryson Nielson at state. Nielsen has gotten the better of Kemling, but Nielson can hear Kemling's paces.

They aren't separated by much (Nielson 1:52.25; Kemling 1:52.90). Those times were earned at the prestigious Arcadia Invite.

"His (Nielson) kick is insane in the last 100," Kemling said.

Kemling also is seeking titles with his 4X800 teammates Ted Hanchett, Jermaine Jolly and Ryland LeVander before graduating. In the classroom, Kemling is a straight A student. What ignited his success was failure.

In seventh grade, he placed 100th in the state meet.

"I felt terrible," he said. "It was disappointing. I was horsing around and not trying. It was a reality check almost. After that I took training more seriously."

Once practice is done now, Kemling keeps running, with his dad, Stephen, by his side.

When he was a freshman, Kemling started thinking of serving his country. His grandparents, Scott Bailey and William Kemling, served in the U.S. Army and were the inspiration for him to apply to West Point.

Kemling still has to meet certain requirements before accepting the nomination.

The senior is part of a ALA-West Foothills track and field program and club, Arizona Speedstars, that is on the rise on the West Side of the Valley.

"Jack is not stopping for anything," said ALA-West Foothills coach and Arizona Speedstars coach Phillip Ludlow said. "He's all in."

Of Note

ALA-West Foothills coach Jason LeVander's daughter, Gwendolyn, a freshman, is one of the top 3,200 meter runners (10:59.31) in the state. Gwendolyn and McClintock javelin thrower Nora Fincher (131' 8") are the only female freshmen ranked in the top-5 in their events in the state.
