Welcome to the State Championships

Welcome to the AIA State Championships! On behalf of the Arizona Interscholastic Association, all of its member schools and more than 130,000 student-athletes statewide, we are excited to host our incredible student-athletes, coaches, families, and fans for an unforgettable celebration of talent and teamwork. Your dedication and passion make this event truly special, and we are so grateful for your support!

This championship is more than just competition—it's a chance to bring school communities together to celebrate and showcase sportsmanship, school spirit, incredible athletic talent and the lessons in leadership that our student-athletes are building. From the field to the stands, let's cheer for our teams with respect and pride, creating an outstanding environment for all.

For over a century, the AIA has championed the importance of education-based athletics to shape strong, successful futures and assist in providing opportunities for student-athletes to become leaders and positive, contributing members of our future. The thousands of student-athletes that participate every year in high school athletic contests in State 48 are proof that participation builds character, boosts academic success, increases high school graduation rates and fosters healthy lives. Let's keep the energy high and honor the commitment to elevating opportunities for student-athletes and the leadership lessons it provides.

Here's to an exciting championship that inspires excellence and creates memories for years to come! Remember, that these in our community are, "our students, our teams and our future." Good luck!

5A/6A PREVIEW: HAVING YOUR FINGER ON THE PITCHING PULSE WILL BE KEY

By Jason Skoda
AZPreps365.com

The baseball postseason is like no other high school sport.

If a team depends on its top player too much it can be hampered in the next game. If the coach decides to save the top pitcher for the next game with a lead and goes to the bullpen there is an unknown variable of how the new pitcher is throwing that day.

A lead can evaporate in a matter of a handful of batters.

It would be similar to limiting the best basketball player to only so many shots per game or the running back can only have so many carries before having to miss time the next game.

The pitch count rule, in place to prevent arm injuries, was adopted by the AIA in 2016. It is a balancing act that all coaches have to deal with but there are different strategies and ideas of how to manage the pitching staff in postseason setting.

Just like anything else some coaches are better than others. Some go by gut feeling and others go by a hard-lined pitch count prescribed for certain games.

And then it might all go out the window in an elimination game.

"The biggest hurdle, or piece to the puzzle, is that first game," Casteel coach Matt Denny said. "What's a big enough lead where you are comfortable taking him out? There's a risk to taking him out of the game, but what's that number?"

"Knock on wood but we've never been buried by that. There was one year when we pulled (our guy), and it got tight. I was like I'm gonna throw up right now."

It's not an enjoyable feeling at all, but coaches understand it is part of the process as they navigate the postseason.

It is something to monitor over the next few weeks as the 6A and 5A double-elimination state championship tournaments play out, leading to the state title games on May 19 at Tempe Diablo Stadium.

The 6A field is full of great arms and contending teams, including No. 1 Queen Creek and No. 2 Casteel.

The two teams have split games this season, with both teams having quite the resume.

The top-seeded Bulldogs, who enter on a 14-game winning streak, are looking to return to the title game after winning it in 2024 and finishing as runner-up in 2023.

"We will get back to the grind and do what we need to do to get ready for the playoff run," Queen Creek senior center fielder Diego Armenta said after the regular season finale. "We're going to practice hard and make sure we are ready for whoever we play."

No. 2 Casteel knocked off the nation's top ranked team at the National High School Invitational in North Carolina in early April,

but have been uneven since returning to AZ, going 3-4 in the last seven games. The Colts, however, know how to win in May as they finished as the 6A runner-up last season after winning back-to-back 5A titles in 2024 and 2023.

And every baseball postseason includes Hamilton, seeded third, as a threat until proven otherwise. The Huskies have won nine state titles and coach Mike Woods will have them ready.

No. 7 Mesa Mountain View is one of the hottest teams in the state, coming in with a seven-game winning streak. No. 4 Corona del Sol, the defending state champion, and No. 5 Brophy will be hard to handle after a difficult regular season schedule has them prepped for the postseason.

The 5A tournament, which doesn't start its double elimination until the quarterfinal round, has a Southern Arizona feel to it.

Three of the top contenders are No. 1 Canyon del Oro, which has 10 state titles, as the Dons have won seven of eight, and No. 2 Catalina Foothills, which has won 14 of 16. The two squads split regular season games, while No. 7 Nogales has a strong record, going 9-1 in region play, and 5-3 in freedom games.

AZ College Prep won six of eight to grab the fourth seed, while No. 5 Canyon View and No. 3 Notre Dame have looked like contenders at times.

Both tournaments will be filled with tight games, extra innings, drama, tension and of course pitch count decisions.

There might be impressive records, history, and favorites, but it comes down to gut instincts and performing in the big moments.

"There's a lot of good teams and it is high school baseball," Queen Creek coach Mikel Moreno said. "I wish we could say we're locked in and ready to go. We could look really good one day, but they are 16-, 17-year-old kids and they could come out and look like crap.

"I know it is cliché, but we just go pitch by pitch, day by day and focus on the things we can influence."

Queen Creek's Frank Gearhart was clutch in his team's 8-4 victory over Casteel to secure the No. 1 seed in the 6A tournament. (Photo courtesy of Andy Silvas)

OFFICIALS: ESSENTIAL MEMBERS OF EVERY STARTING LINEUP

Without officials, today's event would not be possible. They deserve thanks and appreciation for dedicating their nights and weekends, so our students can always play the sports they love.

Think you have what it takes to make the big calls?

3A/4A PREVIEW: SALPOINTE, VALLEY CHRISTIAN LOOK TO REPEAT

By Andy Morales
AZPreps365.com

The Salpointe (19-8) Lancers won the 4A state championship last year over Flagstaff (18-7) as the top seed, and the Eagles came out of nowhere as a 14 seed to make the state final. The Eagles might need more magic to reach the final game this season, but the Lancers look to be in the mix early. The Lancers are hot, winning 15 of their last 16 games, with the loss coming at 5A power Notre Dame Prep (19-8). Salpointe is 8-0 in the Kino Region and 11-0 in the 4A Conference, and it appears the success is a complete team effort.

Lancer senior Jacob Padilla is 5-1 from the mound and fellow senior Christopher Gutierrez is 4-1. Junior Zachary Peura has 23 RBIs, and senior David Driskill has 23 RBIs and 10 doubles. Sophomore Emil Martinez has 15 stolen bases and senior Colton Raetzman is at 10. The hits and the runs can come from anywhere on the roster, with the bulk of the stat leaders coming from the top ten players.

Crismon (23-3) is 9-1 in the East Sky Region and 15-1 in conference play. The Rattlers were a 3A independent team in 2024 before making the 4A state playoffs last year as a No. 8 seed. It's a remarkable rise that head coach Greg Bordes explains, "Our success this year has really come down to preparation, accountability and team culture," Bordes explained. "Our players have bought into the idea that success happens long before the game starts. They've committed to doing the little things right every day—competing in practice, supporting one another, and playing the game the right way."

Crismon senior Brantley Coplen is 7-1 from the mound and senior Easton Wilsford has six home runs, five triples, nine doubles and 29 RBIs. Senior Aaden Lopez has five home runs, 11 doubles and 34 RBIs and junior Elijah McGuire has four home runs and 37 RBIs.

Another contender is 21-5 Sahuarita.

"We are fortunate to have an exceptional core group of juniors who have stepped up this season," head coach Sam Gelardi said. "Our key leaders include E. J. Mayer, Ayden Martinez, Gabriel Felix, Miggy Mejia, and Robby Garcia. Their leadership isn't just about their skill; it's about their character, their ability to lead by example, communicate effectively, and uplift their teammates."

In 3A, Valley Christian (19-4) took second in 2023 and then followed that up with state championships in 2024 and 2025. The Trojans are 10-0 in the 3A Central Region and 13-0 in conference play. Senior Cameron Bergloff is 5-0 from the mound with 61 strikeouts in only 36 innings of work, and senior Jaxen Maxey is 4-1 with 37 strikeouts. Senior Brock Jackson has six home runs as does sophomore Nate Danzeisen. Jackson leads the team with 33 RBI.

Yuma Catholic (20-5) took second place to Valley Christian in 2024 and again in 2025. The Shamrocks lost to the Trojans one again, this time 3-2, on April 20 in their only regular season meeting of 2026. Senior Hiram Silva is 6-3 with 81 strikeouts in 52 innings and fellow senior Jose Alatorre is 5-0 with 44 strikeouts. Alatorre also leads the team with five home runs and three triples while Silva leads the team with 32 RBIs.

Tanque Verde (18-7) lost in the play-in game last year, but the Hawks are hoping to breakthrough this year.

"The team demonstrates a strong goal-oriented mindset and driven attitude, particularly evident after their loss in the state tournament last year," head coach Tom Bleter explained. "In response, our offseason conditioning program was developed in collaboration with the coaches, team leadership, and an assessment of the team's depth, which has proven to be a crucial factor contributing to their success this season."

Seniors Santino Celani is 4-1 and Landon Walker and freshman Lucas Kriehauser are each 4-1. Senior Rocco Haggard has 12 home runs and 53 RBI, and Walker has 11 home runs with 46 RBI.

River Valley (20-5) has a new coaching staff, and current head coach Alex McMahon gives credit to the players.

"Our biggest reason for success this year is our leadership and experience," McMahon said. "We have 10 seniors on the roster and most of them have been playing together since they were young. They are insanely competitive and have the drive for excellence."

Salpointe pitcher Troy Kuhlman and teammates are aiming for a return appearance in the big game. (Andy Morales/AZPreps365)
