# Welcome to the State Championships

Welcome to the AIA State Championships! On behalf of the Arizona Interscholastic Association, all of its member schools and more than 130,000 student-athletes statewide, we are excited to host our incredible student-athletes, coaches, families, and fans for an unforgettable celebration of talent and teamwork. Your dedication and passion make this event truly special, and we are so grateful for your support!

This championship is more than just competition—it's a chance to bring school communities together to celebrate and showcase sportsmanship, school spirit, incredible athletic talent and the lessons in leadership that our student-athletes are building. From the field to the stands, let's cheer for our teams with respect and pride, creating an outstanding environment for all.

For over a century, the AIA has championed the importance of education-based athletics to shape strong, successful futures and assist in providing opportunities for student-athletes to become leaders and positive, contributing members of our future. The thousands of student-athletes that participate every year in high school athletic contests in State 48 are proof that participation builds character, boosts academic success, increases high school graduation rates and fosters healthy lives. Let's keep the energy high and honor the commitment to elevating opportunities for student-athletes and the leadership lessons it provides.

Here's to an exciting championship that inspires excellence and creates memories for years to come! Remember, that these in our community are, "our students, our teams and our future." Good luck!

# **NOTHING OUTPERFORMS INCLUSION!**

While we all want our students to succeed today, what's also valuable is ensuring that inclusion is always at play. When a diverse group of students share one common pursuit, they develop compassion and empathy for their teammates and competitors.

**That's the best possible outcome in high school sports—because every team and every student wins!**
