Welcome to the State Championships

Welcome to the AIA State Championships! On behalf of the Arizona Interscholastic Association, all of its member schools and more than 130,000 student-athletes statewide, we are excited to host our incredible student-athletes, coaches, families, and fans for an unforgettable celebration of talent and teamwork. Your dedication and passion make this event truly special, and we are so grateful for your support!

This championship is more than just competition—it's a chance to bring school communities together to celebrate and showcase sportsmanship, school spirit, incredible athletic talent and the lessons in leadership that our student-athletes are building. From the field to the stands, let's cheer for our teams with respect and pride, creating an outstanding environment for all.

For over a century, the AIA has championed the importance of education-based athletics to shape strong, successful futures and assist in providing opportunities for student-athletes to become leaders and positive, contributing members of our future. The thousands of student-athletes that participate every year in high school athletic contests in State 48 are proof that participation builds character, boosts academic success, increases high school graduation rates and fosters healthy lives. Let's keep the energy high and honor the commitment to elevating opportunities for student-athletes and the leadership lessons it provides.

Here's to an exciting championship that inspires excellence and creates memories for years to come! Remember, that these in our community are, "our students, our teams and our future." Good luck!

Alexis Lamadrid, Owen Greenough the ones to beat in Division I

Andy Morales
AZPreps365.com

Forty state championships. The girls of Xavier Prep have earned that many championships since 1980—and 33 individual titles since 1979.

As you can see, there's a narrow window open for opponents who want to claim a Division I championship of their own. Horizon won in 1996 and defended the crown the following year.

Hamilton (2010), Pinnacle (2019), Liberty (2021), and Hamilton (2022) also managed to keep Xavier at bay for the title. The Gators own consecutive championship streaks of 16, 12, seven and their current streak of the last three in a row is still in play.

Sister Lynn Winsor has the bulk of the championship to her name, and former Arizona State golfer Tui Selvaratnam has been the head coach of record since 2015. Selvaratnam has eight state championships on her shelf, which already puts her on a level very few might or will ever reach. Sister Lynn Winsor retired from Xavier Prep this past January after 52 years in various roles.

"Keeping her and the Xavier legacy going is my goal," Selvaratnam said in a statement on the retirement. "I want to stay as the best school in Arizona and keep building what Sister Lynn started."

The Gators come into the state playoffs this fall as the top-rated team once again, followed by Pinnacle, Perry, Liberty and Millennium.
Casteel took second last year, Liberty was third, Pinnacle was fourth and Millennium was fifth.

Individually, the program features five golfers ranked in the top-23, four in the top eight, three in the top six, two in the top four and the top-ranked golfer in senior Alexis Lamadrid. The Texas commit is playing for her third straight individual title. She shot a 7-under-par 137 in 2024 and a 9-under 135 last year to hold off former Casteel standout Julia Herzberg by two strokes. Herzberg is a freshman at Clemson.

Liberty junior Natalia Fox took third place last year and Casteel sophomore Ashley Malko, Perry junior Taylor Underhill, Mountain Ridge senior Peyton Decosta and former Xavier Prep standout Isabella Piazza (Colorado) all tied for fourth. Underhill is ranked second this year, Pinnacle senior Kaitlyn Moreland (WSU) is third, Xavier Prep freshman Claire Brooks is fourth, and Fox is fifth.

On the boy's side, Brophy Prep and Hamilton have been battling it out for the top spot since 2018, with Brophy Prep winning the last two. Brophy Prep leads the highest division with 11 state championships, and Hamilton has 10, with the last coming in 2023.

This year, Pinnacle comes in as the top-ranked team with Brophy Prep taking the second spot followed by Catalina Foothills, Perry and Millennium. Perry took third place last year, Casteel came in fourth place and Pinnacle was fifth. Pinnacle won a state championships in 2003 and 2005, and Catalina Foothills competed in Division II last year.

Individually, Hamilton senior Owen Greenough (Pepperdine) shot a 12-under 132 to win it all last year and comes back as the top-ranked Division I golfer this year. Perry senior Ethan Butters (Arizona State) took second place last year with a 9-under 135 and is ranked No. 2 this year. Brophy Prep senior Asher Nelson (Oklahoma State) tied for second last year with Butters and with Brophy Prep junior Hank Miller.

Catalina Foothills junior Parker Servoss is ranked third, Highland junior Nash Yogurtian is ranked fourth and Nelson is fifth. Brophy prep had four golfers finish in the seven last years and five in the top 20 to pull away from Hamilton 549 to 561. But things might get more difficult this year with four ranked in the top-12 while Pinnacle has seven in the top 24. Seven is way too many golfers for state of course, but the number at the top shows why the Pioneers have a slight edge on Brophy Prep. Pinnacle beat Brophy by three strokes in a meet on Oct. 1, but Catalina Foothills came out on top over Brophy, Desert Mountain and Pinnacle at The Peaks Invitational held on Oct. 2.

The state championship can come from any of the top teams this year, even Hamilton, which comes in ranked seventh with Greenough taking the lead. Greenough could be the first Division I golfer to win back-to-back individual titles since former Hamilton standout CJ Kim (Denver) won in 2008 and 2009.

Xavier Prep standout Alexis Lamadrid finished the Underrated Golf Tour with a victory at the 2026 Curry Cup, held at Bethpage Black in New York in September. (Curry Cup Photo)

NOTHING OUTPERFORMS INCLUSION!

While we all want our students to succeed today, what's also valuable is ensuring that inclusion is always at play. When a diverse group of students share one common pursuit, they develop compassion and empathy for their teammates and competitors.

That's the best possible outcome in high school sports–because every team and every student wins!
