AIA ARIZONA INTERSCHOLASTIC ASSOCIATION™

Welcome to the State Championships

Welcome to the AIA State Championships! On behalf of the Arizona Interscholastic Association, all of its member schools and more than 130,000 student-athletes statewide, we are excited to host our incredible student-athletes, coaches, families, and fans for an unforgettable celebration of talent and teamwork. Your dedication and passion make this event truly special, and we are so grateful for your support!

This championship is more than just competition—it's a chance to bring school communities together to celebrate and showcase sportsmanship, school spirit, incredible athletic talent and the lessons in leadership that our student-athletes are building. From the field to the stands, let's cheer for our teams with respect and pride, creating an outstanding environment for all.

For over a century, the AIA has championed the importance of education-based athletics to shape strong, successful futures and assist in providing opportunities for student-athletes to become leaders and positive, contributing members of our future. The thousands of student-athletes that participate every year in high school athletic contests in State 48 are proof that participation builds character, boosts academic success, increases high school graduation rates and fosters healthy lives. Let's keep the energy high and honor the commitment to elevating opportunities for student-athletes and the leadership lessons it provides.

Here's to an exciting championship that inspires excellence and creates memories for years to come! Remember, that these in our community are, "our students, our teams and our future." Good luck!

How dry land missteps steered two seniors to the fast lane

Previewing the 2026 boys state championships

By Andy Morales
AZPreps365.com

Langston Lindsey is pushing full force ahead.

While many high school swimmers taper their volume of laps in the pool heading into the state meet, the Arizona College Prep swimmer prefers to keep his workload high with the bigger picture in mind.

A few weeks after the Arizona state swimming championships, the junior national circuit events becomes the focus.

"I don't taper for the state meet because I want to keep preparing for juniors," he said. "The workload and two events correlate with each other and my schedule."

Lindsey, owner of eight total school records, and the rest of the state qualifiers are preparing for the state meet this week.

The swimming event takes place Friday and Saturday at Skyline for Division I and Division II. Phoenix Country Day (PCD) hosts swimming and diving on Friday and Saturday for Division III.

Diving for D-I is Wednesday at PCD with D-II diving on Thursday also at PCD.

The boys defending champions are Brophy (Division I), Catalina Foothills (Division II) and Tanque Verde (Division III).

Lindsey looks to close out his career by adding some more state titles on his resumes as he is the two-time state champion in the 50 freestyle and 100 backstroke.

He comes into the meet with the best times in D-I in both events as he clocked a 20.01 second 50 free and a :49.52 in the 100 fly.

As much as he likes to win and compete, he prefers to be pushed and prefers a competitor close to him in a lane nearby rather than blowing away the field.

"I like when someone is right there with me," he said. "It goes along with loving to compete and wanting to be the best. If someone is right there, it pushes me to dig deeper."

Other competitors who come in with the best time in more one event are Millennium's Ewan Cain (100 breast, 100 back, DI), Pinnacle's Brady Holubar (100 free, 200 free, DI), Canyon del Oro's Luke Weibel (50 free, 100 free, 100 back, 200 IM, DII), ALA-Gilbert North's Zachary Warren (50 free, 100 fly, DIII), Tanque Verde's Wade Olsson (100 breast, 200 IM, DIII) and Chandler Prep's James Thomas (100 free, 200 free, DIII).

Winning a state title is something that takes talent and time, but before it can happen there has to be a mental decision to do whatever it takes to be a state champion.

Once Lindsey won a state title around 9 years old, he knew he wanted to stand on the top stop of the podium every time out.

He has another chance to do just that this week.

"One I started getting better, and I just wanted to strive for more and race against my peers," Lindsey said. "I want to be the best of the best."

Next year he will have to see where he fits in at the college level as he recently decommitted from Tennessee and chose USC to continue his career.

"I feel like I rushed to a decision when I picked Tennessee," he said. "I felt like I had to find a school really early, but now I realize I needed to find a spot where I feel like it sets me up for what I wanted to do with the rest of my career, and what the rest of my life will look like."

Previewing the 2026 girls state championships

Delaney Barbee and Madelyn Hamblin may have not found their way to swimming if it were not for incidents away from the pool.

Barbee, a senior at Boulder Creek, broke her arm competing in gymnastics, while Hamblin, a senior at Dobson, started focusing on swimming after her older brother, Carson, sustained an eye injury while playing with a toy helicopter that forced him to drop other sports.

It was good decisions for both as they prepare for the Arizona state swimming championships and come into the meet holding the top times in their individual events.

The swim event takes place Friday and Saturday at Skyline for Division I and Division II. Phoenix Country Day (PCD) hosts swimming and diving on Friday and Saturday for Division III. Diving for DI is Wednesday at PCD with DII diving on Thursday also at PCD.

The defending champions are Desert Vista (DI), Desert Mountain (DII) and Phoenix Country Day (DIII). For Barbee, swimming came after time on the mat.

"I was OK in gymnastics, made it to Level 2, but after I broke my arm my mom was like we should probably find something else," Barbee said. "She swam her freshman year in high school, so we started out there with rec swim before going to a club. It's been a really good decision."

That's an understatement.

Barbee is the state record holder in the 50 freestyle, setting it as a sophomore with a time of 22:74.

She's been chasing it since and enters the Division I meet with the best time at 23:05, while also leading the 100 free at 51:05.

A change in club teams before her junior season created a higher volume of time in the pool. It took her body a minute to adjust and her times slowed. All has leveled out since and her times are getting back to where she was, and it puts her on pace to make a run at a state record again.

"She was adjusting to the new training schedule, but she still medaled in her events and relays," Boulder Creek coach Scott Newell said. "Delaney has had an amazing four years swimming at Boulder Creek and will finish as the best swimmer in school history."

Barbee, who is also second in the 200 free with a time of 1:52.23, is ready to finish off that career with one great push before heading to University of Arizona to continue her career.

She is ready for a fast start in the events and doesn't need to see the competitors in the lanes next to her for that extra push.

"I am very self-motivated," Barbee said. "It's a nice push to have someone next to you, but I am trying to beat my times and do what I have to do compete at my best."

Hamblin enters with the best time in Division I in the backstroke at 56.79, and a top-10 mark in three other events.

She started with the Dobson Dolphins with her brother at an early age but started focusing on swimming after Carson sustained an injury when a broken piece of the rotor blade on a toy helicopter struck him in the eye.

"We all played other sports, but after he started focusing on swimming, I did too," said Hamblin, who played soccer and softball. "It's something I was good at an early age and wanted to stick with it."

Hamblin is ready to stand on that elevated platform and compete to the best of her ability for one last meet.

"When you are competing against the best you have to be at your best," she said. "I always look at the how the swimmer in my lane in the race did before me and it kind of sets the tone. If they do well then I feel like I will, too. It's just one of superstition things, but I am ready to finish strong no matter what."

NOTHING OUTPERFORMS INCLUSION!

While we all want our students to succeed today, what's also valuable is ensuring that inclusion is always at play. When a diverse group of students share one common pursuit, they develop compassion and empathy for their teammates and competitors.

That's the best possible outcome in high school sports–because every team and every student wins!
